NOTE.—In the above classification those roads whose statements are grouped under the head of Class 1 comprise all lines that may be designated "common carrier railroads" in the full sense of the expression; Class 2 is made up of railroads that are engaged in carrying passengers only; and Class 3 those exclusively engaged in the transportation of freight; Class 4 comprises switching, belt, terminal, connecting, and toll railroads; Class 5 consists of private, logging, ore, and other railroads used in conjunction with the enterprises with which they are connected; and Class 6 includes roads not fully brought into operation, and those whose operations are not fully reported. Class 4 is omitted because the traffic operations of these switching and transfer railroads is merely a duplication of figures contained in Class 1; omitting these transportation statistics necessarily causes the omission of all returns responsive thereto.

NOTE.—The "annual increase in mileage" usually represents the net increase within the year named. Above will be found a detailed statement of railroad construction for the three years 1899-1901, and similar statements for preceding years will be found in the past numbers of the MANUAL. The total mileage of all lines in the country at the end of 1900, as shown by the revised statements presented herewith, was 194,333.59 miles; construction during the year, as per construction table above, 4,906.49 miles—total, 199,240.08, from which deduct sundry lines reported abandoned, transferred to side track, and equipped with electricity, aggregating 452.78, leaving mileage, Dec. 31, 1901, 198,787.30 miles. This amount is *exclusive* of Northern Pacific spur tracks (see page vi).

7. Capital Stock.—The authorized capital stock is \$2,378,000 in 100 shares—10,500 shares of common stock and 13,250 shares of preferred stock, the latter being entitled to 5 p. c. non-cumulative dividends. All of the common stock and 12,466 full-paid shares of the preferred stock were outstanding June 30, 1901, besides a small amount of preferred stock scrip. Provision is made for the retirement of the preferred stock, in the mortgage securing the new refunding bonds (see Sec. 11). On May 17, 1902, except \$67,400 of such stock had been retired.

8. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$6,410,000, as per general balance sheet—consisted of the following issues (see also Ready Reference Bond List):

\$3,360,000 1st gold 5s of Jan. 1, 1943; authorized issue, \$16,000 per mile. Secured on the main line, Fort Fairfield Branch and Ashland Branch, a total of 211.35 miles.	\$1,500,000 Piscataquis Division 1st gold 5s of Jan. 1, 1943. Secured by 1st mtge. on the line from Oldtown to Greenville, Me., 76 miles, on the repair shops in Oldtown, and on the improvements and new work provided for in the mortgage.
\$1,050,000 2d gold 5s of July 1, 1945. Secured on the same property as, but subject in lien to the 1st mtge. bonds.	\$500,000 Van Buren Extension 1st gold 5s of Jan. 1, 1943. Secured by 1st mtge. on the line from Caribou to Van Buren, Me., 33 miles, and on the equipment and appurtenances thereof.

9. Car Trust Bonds and Notes.—The \$1,190,000 outstanding on June 30, 1901, consisted of the following issues: \$220,000 (original issue, \$400,000) 6 p. c. Series A bonds, dated Oct. 1, 1896, payable 0.000 each 1st of April and Oct., \$760,000 (original issue, \$800,000) 5 p. c. gold Series B bonds, dated July 1, 1900, payable \$40,000 each 1st of April and Oct., beginning April 1, 1901; and \$210,000 (original issue, \$250,000) Series B notes, dated July 16, 1900, payable \$40,000 each 15th Jan. and July. The "Series A" bonds cover 758 flat, 425 box, 20 stock and 15 caboose cars; "Series B" bonds cover 800 flat, 770 box, 50 stock and 6 caboose cars.

10. Guaranteed Bonds.—The Bangor and Aroostook RR. Co. guarantees, both as to principal and interest, \$225,000 5 p. c. bonds of Oct. 1, 1947, secured by first mortgage on the Aroostook Northern RR. Provision is made in the mortgage securing the new refunding bonds of the Bangor and Aroostook RR. Co. for the retirement of these guaranteed bonds.

PLAN OF REORGANIZATION OF FINANCES.

11. Consolidated Refunding Mortgage Gold Bonds.—Under date of July 1, 1901, the company executed a mortgage in favor of the Old Colony Trust Co., Boston, Mass., trustee, to secure an issue of \$20,000,000 of 4 p. c. 50-yr. bonds, the principal of which is to mature on July 1, 1951, and the interest on each Jan. 1 and July 1. Both principal and interest are payable in gold, free of all taxes, the principal at the office of Lee, Higginson & Co., Boston, Mass., and the interest at the same place and at

the office of Brown Bros. & Co., New York, N. Y. The bonds are for \$1,000 each, in coupon form, with privilege of registration as to principal alone, or as to both principal and interest. Bonds amounting to \$12,500,000 are reserved for the retirement of the present funded debt, car trust obligations and preferred stock of the Bangor and Aroostook RR. Co., and for the retirement of the bonds secured on, and the purchase of, the leased lines. Any of the \$12,500,000 thus reserved, not needed for the purposes mentioned, may be added to \$3,000,000 of bonds reserved for additions and improvements; such \$3,000,000, and any addition thereto from the \$12,500,000, to be issued at not exceeding the rate of \$500,000 for the first year (ending June 30, 1902), and \$250,000 a year thereafter. The remaining \$4,500,000 of bonds are to be used only for extensions, and for the acquisition of, and to discharge any liens on, other railroads; the issue for either of the purposes mentioned not to exceed the rate of \$25,000 per mile of road, including equipment. The mortgage covers the entire property of the company, whether now owned or hereafter acquired, through the issue of the bonds it secures; subject, however, to prior liens. It is provided that old bonds taken up shall not be canceled until at least 99 p. c. of the class to which they shall respectively belong shall have been retired, but that in the meantime they shall be stamped "not negotiable" and deposited with the trustee under this mortgage as additional security therefor. Up to Jan. 1, 1902, there were issued \$2,916,000 of the new bonds for purposes specified in the mortgage. The funded debt outstanding on or about Aug. 1, 1902, is shown in the Ready Reference Bond List—see General Index.

12. RAILROADS LEASED OR CONTROLLED BY THE BANGOR AND AROOSTOOK RR. Co.

Aroostook Northern RR.—Caribou to Limestone, Me., 15.91 miles. Rail (steel), 56 lbs. Chartered July, 1897; opened Dec. 1, 1897. Leased for 999 years from Nov. 27, 1897, at a yearly rental equal to interest on bonds, besides \$51 for organization expenses. Capital stock, \$100,000; funded debt (1st 5s of Oct. 1, 1947, int. A. & O.), \$225,000—total, representing cost of road, \$315,000. The bonds are guaranteed by the B. & A. RR. Co. F. W. Cram, Pres., Houlton, Me.; F. H. Appleton, Clerk; F. C. Plaisted, Treas., Bangor, Me. Office, Bangor, Me.

Fish River RR.—Projected: Ashland to Fort Kent, Me., 52.5 miles. Gauge, 4 ft. 8½ in. Rail (steel), 70 lbs. Chartered Sept. 13, 1901. Construction is in progress, and the road is expected to be in operation before Oct. 1, 1902. It will eventually

become a part of the Bangor and Aroostook RR., either by purchase or lease. Financial Statement, March 20, 1902.—Capital stock paid in (\$500,000 auth.), \$60,625; notes payable, \$80,000—total, \$140,625. Contra: Cost of road to date, \$132,825. Estimated cost of road to completion, \$1,570,000. There is provision made for an issue of 1st mtge. 50-yr. bonds to mature Jan. 1, 1952, the total issue not to exceed \$1,400,000 or at the rate of \$25,000 per mile. The mortgage provides for an equal amount of notes to be issued prior to the issuing of the bonds, and \$80,000 of such notes were outstanding at the date of this statement. They are dated Jan. 1, 1902, mature July 1, 1903, and bear interest at the rate of 5 p. c. per annum. F. W. Cram, Pres.; B. B. Thatcher, Vice-Pres.; Edward Stetson, Treas.; F. H. BOSTON AND MAINE RAILROAD SYSTEM.

The system of railroads owned, leased or operated by the Boston and Maine RR. on June 30, 1901, aggregated in length of main track 2,325.86 miles, as follows:

Boston and Maine Railroad and Leased Lines.....	2,264.69 miles.
Sullivan County Railroad.....	26.00 "
Vermont Valley Railroad.....	24.00 "
York Harbor and Beach Railroad.....	11.17 "

Total mileage of system operated by B. & M. RR.....2,325.86 miles.

Although the Sullivan County RR., the Vermont Valley RR., and the York Harbor and Beach RR. are operated directly by the Boston and Maine RR., their operations are not included in the report of the operating company, which simply acts as agent for the owners. The Vermont Valley and the Sullivan County are controlled in the interest of the Connecticut River RR. Co., a leased company of the Boston and Maine RR.

The Boston and Maine RR. owns and operates an electric branch over the principal streets of Portsmouth, N. H., and through the towns of Rye and North Hampton to Rye Beach Station. An electric branch of the Concord and Montreal RR. is projected from Concord to Nashua, N. H.; the section between Concord and Manchester is under construction, and is expected to be opened for traffic in the summer of 1902.

The following statement shows in detail the mileage (exclusive of trackage rights) of the system, and its capitalization, on June 30, 1901. The amounts of stocks and bonds afloat represent the securities outstanding, the difference between such amounts and the total

capitalization being the amounts of capital stock and of funded debt held by companies of the system :

General Balance Sheet, June 30, 1901	8				

1. History.—Consolidation, May 9, 1890, of the Boston and Maine RR., Eastern RR. Co., and Portsmouth, Great Falls and Conway RR. Co. The Eastern RR. in New Hampshire was absorbed on June 1, 1899; the Portsmouth and Dover RR., Portland, Saco and Portsmouth RR., and Portland and Rochester RR. on Jan. 1, 1900; and the Central Massachusetts RR. on April 1, 1901—see MANUAL for 1897, page 318, and MANUAL for 1901, page 4. For terms under which the leased lines are operated, see tabulated statement, sec. 17, and for fuller information see the separate statements for the several leased lines.

The Portsmouth Electric Branch Ry. was not completed so as to be fully operated until some time after July 1, 1900, although it was partly put in operation a year earlier. A further extension of one of its lines in the city of Portsmouth, about 3 miles in length, was completed and put in operation after the close of the fiscal year ending June 30, 1901.

9. Capital Stock.—Capital stock liability consisted, June 30, 1901, of \$23,367,170.70 common stock and \$3,149,800 preferred stock; the common stock including \$23,361,800 B. & M. common stock, \$1,863.04 B. & M. common stock scrip, 32 shares P. S. & P. RR. Co. stock exchangeable for \$3,200 of B. & M. common stock and 4 shares P. & D. RR. stock exchangeable for \$307.66 of B. & M. common stock. At the same time the authorized capital stock was \$26,802,925.30, consisting of \$23,653,125.30 common stock and \$3,149,800 non-cumulative 6 p. c. preferred stock; shares, \$100 each. Of the common stock issued, the company owns \$1,128,200 upon which no dividends are paid, and which is deposited with the trustees of the Eastern RR. Co. as collateral security for the payment of its certificates of indebtedness due in 1906.

10. Funded Debt.—The funded debt outstanding June 30, 1901—total, \$28,794,914.96 as per general balance sheet, consisted of the following issues (additional particulars are in the Ready Reference Bond List—see General Index):

B. & M. Sink. Fund 4s of Feb. 2, 1905, int. F. & A. \$1,000,000	E. RR. Mtg. 6s (S) of Sept. 1, 1906, int. M. & S. \$6,692,500 21

	Cent. Mass. deb. 5s of Oct. 1, 1906, int. A. & O. 100,000 00

As of date of Nov. 1, 1901, the company issued \$1,000,000 of 3½ p. c. 30-yr. debentures to reimburse the treasury for the expenditures made by the company for permanent improvements upon the leased lines. The bonds mature on Nov. 1, 1921, and the interest on them is payable on the 1st of May and Nov., at the company's office, Boston, Mass.

Under the sinking fund provisions of the three improvement loans 1½ p. c. in cash upon the amount of the bonds outstanding is paid yearly to the Boston Safe Deposit and Trust Co., trustee of the sinking fund. The income of this fund is invested in bonds or other securities, as requested by the Boston and Maine RR. The Eastern RR. mortgage certificates are secured on the main line from Boston, Mass., to N. H. State line, 14.45 m.; on the Asbury Grove, Charlestown, East Boston, Essex, Gloucester, Lawrence, Marblehead, Swampscott, and Saugus Branches, and on 3.79 m. of the West Amesbury Branch, from Salisbury to Amesbury; an aggregate of 110.72 miles. The Portsmouth, Great Falls and Conway bonds are secured on the main line from Conway Junction, Me., to North Conway, N. H., 72.86 miles. The \$2,000 old bonds have not yet been presented for exchange for bonds of 1937. The Central Massachusetts 1st mtge. bonds are secured on the line from No. Cambridge Junc. to Northampton, Mass., 98.77 miles. They are all owned by the Boston and Lowell RR. The Central Massachusetts debentures were all owned by the Boston and Maine RR., as shown in Sec. 13. They were cancelled after the close of the fiscal year.

11. Guaranteed Bonds.—The company guarantees \$1,328,000 1st mtge. 5 p. c. bonds of the St. Johnsbury and Lake Champlain RR. Co. and the interest on \$274,000 Manchester and Lawrence 4 p. c. bonds of 1922, besides guaranteeing jointly with the Maine Central RR. Co. \$300,000 Portland Union Ry. Station Co. bonds.

12. Construction Account.—Additions to the company's capital account were made during the year ending June 30, 1901, as follows: Purchase of the properties, rights and franchises of the Central Massachusetts RR. Co. (including its equipment \$302,150), \$5,542,610.53; new 2d track and separation of highway grade crossings between Salisbury and Greenland, \$39,258.92; separation of other highway grade crossings completed during year, \$231,250.05; construction and equipment of Portsmouth Electric Branch Ry., \$55,508.80; land purchased and applied to the company's uses, \$22,139.63; land purchased but not yet applied to the company's uses, \$80,442.06—total, \$5,951,209.99. Less land disposed of, \$4,971.21. Net increase in construction and real estate accounts, \$5,976,238.78.

There are also held in the treasury on account of the Northern RR., 1,250 shares of the capital stock of the Franklin and Tilton RR. of a par value of \$125,000, heretofore included in reports of stocks owned, now transferred to improvement account Northern RR.

The \$100,000 of bonds of the Central Massachusetts RR., which are also shown as a liability of the B. & M. RR., in Sec. 10, have since been cancelled.

15. Sinking Funds.—Balance of funds June 30, 1901—B. & M. improvement bonds, \$1,045,306.42; Eastern RR. bonds, \$8,213.61—total, \$1,053,520.03. The B. & M. improvement sinking fund is invested as follows: Cost of \$201,000 B. & M. improvement bonds, \$204,075.12; cost of \$63,000 B. & M. gold 4½s of 1944, \$78,838.88; cost of \$150,000 bonds of Portland Union Ry. Station Co., \$150,809.32; cost of \$69,000 bonds of Maine Central RR. Co., \$71,872.12; cost of \$62,000 bonds of Bangor and Aroostook RR. Co., \$67,270; cost of \$84,000 bonds of Concord and Montreal RR. Co., \$84,498.15; cost of \$308,000 Connecticut River RR. scrip, \$305,319.81; cost of 31 shares (\$3,100) of Connecticut River RR. stock, \$7,734.50; cost of 500 shares (\$50,000) of Fitchburg RR. preferred stock, \$71,500; cash on hand, \$3,388.52—total, \$1,045,306.42.

2. History.—Reorganization, effective May 1, 1899, of the Central Vermont RR. Co. (see MANUAL for 1899, page 732). The company owns all the stock and about three-fifths of the bonds of the Stanstead, Shefford and Chambly Ry. Co., and all the stock of the Montreal and Province Line Ry. Co. Both of the companies named will be in time consolidated into the Central Vermont Ry. Co. The abandoned portion of the Montreal and Province Line Ry., between Farnham and Frelighsburg, Que., 18.2 miles, has been rebuilt, and was opened for traffic on Nov. 10, 1901. The Parliament of the Dominion of Canada granted a subsidy of \$3,200 a mile for the work; the remainder of the cost was provided from income.

The line from White River Junction to South Vernon, Vt., made up of the Central Vermont Ry. from White River Junction to Windsor, the Sullivan County RR. from Windsor to Bellows Falls, the Vermont Valley RR. from Bellows Falls to Brattleboro, and the New London Northern RR. from Brattleboro to South Vernon, is used jointly by this company and the Boston and Maine RR., under an agreement effective Oct. 1, 1900. The bridge over Lake Champlain from West Alburgh to Rouse's Point is owned jointly by this company and the Rutland RR. Co. This company has joint use of the terminal facilities in Rouse's Point of the Delaware and Hudson Co. and of the Grand Trunk Ry. Co. The Rutland RR. Co.

uses this company's tracks, lands, and passenger station at Burlington, Vt., at a rental of \$7,000 a year.

6. Funded Debt.—Funded debt consists of 1st mtge. 4 p. c. 21-yr. gold bonds, due May 1, 1920, interest Feb., May, Aug., and Nov. The amount authorized by the mortgage and shown as a liability on the general balance sheet is \$12,000,000, but there are only \$11,000,000 of bonds outstanding, \$1,000,000 being reserved in the hands of the trustee to be issued only for betterments and improvements under proper restrictions. The bonds are secured on the entire property and assets of the company. The bondholders have the privilege of electing three members of the board of directors, and for that purpose voting power attaches to the bonds—one vote for every \$100 thereof.

The Grand Trunk Ry. Co. owns more than \$2,000,000 of the capital stock, and guarantees the interest on the bonds under a traffic contract by the terms of which it agrees to provide for any deficiency up to an amount equal to 30 p. c. of the gross receipts from business interchanged between it and this company.

1. History.—Consolidation, Oct. 28, 1862, of the Androscoggin and Kennebec RR. Co. and the Penobscot and Kennebec RR. Co. The Portland and Kennebec RR., the Somerset and Kennebec RR. and the Leeds and Farmington RR. were absorbed on Nov. 16, 1874; the Maine Shore Line RR. (Mt. Desert Branch) in 1888, and the Knox and Lincoln Ry. (Rockland Branch and Woolwich Ferry) in Feb., 1901. (See MANUAL for 1885, page 6; MANUAL for 1890, page 38; and MANUAL for 1901, page 17.) The old Knox and Lincoln RR. Co. (see MANUAL for 1892, page 358) retained a nominal corporate existence until Aug. 9, 1901, when it was absolutely dissolved by a decree of the Supreme Judicial Court of Maine, its powers passing to the Maine Central RR. Co.

CONSOLIDATED MORTGAGE BONDS.—Secured by first mortgage on the main line from Portland to Bangor, and on the Bath, Farmington, Lewiston and Waterville Branches, an aggregate of 305.25 miles. (See Manual for 1900, page 22.) The authorized amount is \$9,000,000, to be issued in four classes—Class A for \$1,000,000, Class B for \$3,975,000, Class C for \$2,850,000, and Class D for \$1,175,000. On June 30, 1901, there were outstanding \$991,500 of Class A, \$3,968,500 of Class B, all of Class C, and \$1,174,000 of Class D. The rate of interest was originally 7 p. c., but bonds have been placed at lower rates when they could be sold. The issues to June 30, 1901, were as follows: Class A, \$991,500 at 7 p. c.; Class B, \$1,515,500 at 7 p. c., \$8,500 at 5 p. c., \$1,100,000 at $4\frac{1}{2}$ p. c., and \$1,344,500 at 4 p. c.; Class C, \$1,307,000 at 7 p. c., \$261,000 at 5 p. c., and \$1,282,000 at 4 p. c.; Class D, \$110,000 at 7 p. c., \$425,000 at $4\frac{1}{2}$ p. c., and \$639,000 at 4 p. c.

COLLATERAL TRUST BONDS.—Secured by deposit with the American Loan and Trust Co., Boston, Mass., trustee, of an equal amount of the 1st mtge. bonds of the Maine Shore Line RR. Co. (See following paragraph.) The Maine Central RR. Co. pays to the trustee the interest on the Maine Shore Line bonds, and from the amount thus received the trustee pays the interest on the collateral trust bonds, and applies the remaining 1 p. c. to a sinking fund for the retirement of those bonds at maturity. The fund amounted, July 1, 1901, to \$163,958.43.

MAINE SHORE LINE FIRST MORTGAGE BONDS.—Secured on the Mount Desert Branch, 41.13 miles. The amount authorized and issued is \$750,000. Bonds amounting to \$76,000 are outstanding in the hands of the public, \$5,000 are owned by the Maine Central RR. Co. and \$669,000 are deposited with the American Loan and Trust Co., Boston, Mass., as security for the collateral trust bonds.

SINKING FUND BONDS.—These bonds are merely a direct obligation of the Maine Central RR. Co. A sinking fund is provided for their retirement, at maturity, by a yearly deposit of \$16,000 with the Portland Trust Co., Portland, Me., trustee. On July 1, 1901, the fund amounted to \$368,554.08.

IMPROVEMENT BONDS.—These bonds are merely a direct obligation of the Maine Central RR. Co. Series A Bonds are payable, both principal and interest, in gold. It is not specified in Series B bonds that they are payable either principal or interest in gold. A sinking fund of 1½ p. c. a year is provided for the retirement of the bonds at maturity. On July 1, 1901, the sinking fund for Series A amounted to \$61,004.03; for Series B the amount was \$69,730.28.

PENOBSCOT SHORE LINE BONDS.—These are secured by first mortgage on the line from Bath to Rockland, Me. They were assumed by the Maine Central RR. Co. in the consolidation of Feb., 1901.

KNOX AND LINCOLN SERIES A BONDS.—Assumed by the Maine Central RR. Co. in the consolidation of Feb., 1901. Secured on the entire property of the Knox and Lincoln Ry. Co., subject to the lien of the Penobscot Shore line bonds. The Maine Central RR. Co. owns \$31,000 of the \$400,000 issued. Additional bonds (series B) may be issued under the same mortgage at the rate of \$20,000 per mile for completed extensions.

10. Guaranteed Bonds.—The guaranty of the Maine Central RR. Co., both as to principal and interest, is endorsed on the bonds of all leased lines except the Belfast and Moosehead Lake RR. The aggregate of such guaranteed bonds, June 30, 1901, was \$5,312,000, and of the interest charge thereon, \$225,135. The company also guarantees, jointly with the Boston and Maine RR., \$300,000 4 p. c. bonds of the Portland Union Ry. Station Co.

11. Statement showing as of June 30, 1901, the mileage and capitalization of the railroads whose operations are included in the income account of the Maine Central RR. Co., together with the rentals of leased lines, for the year ending June 30, 1901 :

The company's four-track line is completed between New York and New Haven, except at Bridgeport, where the work is nearing completion.

2. History.—Consolidation, Aug. 6, 1872, of the Hartford and New Haven RR. and the New York and New Haven RR. A sketch of the history of the company is in the MANUAL for 1901, on pages 21 and 22. The Stamford and New Canaan RR. was absorbed on Oct. 1, 1890; the Hartford and Connecticut Valley RR., on Dec. 21, 1892; the New York, Providence and Boston RR., on Feb. 3, 1893; the Shore Line RR., on March 18, 1897; the Housatonic RR., on March 28, 1898; and the Shepaug, Litchfield and Northern RR., on July 8, 1898. The Housatonic RR. was acquired by issuing one share of capital stock of this company in exchange for every eight share of Housatonic preferred stock; the basis of exchange for the stocks of the other roads was share for share (see MANUAL for 1901, page 22). This company also offered shares of its capital stock in exchange for the shares of other of its leased lines on the terms stated in the MANUAL for 1894, on page 583, and in the MANUAL for 1899, on page 26. The following statement shows, as of June 30, 1901, the progress made in the acquisition of the stocks of the companies embraced in the latter offer and the amount of its capital stock issued by the "New Haven" company for such purpose:

Since 1895, when electric traction was substituted for steam power on the Nantasket Beach RR., the company has been gradually extending the use of electricity to such branch lines as could be advantageously operated thereby. Up to June 30, 1901, the following lines had been transformed into electric roads: Nantasket Beach RR., 6.95 miles; Plymouth Division of Old Colony RR., from Braintree to Cohasset, Mass., 11.7 miles; New Canaan Branch of N. Y., N. H. & H. RR., 7.66 miles; New England RR., from Hartford to Bristol, Conn., 17.9 miles; Providence, Warren and Bristol RR., 14.35 miles; and Berlin Branch of N. Y., N. H. & H. RR., 3.18 miles. The overhead trolley system is used on the Nantasket Beach RR., the Providence, Warren and Bristol RR., and the New Canaan Branch, while the third

rail system is employed on the Berlin Branch and on the electric sections of the Old Colony and the New England RRs.

The attempt to move the electric cars of the Providence, Warren and Bristol RR. from East Providence to the Union Station in Providence proving impracticable, the terminal will remain in India Street, and a new passenger station is to be erected there to accommodate the traffic of this line. Owing to this change the trackage contract with the Union Street RR. Co. has been annulled, but close connection will be made with that company's system at India Street.

In addition to the electric roads directly operated by it, the company controls the Meriden Electric RR. Co., whose line extends from Meriden to Wallingford, Conn., 18 miles, and the Stamford St. RR. Co., operating 10.77 miles of line in the city and town of Stamford, Conn.

The company owns the Providence and Stonington Steamship Co., the New Haven Steamboat Co., and the New London Steamboat Co., and, through the leases, respectively, of the Old Colony RR. and the Norwich and Worcester RR., controls the Old Colony Steamboat Co. and the Norwich and New York Transportation Co. The company assumed the outstanding bonds of the New Haven Steamboat Co., amounting to \$364,500 (see Sec. 13a), as part of the purchase price of that property. The New London Steamboat Co. was purchased in 1901. It operates two freight steamers between New London and New York, and also operates a line of steamers between New London, Watch Hill and Block Island. The steamboat lines are under the direct management of the company, but their earnings (amounting to \$4,163,229.74 during the year ending June 30, 1901) are not included in this statement.

In the cases of the New England, the Norwich and Worcester and the Boston and Providence, the cash rentals were disbursed direct by the lessee.

It must be understood that the obligations of the Boston and New York Air Line RR. Co., New England RR. Co., New Haven and Northampton RR. Co., and Old Colony RR. Co., on account of the lines leased by them, are assumed by the New York, New Haven and Hartford RR. Co. only during the continuance of its leases of the parent roads. The dates and terms of leases of such subordinate leased lines shown in the preceding statement refer to the agreements with the direct lessees.

The lease of the Attleborough Branch RR. to the Boston and Providence RR. Corp. expired on Dec. 31, 1900, but the N. Y., N. H., & H. RR. Co. continues to operate the road, under a temporary arrangement, pending the construction of a line of its own from North Attleboro Station to Adamsdale Station.

2. History.—Reorganization, in July, 1867, of the Rutland and Burlington RR. Co. (See MANUAL for 1898, page 24.) The Rutland-Canadian RR. Co. was absorbed in Jan., 1901; the Bennington and Rutland Ry. Co. on July 30, 1901, and the Ogdensburg and Lake Champlain Ry. Co. on Sept. 27, 1901. The Rutland RR. Co. owned all of their capital stocks. (See MANUAL for 1901, pages 33-35.) Although the absorption of the Bennington and Rutland Ry. Co. and of the Ogdensburg and Lake Champlain Ry. Co. was not completed until after June 30, 1901, the general balance sheet of that date shows the financial condition of the consolidated company, the stocks of the companies named having been cancelled and Rutland preferred stock issued in place thereof, and their assets and liabilities having been assumed by the Rutland RR. Co.

On Dec. 21, 1901, the company absorbed the Chatham and Lebanon Valley RR. Co. (see MANUAL for 1901, page 173), having acquired the entire capital stock thereof. The road thus absorbed extends from Chatham, N. Y., to Bennington, Vt., 57.01 miles, and in connection with the Bennington Branch forms a through line from Rutland, Vt. to Chatham, N. Y., a distance of 114.02 miles. Total length of lines owned and leased by the Rutland RR. Co. on Jan. 1, 1902, 416.07 miles.

The Rutland RR. Co. operates under lease the Addison RR. and the Rutland and Noyan Ry., and controls the Rutland Transit Co. through ownership of its entire capital stock. The Rutland RR. Co. also owns the entire capital stock of the Rutland and Noyan Ry. Co. and 87 p. c. of the capital stock of the Addison RR. Co. (See separate statements for the companies named, in Sec. 15.)

3. Financial Changes.—During the year ending June 30, 1901, the preferred stock was increased from \$4,239,100 to \$8,557,300, and the common stock was reduced from \$2,493,400 to \$211,400. Preferred stock was issued in exchange for the \$2,282,000 common stock retired, and in exchange for the \$2,900,000 common stock of the Ogdensburg and Lake Champlain Ry. Co., at the rate of one share for ten shares; in exchange for \$1,500,000 capital stock of the Rutland-Canadian Ry. Co., at the rate of thirteen shares for fifteen shares; and in exchange for \$1,000,000 capital stock of the Bennington and Rutland RR. Co. and \$1,500,000 preferred stock of the Ogdensburg and Lake Champlain Ry. Co., at the rate of share for share. Of the \$8,557,300 of preferred stock as of June 30, 1901, 42,391 shares, amounting at par to \$4,239,100, were outstanding and 37,900 shares, of the par value of \$3,790,000, were in the treasury of the company. These treasury shares, together with an additional issue of 5,000 shares of the same class, the lot having a par value of \$4,290,000, were sold between June 30, 1901, and Jan. 1, 1902, and between the same dates \$300 of preferred stock was issued in exchange for \$3,000 of common stock retired. In consequence of these changes the preferred stock outstanding on Jan. 1, 1902, amounted to \$9,057,600 and the common stock to \$208,400. The sale of preferred stock was made for the purpose of retiring the floating debt and to provide for betterments and extensions to the railroad.

In the consolidations referred to under "History" (Sec. 2) the company assumed \$1,350,000 1st mtge. 4 p. c. bonds of the Rutland-Canadian Ry. Co., \$500,000 1st mtge. 4½ p. c. bonds and \$500,000 2d mtge. 5 p. c. bonds of the Bennington and Rutland RR. Co., \$4,400,000 1st mtge. 4 p. c. bonds of the Ogdensburg and Lake Champlain Ry. Co. and \$500,000 1st mtge. 4 p. c. bonds of the Chatham and Lebanon Valley RR. Co. Full particulars respecting these several issues of bonds will be found under "Funded Debt" (Sec. 10).

9. **Capital Stock.**—The common stock is being retired as fast as presented for conversion into preferred stock, the basis of exchange being one share of preferred for ten shares of common. The preferred stock is entitled to cumulative dividends at the rate of 7 p. c. per annum. (See Section 3.)

10. **Funded Debt.**—The funded debt outstanding on June 30, 1901—total \$10,250,000, as per general balance sheet—consisted of the following:

\$1,119,100 Rutland RR. 1st 6s of Nov. 1, 1902. Between June 30, 1901, and Jan. 1, 1902, the amount outstanding was reduced to \$1,059,100. The bonds are secured on the line from Bellows Falls to Burlington, Vt., 119.70 miles.

900 Rutland RR. 2d mtge. 5 p. c. bonds due and interest ceased on Aug. 1, 1898. On Jan. 1, 1902, there were \$800 of these bonds in the treasury of the Rutland RR. Co., leaving only \$100 outstanding.

2,350,000 Rutland RR. consol. gold 4½ of July 1, 1941. The authorized amount is \$3,500,000, the unissued bonds being reserved for the retirement of prior liens. On Jan. 1, 1902, the amount outstanding was \$2,440,000, the additional \$90,000 having been issued in exchange for an equal amount of 1st mtge. bonds. Secured on the entire property owned by the company previous to the absorption of the Rutland-Canadian Ry., but subject to the lien of the first mortgage.

1,350,000 Rutland-Canadian 1st gold 4s of July 1, 1949. Secured on the line from Burlington to

Rouse's Point and on the branch from Alburgh to the Canadian Boundary, a total of 41 miles.

500,000 Bennington and Rutland 1st gold 4½ of Nov. 1, 1927. Secured on the line from Rutland to Bennington, N. Y., 57.01 miles, and on the branch from North Bennington to White Creek, 1.85 miles.

500,000 Bennington and Rutland 2d gold 5s of March 1, 1920. The bonds are subject to redemption at par on any interest day after 60 day's notice. Secured on the same property as, but subject in lien to, the first mortgage bonds of 1927.

4,400,000 Ogdensburg and Lake Champlain 1st gold 4s of July 1, 1948. The registered bondholders had the right to cast one vote for every \$100 of their bonds at all meetings of the Ogdensburg and Lake Champlain Ry. Co., but their status under the consolidation is uncertain. Secured on the line from Ogdensburg to Rouse's Point and on branches to Point Airy and to Chateaugay Pulp Mills, a total of 121 miles.

11. **Chatham and Lebanon Valley Bonds.**—In the consolidation with the Chatham and Lebanon Valley RR. Co. (see "History"—Sec. 2) \$500,000 1st mtge. 4 p. c. bonds of that company were assumed by the Rutland RR. Co. The entire issue is in the treasury. The bonds are dated July 15, 1901, and mature July 15, 1951. Interest is payable on the 15th of Jan. and 15th of July at the office of The

Standard Trust Co., of New York, N. Y., trustee of the mortgage. Principal and interest are payable in gold, free of all taxes. The bonds are for \$1,000 each, in coupon form, with privilege of registration as to principal. They are guaranteed, both as to principal and interest, by the Rutland RR. Co., the guaranty being endorsed on each bond. Secured by first mortgage on the line from Chatham, N. Y., to the Vermont State Line, about 50 miles. Issued for the purpose of retiring \$350,000 old 1st mtge. gold bonds, and to meet the cost of completing and improving the road.

12. Equipment Bonds.—These are secured on 600 box cars and on 250 coal cars. They bear interest at the rate of $4\frac{1}{2}$ p. c. per annum, and mature at the rate of \$33,000 per annum.

12a. New Equipment Bonds.—Under date of April 1, 1902, the company issued \$1,500,000 $4\frac{1}{2}$ p. c. equipment bonds, \$100,000 of which are payable yearly. They are secured on 25 locomotives, 24 passenger coaches, 8 combination and 9 baggage cars, 1,305 freight cars (750 box, 300 flat, 100 coal, 100 coal and ballast, 40 stock and 15 refrigerator), 6 caboose cars, 3 hangers and 1 wrecking derrick.

13. Guaranteed Bonds.—The company guarantees the \$100,000 1st mtge. 4 p. c. gold bonds of the Rutland and Noyan Ry. Co., both as to principal and interest.

14. Stocks and Bonds Owned.—The securities in the treasury of the company on June 30, 1901, valued on the books at \$3,729,322.37, consisted of the following: Rutland RR. preferred stock, \$3,790,000; Addison RR. stock, \$435,000; Rutland Transit stock, \$1,000,000; Rutland and Noyan Ry. stock, \$100,000; Rutland and Noyan Ry. 1st mtge. 4 p. c. bonds, \$100,000; Rutland Transit 1st mtge. 5 p. c. bonds, \$646,000; Rutland RR. 2d mtge. 5 p. c. bonds, \$200—total par value, \$6,071,200. After June 30, 1901, the Rutland preferred stock was sold, the 2d mtge. 5 p. c. bonds in treasury were increased \$600 and \$500,000 of Chatham and Lebanon Valley RR. 1st mtge. 4 p. c. bonds were acquired.

15. SUBSIDIARY CORPORATIONS.

Addison RR.—Leicester Junc., Vt., to Ticonderoga, N. Y., 15.60 m.; total track (steel; 60 lbs.), 17.03 miles. Chartered in 1870; road opened Dec. 1, 1871. Leased to Rutland RR. Co. at a yearly rental of 3 p. c. on the capital stock. Capital stock, \$500,000, of which the lessee owns \$435,000. Percival W. Clement, Pres.; H. G. Smith, Sec. & Treas., Rutland, Vt. Capital Stock.—The amount of common stock shown in the general balance sheet includes \$242,950 reserved to meet bonds of the old company, which have not been presented under the plan of reorganization of 1880, the amount actually outstanding being \$2,307,050. The entire amount of the preferred stock is outstanding. The Boston and Lowell Railroad Corporation owns \$1,564,650 of the common stock and \$362,650 of the preferred stock, being a majority of the capital stock. The Boston and Maine Railroad owns \$24,000 of the common stock and \$16,450 of the preferred stock; and there are in the hands of the public, \$718,400 of the common stock and \$919,400 of the preferred stock. Preferred stock has priority over common stock for dividends at the rate of 6 p. c. per annum, non-cumulative.

Funded Debt.—This consists of 1st mtg. 5 p. c. 50-yr. \$1,000 gold coupon bonds, due March 1, 1944, interest March and Sept., at the company's office, Boston, Mass. The Boston and Lowell Railroad Corporation owns \$740,000 and the Boston and Maine Railroad \$432,000 of these bonds; the remaining \$1,328,000 are held by the public and are guaranteed, both as to principal and interest, by the Boston and Maine Railroad. No charge is made in the accounts for interest accrued on the bonds held in the treasury of the B. & M. RR. (\$1,172,000 as above), but the overdue coupons are a lien against the property.

The system extends from Philadelphia, Pa., Baltimore, Md., and Washington, D. C., to Chicago, Ill., and to St. Louis, Mo., with branches to Mount Jewett, Pa., to Fairport, Cleveland, Lorain, and Sandusky, on Lake Erie, and to several points on the Ohio River. In connection with the Philadelphia and Reading Ry. and the Central RR. of New Jersey a through route is maintained between Washington, Philadelphia, and New York. By means of this line connection is made with the Baltimore and New York RR., the Arthur Kill Bridge, and the railroads and terminals of the system on Staten Island.

The following statement shows the capitalization of the system on March 1, 1902. The amounts of stock and bonds afloat represent the securities outstanding "in the hands of the public," the difference between them and the total issues being the amounts of capital stock and of funded debt held by companies of the system:

2. History.—The Baltimore and Ohio RR. Co. was chartered in Maryland on Feb. 28, 1827, and in Virginia on March 8, 1827. The construction of the road was begun on July 4,

1828, and the main line was opened throughout on Jan. 1, 1853. A sketch of the development of the system is in the *MANUAL* for 1898, page 298, and a review of the financial operations of the company, covering the period from Sept. 30, 1884, to June 30, 1895, is in the *MANUAL* for 1896, page 376. In Feb. 1896, the company became insolvent, being unable to meet interest of about \$400,000 maturing on its bonds, in consequence of which receivers were appointed on March 1, 1896. The company owned in fee simple 513 miles of main line and branches. In addition to its mileage owned and about 1,750 miles of leased and proprietary roads, the results from whose operation were included in its income account, the company operated, as agent for the owners, the Bay Ridge and Annapolis RR., the Berkeley Springs and Potomac RR. and the Salisbury RR., and controlled the operation of, but did not directly operate, the Baltimore and Ohio Southwestern Ry., the Cleveland Terminal and Valley RR., the Monongahela River RR., the Pittsburgh and Western Ry., the Sharpsville RR., the Staten Island Ry., the Staten Island Rapid Transit RR., the Valley RR. and the West Virginia and Pittsburgh RR. The Pittsburgh Junction RR., connecting the Baltimore and Ohio lines with those of the Pittsburgh and Western Ry., was operated in harmony with the system, but was strictly an independent road. The receivership covered all lines operated directly by the Baltimore and Ohio RR. Co., but not those operated by their own organizations. Separate receivers were appointed afterwards for some of these. The Baltimore and Ohio receivers were in possession for more than three years, and practically renewed the road and its equipment. Meanwhile a plan of reorganization had been agreed upon by the various parties in interest, and was carried through without foreclosure. The property was restored to the company on July 1, 1899. In the reorganization the proprietary and leased lines now covered by the company's prior lien and first mortgages were practically absorbed, all their securities and debts being acquired by the company and deposited under the mortgages named. The so-called Central Ohio system of railroads (Central Ohio RR., Columbus and Cincinnati Midland RR., Newark, Somerset and Straitsville RR. and Sandusky, Mansfield and Newark RR.) were not included in the reorganization of the parent company, but a majority of their securities, and a majority of the capital stock of the Pittsburgh Junction RR. Co., were acquired by the reorganized company and deposited as security under its Pittsburgh Junction and Middle Division mortgage. Provision was made in that mortgage for the acquisition of all the securities of the companies named and for the improvement of the properties covered thereby. The reorganized company also acquired the securities of the Baltimore and Ohio Southwestern RR. Co. (a reorganization of the Baltimore and Ohio Southwestern Ry. Co.) and deposited them under its Southwestern Division mortgage. An outline of the plan of reorganization of the Baltimore and Ohio RR. Co. is in the *MANUAL* for 1898, page 1378 *et seq.*, and abstracts of it and of the supplements under which were issued the Pittsburgh Junction and Middle Division bonds and the Southwestern Division bonds are in the *MANUAL* for 1899, pages 64 and 65. The Ohio Central system (but not the Pittsburgh Junction RR.) was taken over for operation on July 1, 1899. The operation of the Baltimore and Ohio Southwestern RR. was not assumed until July 1, 1900.

Besides acquiring the Baltimore and Ohio Southwestern RR., the reorganized company purchased the capital stocks of the Monongahela River RR. Co. and West Virginia and Pittsburgh RR. Co., two other of the affiliated companies, assuming the direct operation of the West Virginia and Pittsburgh RR. on Sept. 1, 1899, and of the Monongahela River RR. on April 1, 1900. The Eastern Ohio RR., a line not previously embraced in the system, was acquired as of July 1, 1899. The Pittsburgh and Western RR., still another of the affiliated roads and which was controlled by the reorganized company, was sold under foreclosure of its second mortgage on Oct. 9, 1901, and was purchased by representatives of the Baltimore and Ohio RR. Co. It has been reorganized as the Pittsburgh and Western Ry. The control of this road carries with it the ownership of the Ellwood Short Line RR. and Trumbull and Mahoning RR. and the control of the Pittsburgh, Cleveland and Toledo RR. and Pittsburgh, Painesville and Fairport RR.

During the year 1901 the Baltimore and Ohio RR. Co. acquired control of the Cleveland, Lorain and Wheeling RR. Co., the Ohio River RR. Co. (including Huntington and Big Sandy

RR. Co., Ravenswood, Spencer and Glenville RR. Co. and Ripley and Mill Creek Valley RR. Co.), the Ohio and Little Kanawha RR. Co. and the West Virginia Short Line RR. Co. The four Ohio River roads and the West Virginia Short Line were taken over for operation by the Baltimore and Ohio RR. Co. on August 1, 1901; the Ohio and Little Kanawha RR. was taken over for operation on Jan. 1, 1902; the Cleveland, Lorain and Wheeling RR. and the Pittsburgh and Western system were taken over for operation on Feb. 1, 1902. On the last-mentioned date the Baltimore and Ohio RR. Co. also assumed the operation of the Cleveland Terminal and Valley RR. and of the Pittsburgh Junction RR.

Since the reorganization the company has constructed the following lines: Smithfield and Masontown RR., 7.91 miles, opened April 1, 1900; Cherry Extension of the West Virginia and Pittsburgh RR., 9.03 miles, opened July 1, 1900; Imperial Coal and Coke Co.'s Branch, 1.38 miles, opened Nov. 1, 1900; Point Pleasant, Buckhannon and Tygarts Valley RR., 9.3 miles—Burnersville Branch opened on Jan. 1, 1901, and main line on June 1, 1901; Raccoon Valley Branch, 3.12 miles, and Gorman Extension, 0.78 mile, both opened on March 1, 1901; Forks of Cherry Extension of the West Virginia and Pittsburgh RR., 9.47 miles, opened May 1, 1901; and Adamsburg Branch, 1.73 miles, opened in June, 1901. The Imperial Coal and Coke Branch, the Raccoon Valley Branch, the Gorman Extension and the Adamsburg Branch are covered by the prior lien and first mortgages of the Baltimore and Ohio RR. Co., and their cost is included in the company's construction account. The cost of the other lines is included in the item "Cost of Other Roads owned by B. & O." (see Sec. 13; also Sec. 14a).

3. Issue of Convertible Debentures and Increase of Capital Stock.—To provide the means for new construction and improvements the company under date of March 1, 1901, issued \$15,000,000 of 4 p. c. debenture bonds, convertible into common stock at par on March 1, 1902, or on any interest day thereafter. These debentures were offered to the stockholders at par, and subscriptions aggregating \$8,303,920 had been paid up at the close of the fiscal year. By resolutions adopted at a meeting of the board of directors, held July 2, 1901, the privilege of converting the debentures was so amended that it might be exercised on and after Sept. 12, 1901, and to provide for the conversion the authorized common stock was increased from \$45,000,000 to \$60,000,000. Up to Jan. 1, 1902, the amount of debentures converted was \$8,459,000, leaving \$6,541,000 outstanding.

On Jan. 1, 1902, the amount of paid-up capital stock was as follows:

Preferred stock	\$60,000,000
Less, amount reserved to retire unrepresented prior liens	773,000—\$59,227,000
Common stock	60,000,000
Less amount reserved to retire outstanding convertible debentures	6,541,000— 53,459,000
Total capital stock issued as fully paid	\$112,686,000

By resolution adopted on Nov. 14, 1901, the authorized common stock was increased to \$100,000,000, the stockholders of the company, both common and preferred, being offered the privilege of subscribing at par. between Dec. 24 and Dec. 31, 1901, for new common stock to the amount of 20 p. c. of their holdings. The stock thus subscribed for, amounting to \$22,537,200, was issued in Jan., 1902, the proceeds being used to pay for the interest already acquired in the Cleveland, Lorain and Wheeling RR., in the four Ohio River roads, in the Ohio and Little Kanawha RR., in the West Virginia Short Line RR. and in the Pittsburgh and Western system. The balance of the \$40,000,000 increase is reserved to acquire the remaining stocks of those roads, to discharge all floating debts against them and to provide for necessary improvements.

4. Pittsburgh, Lake Erie and West Virginia System Refunding Mortgage.—For the purpose of consolidating and refunding the bonded indebtedness secured on the roads named in the preceding paragraph and on the Cleveland Terminal and Valley RR., Monongahela River RR. and West Virginia and Pittsburgh RR., as well as to retire the Pittsburgh Junction and Middle Division bonds and to provide for improvements, equipment, etc., there was authorized by resolution adopted Nov. 14, 1901, an issue of not exceeding \$75,000,000 of 4 p. c. 40-year gold bonds; \$20,000,000 of these bonds have been sold and their proceeds used in paying for \$21,845,050 of underlying bonds, which have been deposited under the mort-

gage. The rest of the issue is reserved, as to \$40,000,000 thereof for the retirement of \$38,-911,430 of outstanding old securities, and as to \$15,000,000 for extension and betterments.

9. Capital Stock.—The amount of capital stock authorized is \$160,000,000, consisting of \$60,000,000 of preferred stock and \$100,000,000 of common stock, in shares of \$100 each. There were outstanding on June 30, 1901, \$59,281,314.15 of preferred stock and \$44,880,805.81 of common stock; held to redeem old securities not deposited under the B. & O. plan, \$28,497.90 of preferred stock and \$13,577 of common stock; held to redeem old securities not deposited under the Middle Division plan, \$638,732.69 of preferred stock; held to redeem old securities not deposited under the Southwestern Division plan, \$51,455.26 of preferred stock and \$105,617.19 of common stock. The amount of preferred stock in the balance sheet includes the reserves for old securities of the B. & O. RR. and of the B. & O. S. W. RR., not deposited, but does not include the reserve for undeposited Middle Division securities. The amount of common stock in the balance sheet includes the reserved amounts for redemption of undeposited old securities. The amount of capital stock outstanding on March 1, 1902, was \$135,223,200, consisting of \$59,227,000 of preferred stock and \$75,996,200 of common stock (see Sec. 3).

The preferred stock has priority over the common stock for non-cumulative dividends at the rate of 4 p. c. per annum, but is not entitled to any further share of the yearly net profits. Under the plan of reorganization both classes of the capital stock were deposited in a voting trust, but the trust was dissolved on Sept. 12, 1901.

10. Funded Debt.—The following statement shows as of June 30, 1901, the details of funded debt issued or assumed by the company. Additional particulars respecting any of the bonds will be found in the paragraph relating thereto appended to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index:

Bonds Issued (\$200,114,450).

\$70,000,000 prior lien gold 3½s of July 1, 1925.
 66,000,000 1st mtge. gold 4s of July 1, 1948.

 42,000,000 Southwestern Div. gold 3½s of July 1, 1925.
 8,303,920 conv. deb. gold 4s of March 1, 1910.

Bonds Assumed (\$9,389,500).

\$120,500 B. & O. ext'd gold 4s of Oct. 1, 1935.
 69,000 P. & C. ext'd 4s of July 1, 1946.
 700,000 M. R. RR. 1st gold 5s of Feb. 1, 1919.
 4,000,000 W. V. & P. RR. 1st gold 4s of April 1, 1900.
 4,500,000 S. R. E. S. RR. 1st gold 5s of Dec. 1, 1935.

PRIOR LIEN GOLD BONDS.—Amount issued, \$70,000,000; amount outstanding on June 30, 1901, \$69,766,595. Of the unissued balance, \$907.50 represented an unsold fraction of surplus bonds, and \$232,497.50, part of the amount reserved for the retirement of the old extended 4s of the B. & O. RR. Co. and of the P. & C. RR. Co. and to take up \$37,000 of other undeposited old bonds. The bonds are secured by first mortgage on the Imperial Coal and Coke Branch, on the Raccoon Valley Branch and on the Gorman Extension, and by deposit of all underlying securities they are practically a first lien on the main stem and branches, on the South Branch, the Parkersburg Branch, the Washington County, the Berkeley Springs and Potomac, the Metropolitan Southern, the Grafton and Belington, the Pittsburg and Connellsville, the Salisbury, the Berlin Branch, the Somerset and Cambria, the Eastern Division of the Ohio and Baltimore, the Fayette County, the Mount Pleasant and Broad Ford, the Redstone Branch, the Wheeling, Pittsburgh and Baltimore and the Confluence and Oakland RRs., besides having the collateral security of two-thirds of the capital stock of the Washington Branch RR. Co. Aside from small amounts of old loans, which were declared due and payable in the reorganization, but which have not been presented for redemption, the only securities outstanding on the properties covered by this mortgage are \$120,500 extended 4s of 1935 and \$69,000 P. & C. extended 4s of 1946. All other underlying securities are deposited under the mortgage. The mortgage is also a lien on all the equipment now owned or hereafter acquired by the company, except such as may be acquired with the proceeds of 1st mtge. bonds, Middle Division bonds or Southwestern Division bonds. The right is reserved in the mortgage to issue after Jan. 1, 1902, not to exceed \$5,000,000 additional of prior lien bonds, at not exceeding the rate of \$1,000,000 a year, for the enlargement, betterment or extension of the properties covered by the mortgage.

FIRST MORTGAGE GOLD BONDS.—Amount issued, \$66,000,000; amount outstanding June 30, 1901, \$65,965,765. Of the unissued balance, \$462.50 represents an unsold fraction of surplus bonds and \$33,772.50, part of the reserve for redemption of the old extended 4s of the B. & O. RR. and of the P. & C. RR. and for taking up \$42,500 of other undeposited old securities. The bonds are secured by first mortgage on the Philadelphia, Sparrows Point and Highlandtown Branches, 55.1 miles, and on the property formerly covered by the B. & O. terminal mortgage (see Manual for 1899, page 60). By deposit of all underlying securities they are practically a first lien on the Baltimore and Ohio and Chicago RRs., Akron and Chicago Junction RR., Cleveland, Wooster and Muskingum Valley RR., Baltimore and Philadelphia RR., Lancaster, Cecil and Southern RR. and Fairmont, Morgantown and Pittsburgh RR., a total of 498.74 miles of road. They are also secured on the properties covered by the prior lien mortgage, but subject thereto. The amount authorized is \$165,000,000, of which \$75,000,000 can be issued only for the retirement of the prior lien bonds and \$27,000,000 only for additions and betterments, this amount to be issued at the rate of \$1,500,000 a year for the four years ending July 1, 1903, and at the rate of \$1,000,000 a year thereafter.

PITTSBURGH JUNCTION AND MIDDLE DIVISION BONDS.—Secured by a mortgage which it is contemplated will be ultimately a first lien on the properties of the Central Ohio RR. Co., Ohio Midland RR. Co., Columbus and Cincinnati Midland RR. Co., Sandusky, Mansfield and Newark RR. Co., Pittsburgh Junction RR. Co., and Pittsburgh Junction Terminal Co., or upon the securities representing the ownership of such properties. All of those securities, except as noted hereafter, have been deposited under the mortgage. The amount of bonds authorized by the mortgage is \$20,000,000. Bonds amounting to \$2,500,000 issued for additions and betterments, are held in the treasury of the company, and \$3,689,470 additional are held for the redemption of the following undeposited underlying bonds: \$1,009,000 Central Ohio RR. 1st mtge. 4½ p. c. gold bonds of Sept. 1, 1930; \$638,000 Sandusky, Mansfield and Newark RR. 1st mtge. 7 p. c. bonds of July 1, 1909; \$2,000 Columbus and Cincinnati Midland RR. 1st mtge. 4½ p. c. bonds of Jan. 1, 1939; \$959,000 1st mtge. bonds and \$270,000 2d mtge. bonds of the Pittsburgh Junction RR. Co., and \$219,000 1st mtge. bonds of the Pittsburgh Junction Terminal Co. The B. & O. RR. Co. pays the interest on the bonds of the Central Ohio RR., Sandusky, Mansfield and Newark RR. and Columbus and Cincinnati Midland RR., but not on the bonds of the Pittsburgh Junction RR. and Pittsburgh Junction Terminal Co. In addition to the undeposited bonds before named there are outstanding on the properties covered by the mortgage \$1,000 preferred stock and \$15,245.84 common stock of the Central Ohio RR. Co. and \$845,150 common stock of the Pittsburgh Junction RR. Co. In the mortgage securing the Pittsburgh, Lake Erie and West Virginia system refunding bonds (see Sec. 12) provision is made for the retirement of these bonds and for including the properties covered thereby under that mortgage.

SOUTHWESTERN DIVISION GOLD BONDS.—Secured by a mortgage which it is contemplated will be ultimately a first lien on the properties embraced in the Southwestern Division of the Baltimore and Ohio RR. The \$4,000,000 capital stock and the \$41,000,000 1st mtge. 3½ p. c. bonds of the Baltimore and Ohio Southwestern RR. Co. are deposited with the trustee under the mortgage pending the acquisition of full title to the properties. The amount of bonds authorized by the mortgage is \$45,000,000, of which \$4,000,000 can be issued only for betterments and additions and at the rate of not exceeding \$1,000,000 a year.

GOLD CONVERTIBLE DEBENTURES.—The total issue of these was \$15,000,000, the amount given in the statement of funded debt representing the paid installments down to the date of the statement. The company reserves the right to redeem all or any part of the issue on March 1, 1902, or any interest day thereafter, at par and accrued interest. Any debentures, whether called for redemption or not, may be converted into common stock at par, provided the company receives at least thirty days' written notice.

B. & O. GOLD EXTENDED LOAN.—Secured by first mortgage on the main stem of the B. & O. RR., from Baltimore, Md., to Wheeling, W. Va., 379.80 miles. There are reserved for the redemption of the \$120,500 bonds outstanding, \$123,512.50 in prior lien 3½ p. c. bonds, \$15,062.50 in 1st mtg. 4 p. c. bonds and \$16,870 in preferred stock.

P. & C. GOLD EXTENDED LOAN.—Secured by first mortgage on the main line and Hickman Run Branch of the Pittsburgh and Connellsville RR. There are reserved for the redemption of the \$69,000 bonds outstanding, \$70,725 in prior lien 3½ p. c. bonds, \$8,625 in 1st mtg. 4 p. c. bonds and \$2,760 in preferred stock of the B. & O. RR. Co.

MONONGAHELA RIVER FIRST MORTGAGE GOLD BONDS.—Secured on the line from Fairmont to Clarksburg, W. Va., 31.2 miles. In the mortgage securing the Pittsburgh, Lake Erie and West Virginia System refunding bonds (see Sec. 12) provision is made for the retirement of these bonds and for including under that mortgage the property they cover.

WEST VIRGINIA AND PITTSBURGH FIRST MORTGAGE GOLD BONDS.—Secured on the property of the W. V. & P. RR. Co. (see statement in Sec. 19), including 134,842 acres of timber, coal and mineral lands in West Virginia. The bonds are subject to redemption by the B. & O. RR. Co., until April 1, 1904, at par and accrued interest. They are assumed, and the interest on them at the rate of 4 p. c. per annum is guaranteed, by the B. & O. RR. Co. In the mortgage securing the Pittsburgh, Lake Erie and West Virginia System refunding bonds (see Sec. 12) provision is made for the retirement of these bonds and for including under that mortgage the properties they cover.

SCHUYLKILL RIVER EAST SIDE FIRST MORTGAGE GOLD BONDS.—Secured on the property of the S. R. E. S. RR. Co. (see statement in Sec. 20). The interest on the bonds is guaranteed at the rate of 5 p. c. per annum by the B. & O. RR. Co. That company has the right, until Dec. 1, 1903, to purchase the entire issue of bonds at 110 p. c. and accrued interest, on 30 days' notice, and agrees to assume the payment of them when due if they are not so purchased.

* It will be observed that the total amount not deposited under the B. & O. plan on June 30, 1901, is greater by \$69,416 than the amount given in the general balance sheet. This difference is due to the fact that the \$69,000 Pittsburgh and Connellsville bonds are not included in the balance sheet item and to the additional fact that \$2,600 of sterling bonds valued in the preceding statement at five dollars to the pound sterling are included in the balance sheet item at their exchange value.

12. Pittsburgh, Lake Erie and West Virginia System Refunding Mortgage.—Under date of Nov. 1, 1901, the company executed a mortgage in favor of the Union Trust Co., of New York, as trustee, to secure an issue of 4 p. c. 40-year gold bonds to the amount of \$75,000,000. Of these bonds, \$20,000,000 have been issued to pay for \$21,845,050 of underlying bonds which have been deposited under the mortgage, \$40,000,000 are to be issued from time to time against further deposits of underlying bonds, and \$15,000,000 are reserved for extensions, equipment and betterments. The bonds mature on Nov. 1, 1941, and the entire issue outstanding on Nov. 1, 1925 (but not any part thereof), may be called at par and accrued interest on that day, or on any interest day thereafter, on three months' notice. The bonds are for \$1,000 each, in coupon form, with privilege of registration as to principal alone or of conversion into fully registered bonds. Principal and interest are payable in gold, free of all taxes. The mortgage covers the right, title and interest of the company, whether now owned or hereafter acquired, in the companies named in the following statement. The following statement shows the mileage of railroad owned by the companies, the total amount of their stocks and bonds and the amount of such stocks and bonds deposited under this mortgage or under mortgages which it is to replace:

The mortgage will also cover all equipment, extensions and improvements made or acquired with the proceeds of bonds secured by it, and all equipment acquired with the proceeds of Pittsburgh Junction and Middle Division bonds. It is now practically a first lien on the Trumbull and Mahoning RR., West Virginia Short Line RR. and Eastern Ohio RR., and may be said to be subject only to the following outstanding underlying bonds on the properties they cover:

\$6,175,480 Pittsburgh Junction and Middle Div. bonds of the B. & O. RR. Co., due Nov. 1, 1925, and secured as shown in the paragraph relating thereto in Sec. 10.

RAILROAD LEASED BY THE BESSEMER AND LAKE ERIE RR. CO.

Pittsburg, Bessemer and Lake Erie RR.—North Bessemer, Pa., to Conneaut Harbor, 146.32 m.; Branchton to Gomersol, Pa., 3.92 m.; Branchton to Hilliard, Pa., 10.3 m.; Conneaut Junction to Wallace Junc., Pa., 8.71 m.; Cascade to Erie, Pa., 2.16 m.; other branches and spurs, 26.51 m.—total, 197.92 m.; 2d track, 7.99 m.; total track (steel: 100 lbs.), 285.67 miles. This company leases to Meadville, Conneaut Lake and Linesville RR., 22.79 miles, and has trackage rights in the New York, Chicago and St. Louis RR., between Wallace Junction and Cascade, Pa., 12.4 miles, and in the Pittsburgh and Western RR., between P. & W. Junction and Butler, Pa., 0.5 mile. The company is a consolidation, Jan. 20, 1897, of the Pittsburgh, Shenango and Lake Erie RR. Co., and the Butler and Pittsburgh RR. Co. (see Manual for 1897, page 837). The property is leased to the Bessemer and Lake Erie RR. Co., for 999 years from April 1, 1901, at a yearly rental of the interest on the bonds and dividends of 6 p. c. on the preferred stock and 3 p. c. on the common stock, the lessee assuming the lease of the Meadville, Conneaut Lake and Linesville RR. The equipment of the company on Dec. 31, 1901, consisted of 75 locomotives and 6,948 cars (see lessee's statement); 496 of the coal cars are leased while 41 locomotives, 150 box cars, and 4,700 coal cars are held under equipment trusts.

No details of funded debt were furnished other than that there were outstanding on the date of the balance sheet, \$10,000,000 of consol. mtge. and underlying bonds, \$1,500,000 of debenture bonds, and \$2,634,159.73 of equipment trust obligations. The consol. mtge. and underlying bonds consisted of (\$3,000,000 P., S. & L. E. RR. 1st gold 5s of Oct. 1, 1940; (2) \$660,000 P., S. & L. E. RR. consol. 1st gold 5s of July 1, 1943; and (3) \$6,340,000 P., B. & L. E. RR. consol. 1st gold 5s of Jan. 1, 1947. The 1st mtge. bonds (1) of the P., S. & L. E. RR. Co. are secured on the line from Butler to Wallace Junc., Pa., 106.7 miles, on the branches to Hilliard and to Gomersol, 14.22 miles, and on 10.06 miles of other branches—a total of 132.4 miles. The 1st consol. mtge. bonds (2) of the P., S. & L. E. RR. Co. are secured on the same 132.4 miles of road, but subject in lien to the 1st mtge. bonds, and are secured by first mortgage on the line from Cranesville, Pa., to Conneaut Harbor, 0., 14.4 miles, on the branch from Cascade to Erie, Pa., 2.16 miles, and on 2.5 miles of other branches. The 1st consol. mtge. bonds (3) of the P., B. & L. E. RR. Co. (authorized, \$10,000,000) are secured on the entire property of the company, subject to prior mortgages. The debenture bonds (\$2,000,000 auth.) are redeemable on any interest day after June 1, 1909, at par and accrued interest, together with one-half of one per cent. per year for the unexpired term of the bond. It is provided that if the company shall execute any mortgage after the date of these debentures, except to secure bonds issued exclusively for retiring existing mortgage bonds, or except to secure bonds issued exclusively for the extension of the property, such mortgage shall secure these bonds equally with any other bonds secured by the same mortgage. The equipment trust obligations, as issued, are as follows (the amount of each class outstanding is reported): \$450,000 Bessemer Equipment Trust, payable \$75,000 yearly, July 1, 1901-1906, secured on 10 locomotives and 600 gondola cars; \$400,000 (\$500,000 auth.) Conneaut Equipment Trust, payable \$50,000 yearly, March 1, 1901-1904, and \$60,000 yearly thereafter, secured on 13 locomotives, 400 gondola cars and 100 box cars; \$725,000 Shenango Equipment Trust, payable \$72,000 yearly, April 1, 1904-1908, a \$73,000 yearly thereafter, secured on 7 locomotives, 200 hopper cars, and 700 steel gondolas; \$1,000,000 Greenville Equipment Trust, payable \$100,000 yearly, May 1, 1911-1920, secured on 6 locomotives, 4 steel hopper cars, and 400 steel gondola cars; and \$2,050,000 Butler Equipment Trust, payable on April

POOR'S BUREAU

OF

Information and Investigation,

Conducted in connection with and as an adjunct to

Poor's Manual of Railroads,

WILL FURNISH UPON ORDER

Detailed information relative to new or projected Railroads,

Analyses of Railroad and other reports,

Statistics of Steam, Electric, Cable and Horse Railways,

Advance information relative to Railroad reports, etc.; or will make

Full and comprehensive investigations into Railroad mortgages, bonds, leases or other contracts.

In a word, we propose to furnish information of any character coming within the scope of this Bureau, but not contained in or within the province of our three annual publications, viz.:

POOR'S MANUAL OF RAILROADS,

POOR'S HAND-BOOK ON INVESTMENT SECURITIES,

POOR'S DIRECTORY OF RAILWAY OFFICIALS and

MANUAL OF AMERICAN STREET RAILWAYS.

Subscribers to any of the above-named works may address their inquiries to us, and a prompt reply will be mailed at a cost based upon the length of time occupied on the work.

Special attention will be given to the preparation of Historical Statements of existing or defunct corporations; to investigations into the value of old railroad bonds, and to the preparation of statistical exhibits designed to show the value of railroad securities. Besides this, investigations will be made at any time through official channels into the status of new projects, and reports made thereon. Proceedings in foreclosure or reorganization will be carefully followed, and all facts relating to such proceedings noted for reference.

It is believed that the establishment of this Bureau will prove of great benefit to the subscribers for our annual publications, as it will enable them at a nominal cost to avail of our unequalled facilities for the collection of news items relative to Railroad Investments or projects, besides securing the privilege of access to our Library, which contains all reports and documents issued during the past *half century*.

Annual subscribers to this Bureau may call for whatever information they desire during the period of their subscription. Terms upon application. Address

Total length of all lines operated, June 30, 1901.....472.08 miles.
 2d track, 18.96 m.; sidings, etc. (owned, 155.24 m.; leased, 30.58 m.), 185.82 miles. Gauge, 4 ft. 8½ in. Rail—iron (10 m.), 54 lbs.; steel (owned, 443.49 m.; leased, 118.03 m.; trackage, 100.34 m.—total, 661.86 m.), 60 to 100 lbs.

2. Trackage Rentals.—For the use of the line from Butler to New Castle the company pays a yearly rental equivalent to 5 p. c. on one-half the cost thereof, besides a wheeleage proportion of the cost of maintenance and operation; and for the use of the line from Ribold Junction to Allegheny City it pays a fixed rate per car. For the use of the tracks of the Erie RR. between Mount Jewett and Clarion Junction the company pays a yearly rental of \$40,225.90, besides a proportion of the cost of maintenance.

3. Proprietary Interests.—The company owns the capital stocks of the Perry RR. Co., Lincoln Park and Charlotte RR. Co., Johnsonburg and Bradford RR. Co., and Rochester and Pittsburgh Coal and Iron Co., and through its ownership of the last named controls the Jefferson and Clearfield Coal and Iron Co. (For information respecting the coal companies, see GENERAL INDEX.) In accordance with the laws of the State of New York the Lincoln Park and Charlotte RR. Co. and the Perry RR. have ceased to exist as corporations separate from the Buffalo, Rochester and Pittsburgh Ry. Co.

4. History.—Consolidation, March 11, 1887, of the Buffalo, Rochester and Pittsburgh RR. Co. and the Pittsburgh and State Line RR. Co., corporations chartered respectively in New York and in Pennsylvania, in pursuance of a plan for the reorganization of the original Buffalo, Rochester and Pittsburgh Ry. Co. In the MANUAL for 1887, on pages 125 and 126, there is a sketch of the history of the system brought down to the date of the consolidation, and in subsequent editions of the MANUAL later developments are recorded.

Arrangements have been made to build a branch 28.5 miles in length, from a point on the main line near Punxsutawney, Pa., to McKee's in Indiana County, Pa., the cost thereof estimated at \$800,000, to be met by issuing additional debenture bonds. This branch, which is expected to be in operation in 1903, will provide an avenue for a large coal tonnage from properties recently acquired by companies tributary to the system.

5. Proposed Conversion of Debentures.—At special meetings held in Nov., 1901, the stockholders accepted an offer of the holders of the outstanding \$1,000,000 of debenture bonds to reduce the rate of interest thereon to 4 p. c. per annum from Jan. 1, 1902, and to make the bonds convertible into common stock at par. The remaining \$2,000,000 of the issue of debentures authorized in 1897, bearing interest at the rate of 4 p. c. per annum, are made redeemable on the same terms, and when issued are to be offered for subscription to the stockholders of the company. An increase of \$3,000,000 of common stock has been authorized, to be used in redeeming the convertible debenture bonds.

6. Rolling Stock, June 30, 1901.—Locomotives, 177. Cars—passenger, 58; café, 2; chair, 2; baggage, 15; milk, 2; freight (box, 1,768; stock, 8; refrigerator, 5; flat, 353; gondola, 7,916), 10,050; service, 309—total cars, 10,438. Of this equipment, 46 locomotives, 22 passenger train cars, 150 box, 100 coke, and 3,638 coal cars are covered by car trust, while 36 locomotives, 12 passenger cars, and 1,397 freight cars are leased.

10. Capital Stock.—The authorized capital stock is \$15,000,000 in \$100 shares, \$6,000,000 of it being preferred stock and \$9,000,000 of it common stock. The \$3,000,000 of additional common stock was authorized in Nov., 1901, to be used when needed to redeem the convertible debenture bonds. Preferred stock has priority over common stock for dividends at the rate of 6 p. c. per annum, non-cumulative.

11. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$13,336,000, as per general balance sheet—consisted of the several issues of bonds listed in the following statement. Additional particulars respecting any issue will be found in the paragraph relating thereto subjoined to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index:

FIRST MORTGAGE GOLD BONDS, R. & P. RY.—Secured on the line from Rochester to Salamanca, N. Y., 108.41 miles.

SECOND MTGE. BONDS, R. & P. RY.—Secured on the same property as the 1st mtge. bonds, but subject in lien thereto. The total amount of bonds is \$1,870,000, of which the company holds \$1,000 and the trustee \$1,864,000. The lot held by the trustee was exchanged for consol. mtge. bonds, and further consol. mtge. bonds amounting to \$3,000 are held for the \$5,000 outstanding bonds and the \$1,000 held by the company.

CONSOL. MTGE. GOLD BONDS.—Limited in issue to \$20,000 per mile of completed road. The mileage of the company would permit the issue of \$5,220,000, but of this amount \$1,300,000 is reserved for the retirement of \$1,300,000 1st mtge. bonds and \$3,000 for the retirement of \$6,000 2d mtge. income bonds outstanding on the Rochester Division.

GENERAL MORTGAGE GOLD BONDS.—Secured upon the entire property of the company. Total amount authorized, \$10,000,000; of which bonds amounting to \$1,300,000 are reserved for the retirement of R. & P. 1st mtge. bonds, due in 1921; \$3,920,000, for the retirement of consol. mtge. bonds due in 1922; and \$20,000 for the retirement of Perry RR. 1st mtge. bonds, due in 1902—a total of \$5,240,000 of gen. mtge. bonds reserved to retire prior bonds. The remaining \$553,000 of gen. mtge. bonds (Nos. 9,648 to 10,000) are held to provide means for building a line from Mt. Jewett to Johnsonburg, Pa. The bonds reserved for the retirement of prior liens can be certified by the trust company, and issued only as an equal amount of the bonds to be retired are cancelled and delivered to the Union Trust Co. The present outstanding car trusts were created later than the date of the gen. mtge., and are not provided for in that mortgage.

DEBENTURE BONDS.—Authorized amount, \$3,000,000; the \$2,000,000 of bonds unissued are reserved for construction and betterments. The bonds are to be secured by any subsequent mortgage except if made for the purpose of retiring existing prior liens or of providing for extensions. The company reserves the right to retire the bonds on any Jan. 1 or July 1, upon twelve weeks' notice, at 105 and accrued interest. Effective Jan. 1, 1902, the rate of interest on the \$1,000,000 of outstanding debentures has been reduced to 4 p. c. per annum, and the bonds have been made convertible into common stock at par. The \$2,000,000 of unissued bonds, bearing interest at the rate of 4 p. c. per annum are made redeemable on the same terms.

CAR TRUST CERTIFICATES.—These are in five series as follows: No. 10, \$94,000, balance of \$470,000 issued June 1, 1892, payable \$47,000 yearly to June 1, 1902; No. 11, \$66,000, balance of \$225,000 issued March 1, 1894, payable \$22,000 yearly to March 1, 1904; No. 12, \$100,000, balance of \$200,000 issued March 1, 1895, payable \$20,000 yearly to March 1, 1906; No. 13, \$84,000, balance of \$114,000 issued June 1, 1897, payable \$12,000 yearly to June 1, 1907; and No. 14, \$189,000, balance of \$270,000 issued Dec. 1, 1897, payable \$27,000 yearly to Dec. 1, 1907. Interest payable June 1 and Dec. 1, at the Gallatin Bank, New York, N. Y. Principal and interest payable in gold.

EQUIPMENT BONDS, SERIES A.—Secured on 500 wooden and 150 steel coal cars. There is a sinking fund of 5 p. c. per annum, payable May 1, to be invested in bonds of this series if they can be purchased at or under par, otherwise in the purchase of additional equipment as a further security for the bonds. All bonds purchased are to be immediately cancelled.

EQUIPMENT BONDS, SERIES B.—The bonds are secured on equipment of a value of 10 p. c. in excess of the amount of bonds issued. There is a sinking fund of 5 p. c. per annum, payable May 1, for the purchase for cancellation of bonds of this series if they can be bought at or under par and accrued interest, otherwise for the purchase of additional equipment as a further security for the bonds outstanding.

LINCOLN PARK AND CHARLOTTE BONDS.—Secured by first mortgage on the Lincoln Park and Charlotte RR., 10.3 miles. Principal and interest guaranteed by the B., R. & P. Ry. Co.

PERRY RR. BONDS.—These bonds matured June 1, 1902, and gen. mtge. bonds to an equal amount were issued for their retirement.

12. Guaranteed Bonds.—The company guarantees by endorsement the payment of the principal and interest of \$2,000,000 (\$2,500,000 auth.) 1st mtge. 4 p. c. gold bonds of the Allegheny and Western Ry. Co., and of \$650,000 1st-mtge. 5 p. c. bonds of the Clearfield and Mahoning Ry. Co., besides guaranteeing the payment of dividends at the rate of 6 p. c. per annum on \$2,850,000 (\$3,500,000 auth.) capital stock of the Allegheny and Western Ry. Co. and on \$750,000 capital stock of the Clearfield and Mahoning Ry. Co.

13. Cost of Equipment.—There was expended during the year ending June 30, 1901, for new rolling stock (15 locomotives, 14 passenger cars, 1,299 freight cars and 13 service cars, besides air-brakes and other betterments) a total of \$1,227,781.66. The account was credited with \$46,668.98 for equipment sold or destroyed, with \$126,000 for car trust bonds paid off, and with \$62,360.66, being the amount of sinking funds under equipment agreements Series A and B invested in the purchase of rolling stock—a total credit of \$235,029.64. Net increase in cost of rolling stock, \$992,752.02.

14. PROPRIETARY AND LEASED RAILROADS OF THE B., R. & P. RY. CO.

Capital Stock.—A majority of the capital stock, consisting of \$2,005,000 common stock and \$700,000 preferred stock, is to be held in a voting trust for ten years, or until interest of 4 p. c. per annum is paid on the gen. mtge. bonds for two successive years, or until those bonds are made to bear a fixed rate of interest. The preferred stock is entitled to non-cumulative dividends at the rate of 4 p. c. per annum before any dividend can be paid on common stock.

Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$7,900,000 as per general balance sheet—consisted of:

\$650,000 1st gold 5s of Feb. 1, 1919, interest Feb. and Aug., at the trustee's office. The authorized issue is \$1,250,000, but \$600,000 of the bonds are to be issued only with the consent of the voting trustees, during the continuance of the voting trust, and thereafter only for the acquisition of new property. The bonds are redeemable at any time after Feb. 1, 1904, at 105 p. c. and accrued interest. The mortgage securing them is a prior lien upon all the property of the company, and has the additional security of the leases and stock of subsidiary lines and the securities of lines constructed from the proceeds of bonds secured by the same mortgage.

\$7,250,000 gen. gold 5s of Feb. 1, 1949, interest Oct. 1, if earned. The general mortgage is a second lien on the properties covered by the first mortgage. Interest on the bonds is payable only if earned, but it is provided that a fixed rate of interest may be established at the option of the company, with the consent of the voting trustees during the continuance of the voting trust and thereafter with the consent of the holders of a majority of the bonds. The mortgage may be increased to \$8,500,000, but, if so, the additional \$1,250,000 must remain with the trustees, to be issued only on surrender of 1st mtge. bonds.

2. History.—The Delaware and Hudson Canal Co. was chartered by the New York Legislature, April 23, 1823, to construct a canal from the coal fields of Pennsylvania to the Hudson River at Rondout, N. Y. The canal, extending from Honesdale to Rondout, was completed in Oct., 1828. The Gravity Railroad was completed in 1829. On April 28, 1899, by authority

of an act of the Legislature, the present name was adopted, the company being authorized at the same time to sell the canal and to purchase its own securities for sinking fund purposes. The canal was sold in June, 1899. The Gravity Railroad was broadened to standard gauge, made an ordinary steam railroad, and opened for regular passenger and freight business in Feb., 1900.

The Delaware and Hudson Co. leases the Albany and Susquehanna RR., the Rensselaer and Saratoga RR. and the New York and Canada RR. under the terms given in the respective statements therefor appended. The Delaware and Hudson Co. also leases the Rome and Clinton RR. and the Utica, Clinton and Binghamton RR., but they are sublet to the New York, Ontario and Western Ry. Co., for the term of 35 years from June 1, 1886, at a minimum rental of \$70,000 per annum. The Adirondack Ry. (see page 77) is controlled by the Delaware and Hudson Co. but is operated separately by its own organization.

3. Coal Business.—The chief business of the company is the mining and transportation of coal. The amount of coal owned and controlled by it on Jan. 1, 1902, was estimated at 224,856,352 tons. The total output of anthracite coal in 1901 was 53,568,601 tons. This company produced 5,055,892.18 tons, of which 4,667,387.06 tons were from its own property and 388,005.12 tons from the property of the Hudson Coal Co., which it controls. The amount of anthracite coal transported over the railroad lines owned and controlled by the company, during the year ending Dec. 31, 1901, was 7,571,298 tons.

4. Depreciation Sinking Fund.—There is a sinking fund, created in 1899, for the gradual retirement of the stock and bonds of the company contemporaneously with the mining and sale of its coal; a sum not less than 5 cents per ton of coal mined to be charged against the yearly net profits and applied to the retirement of the securities or stock of the company.

5. Rolling Stock, all divisions, Dec. 31, 1901.—Locomotives (freight, 203; passenger, 82; switching, 61), 346. * In above table the statistics given for "freight train miles" and "coal train miles" for the years 1895 to 1898 inclusive, include switching service and other non-revenue train mileage; for the years 1900 and 1901, the figures given for freight and coal train mileage combined include only revenue train miles. Corresponding figures for the previous years covered by the table are not obtainable. † From this amount should be deducted \$2,523,127 for renewals and betterments, leaving actual net earnings of \$8,417,908.

Gauge, 4 ft. 8½ in. Rail (steel), 68 to 90 lbs.

The single track railroads of this company and the Cleveland, Cincinnati, Chicago and St. Louis Ry. Co. parallel each other between Galion and Marion, O., a distance of about 20 miles. Under an agreement made in June, 1901, that section is now operated jointly by the two companies as a double track railroad, thereby greatly increasing the carrying capacity and the safety of operation of both railroads.

In addition to the controlled roads operated directly by it, the Erie RR. Co. controls the New York, Susquehanna and Western RR. Co. (statement for which see) by ownership of about 97½ per cent. of its capital stock. The property is operated separately by its own organization. The company also has an interest in the Lehigh Valley RR. Co., acquired during the fiscal year ending June 30, 1901.

2. Leased Lines.—The following is a statement of leased lines of the Erie RR. Co. on June 30, 1901, their terminal points and mileage, the dates and terms of the leases, and the annual rental charge. The Middletown and Crawford, the Elmira State Line, and the New York and Greenwood Lake are shown here as leased lines, although in the main statement of mileage they are classified as railroads controlled by ownership of a majority of the capital stock. This is done so as to show in one place the railroads which will be sooner or later

consolidated into the Erie, and in the other the details of rentals for which the company is liable:

3. Trackage Contracts.—For the use of the New Jersey Junction RR. tracks, the company pays a yearly rental of \$6,001; for the use of the Chicago and Western Indiana RR. tracks, a proportion of the cost of maintenance and operation, amounting to \$187,563.53 for the year ending June 30, 1901; and for the other "rights," a percentage of earnings thereunder. By means of the Fall Brook Ry. tracks connection is made at Williamsport with the Philadelphia and Reading system, giving this company a through line under its own control to and from the West to the Reading territory. The Delaware and Hudson Co. uses this company's tracks between Jefferson Junction, near Susquehanna, and Carbondale, Pa., and the Wabash RR. Co. uses the tracks between the two Niagara River bridges and Buffalo, N. Y., together with the terminals in Buffalo. The Lockport Branch is leased to the Buffalo and Lockport Ry. Co. (see GENERAL INDEX—STREET RAILROADS).

4. History.—Reorganization, Nov. 30, 1895, of the New York, Lake Erie and Western RR. Co., whose property and franchises, including its leasehold of the New York, Pennsylvania and Ohio RR. and its ownership of the Chicago and Erie RR., were sold under foreclosure on Nov. 6, 1895. A detailed history of the system will be found in the MANUAL for 1897, page 419 *et seq.* It was decided to vest the reorganized company, so far as practicable, with the direct ownership of the various properties comprised in the system, including the principal leased lines. In furtherance of this object the Buffalo and Southwestern RR. Co. was absorbed on Nov. 19, 1895; the Lockport and Buffalo Ry. Co. and the Erie International Ry. Co. on Nov. 27, 1895. The securities of the Nypano RR. Co., a reorganization of the New York, Pennsylvania and Ohio RR. Co., were purchased in March, 1896. The Suspension Bridge and Erie Junction RR. Co. and the Buffalo, New York and Erie RR. Co. were absorbed on April 3, 1896; and a company formed on June 11, 1896, by the consolidation of the Union Steamboat Co. and the Union Dry Dock Co., was absorbed on June 30, 1896. It is intended to gradually absorb the rest of the subsidiary companies, and have the absolute title to the entire system vested ultimately in the Erie RR. Co.

An advantageous offer having been received for the Union Dry Dock plant at Buffalo, the machinery, fixtures, docks and good will were sold during the year ending June 30, 1901, and the land occupied by the plant was leased for a term of years at an annual rental of 4½ p. c. on its value and all taxes and assessments, an option being given to the lessees to purchase at a fixed price.

In order to protect the company's coal tonnage, and for other reasons, this company on Jan. 10, 1901, purchased the entire capital stock of the Pennsylvania Coal Co., Erie and Wyoming Valley RR. Co., Dunmore Iron and Steel Co. and Delaware Valley and Kingston RR. Co. The Delaware Valley and Kingston RR. is a projected road from the Wyoming coal fields to the Hudson River at Rondout, part of which is now in course of construction. The purchased properties were paid for with the proceeds from the issue of \$32,000,000 of

Pennsylvania collateral trust 4 p. c. bonds and the issue of \$5,000,000 of 1st preferred stock. The lease of the Hawley Branch of the Pennsylvania Coal Company's RR. at a rental of \$50,000 per annum was cancelled as a result of the purchase. The Pennsylvania Coal property was taken over by the Erie RR. Co. as of Jan. 16, 1901, and the Erie and Wyoming Valley RR. as of March 1, 1901.

With the exception of the directors' shares, the Erie RR. Co. now owns the entire capital stock of the Pennsylvania Coal Co., the Hillsdale Coal and Iron Co., the Blossburg Coal Co. and the Northwestern Mining and Exchange Co., comprising what are called the Erie Coal Companies. A consolidated general balance sheet of these companies will be found in Sec. 14, showing their financial condition on June 30, 1901. The income account of the Erie RR. Co. (Sec. 7) is credited with \$1,274,830.48 as the net revenue received from the coal companies at the close of the fiscal year.

Since the Erie RR. Co. took possession of the property (Dec. 1, 1895) important and extensive additions and improvements have been made thereto. Grade crossings have been abolished in Jersey City, in Buffalo, and at other points. The double track has been extended on several of the divisions, third and fourth tracks have been laid on the main line, and in Jersey City, east of Bergen Tunnel, seven tracks have been laid. Additional sidings, spurs, and yard tracks, in the aggregate about 175 miles, have been constructed. Considerable heavy steel rail, weighing from 80 to 90 lbs. per yard, has been substituted for rails of lighter weight. Steel bridges have been substituted for wooden ones. Grades have been reduced and curves eliminated at various points. Terminals have been enlarged and improved, and many new stations built. Old stations have been enlarged and improved. An anthracite coal transfer and storage plant has been constructed at Hammond, near Chicago, and another storage plant has been constructed and is now in operation at Rochelle Park, N. J. Properties have been bought at Paterson, Ramseys, Mahwah, and Englewood, in New Jersey, and at Jamestown and Middletown in New York, to meet the constant demand for more local freight-yard room. At Weehawken, N. J., stock yards have been acquired, and in the city of New York a new site for freight yards has been secured, extending from 28th Street to 29th Street and from 11th Avenue to 13th Avenue. The old freight yard between 22d and 23d Streets and 11th and 13th Avenues is to be abandoned.

The abolition of grade crossings in Jersey City entailed the elevation of the tracks, the closing of some streets, and the depression of others. The work was done under a contract, dated April 28, 1897, between the Erie RR. Co. and the officials of the city, which contract provided for the elimination of all grade crossings between the east end of Bergen Tunnel and the Hudson River, a distance of 1.25 miles, and for the construction of two or more additional tracks over or through Bergen Hill, above and adjacent to the present two tracks in the tunnel. By the terms of the contract the company was obliged to begin the work on or before Nov. 1, 1897, and to finish it, as far as the streets east of the tunnel were concerned, on or before Jan. 1, 1900, which was done. The Penhorn Creek RR. Co. was organized to execute the part of the agreement relating to the work to be done between the east end of the tunnel and Penhorn Creek, which forms the western boundary of Jersey City. All the foundations for the bridge and super-elevated structure for this road have been completed, and all necessary right of way purchased, but the construction of the road has been deferred from time to time.

The cost of most of the improvements made since Dec. 1, 1895, has been charged against income, but there has been charged to capital account the sum of \$4,438,354.37, representing strictly new property, as follows: Removal of grade crossings, \$1,317,757.91; yards, stations, and buildings, \$677,170.65; reducing grades and relocating tracks, \$783,227.94; additional tracks and sidings, \$578,602.63; signals and interlocking, \$65,688.35; Penhorn Creek RR., \$248,462.35; Goshen RR., \$46,285.59; coal storage plants, \$265,839.50; coaling stations, \$48,453.23; docks and piers, \$254,789.47; Chicago elevator, \$60,000; bridges and culverts, \$51,593; creameries, \$9,723.40; land, \$30,760.35. These expenditures are exclusive of \$770,508.13 expended on the New York and Greenwood Lake Division for double track and other additions to the property, and charged against the construction fund of that company.

During the same period there has been expended for new equipment charged to capital

account, the sum of \$10,898,537.56, representing the purchase of 114 locomotives, 6,500 box cars, 5,500 coal cars, 300 refrigerator cars, 184 flat cars, 100 furniture cars, 6 milk cars, 25 passenger cars, 3 baggage cars, 6 horse express cars, 5 derrick cars, 1 rotary snow-plough, 2 lake steamers and 1 tug, besides shop machinery and other equipment. There was also expended, out of the New York and Greenwood Lake RR. Co.'s construction fund, \$106,879.17 for locomotives and passenger cars for that division.

The gross earnings, expenses and net earnings are from the operation of the entire Erie System (excepting the New Jersey and New York RR. and the coal companies), including the Union Steamboat Line, Union Dry Dock for a part of the year, dining cars and restaurants, and the Erie and Wyoming Valley RR. for the last four months of the year. The income account is credited with \$1,274,830.48 as the net revenue received from the coal companies at the close of the fiscal year. The amount represents the profits of the Pennsylvania Coal Co. from Jan. 16 to June 30, 1901, and of the other coal companies for the fiscal years ending June 30, 1900 and 1901. It has been customary heretofore to include only one year's coal earnings in the Erie income account, but the coal accounts for the year ending June 30, 1900, not having been closed in time to include the results in the Erie account for the corresponding year, they were one year behind.

The reorganized company commenced operations on Dec. 1, 1895, and its first report was for the seven months ending June 30, 1896. As the operations for such a period would be of little value in a comparison by fiscal years the operations for the entire year ending June 30, 1896, of practically the same mileage as was operated during the following fiscal years, are given in place of them.

11. Capital Stock.—The capital stock authorized is \$177,000,000, consisting of \$48,000,000 1st preferred stock, \$16,000,000 2d preferred stock, and \$113,000,000 common stock. The 1st preferred stock is entitled to 4 p. c. non-cumulative dividends, payable out of net earnings before any payments can be made on either second preferred or common stock. The 2d preferred stock is entitled to 4 p. c. non-cumulative dividends before any payment can be made on common stock. All classes of stock (except 100 shares of common) are deposited with J. P. Morgan, Louis Fitzgerald, and Sir Charles Tennant, as voting trustees, to be held by them and their successors, jointly, until the first preferred stock shall have received 4 p. c. cash dividends in one year, although the voting trustees may, in their discretion, deliver the stock at any earlier date. The first dividend on the 1st preferred stock, $\frac{1}{2}$ p. c., was paid on Aug. 30, 1901 and a second dividend, $\frac{1}{2}$ p. c. was paid on Feb. 28, 1902. It is provided that no additional mortgage can be put upon the property, nor the amount of either class of preferred stock be increased, without the consent of a majority of the whole amount of each class of preferred stock and of such amount of common stock as shall be represented at any meetings of stockholders which may be called for the purpose of voting

on these questions, the holders of each class of stock voting separately. The company reserves the right to redeem at any time either or both classes of its preferred stock at par in cash, if allowed by law.

12. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$175,904,100, as per general balance sheet—consisted of the several issues of bonds listed in the following statement. Additional particulars respecting any issue will be found in the paragraph relating thereto subjoined to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index:

The bonds are practically, either by mortgage or by collateral trust, a first lien upon the company's principal coal properties (except the Penna. Coal Co.) upon its water transportation lines, including valuable terminal properties appurtenant thereto, and upon a number of local lines in New Jersey and near Buffalo; a second lien (subject only to the mortgages securing some of the divisional bonds listed in the statement of funded debt) upon the remaining coal properties and the railroads leading to all the coal properties, upon the terminals at Jersey City, upon the Buffalo, New York and Erie RR. (the main line to Buffalo), and the terminal properties in Buffalo other than those upon which it is a first lien, and upon the line from Salamanca to Chicago; and a general lien upon the lines of the original Erie Ry., between Piermont and Dunkirk. The mortgage authorizes \$175,000,000 of bonds, \$35,000,000 of them being prior in lien to the rest, which are designated general lien bonds. There were unissued on June 30, 1901, \$1,000,000 of the prior lien bonds and \$105,143,000 of the general lien bonds. The prior lien bonds can be issued only for construction and equipment purposes. Of the unissued general lien bonds, \$16,000,000 are to be issued only for new construction and at the rate of not more than \$1,000,000 a year, and the rest of them only for the retirement of prior liens and the purchase of capital stock of subsidiary companies. (See Manual for 1896, page 532.) After the expiration of the voting trust under which the capital stock of the company is pooled, voting power will attach to these 1st consol. mtge. bonds at the rate of ten votes for every \$1,000 of bonds.

NEWBURGH AND NEW YORK RR. GOLD BONDS.—Secured by first mortgage on the line from Arden Junction to Vail's Gate Junction, N. Y., 12.64 miles.

BUFFALO, NEW YORK AND ERIE RR. GOLD BONDS.—Secured by first mortgage on the line from Painted Post, near Corning, to Buffalo, N. Y., 140.25 miles.

BUFFALO AND SOUTHWESTERN FIRST MORTGAGE GOLD BONDS.—Secured on the line from Buffalo Creek Junction, Buffalo, to Jamestown, N. Y., 66.36 miles.

BUFFALO AND SOUTHWESTERN DIVISION SECOND LIEN GOLD BONDS.—Issued by the Erie RR. Co. in the purchase of the Buffalo and Southwestern RR. Secured by a second mortgage on that line.

PENNSYLVANIA COLLATERAL TRUST GOLD BONDS.—These bonds are a direct obligation of the Erie RR. Co., and are secured by the deposit in trust of the capital stocks of the Pennsylvania Coal Co., Erie and Wyoming Valley RR. Co. and Delaware Valley and Kingston Ry. Co., and of 51 p. c. (66,300 shares of preferred and 66,300 shares of common) of the total outstanding capital stock of the New York, Susquehanna and Western RR. Co. As additional security it is provided in the trust indenture that the Erie RR. Co. shall appropriate and pay annually to a sinking fund the sum of ten cents for every ton of coal sold and delivered through the previous year from the mines of the Pennsylvania Coal Co. Such sinking fund is to be applied to the purchase of bonds of this issue at not exceeding 105 p. c. and accrued interest, bonds to be drawn by lot if not offered at the price stated. The bonds so purchased or called for the sinking fund will be kept alive, and the subsequently accruing interest thereon will be added to the amounts otherwise available for sinking fund purchases. The total amount of bonds authorized by the indenture is \$36,000,000, of which \$4,000,000 of bonds are reserved to be issued only for the purpose of additions, betterments and improvements to the properties represented by the stocks pledged under the indenture.

LONG DOCK CO. CONSOLIDATED (NOW FIRST) MORTGAGE GOLD BONDS.—Secured on the Bergen Tunnel, 577 acres of land and land under water, docks, terminals, etc., of an assessed value in 1901 of \$6,792,917. They are redeemable at any time at 110, but only from proceeds of sale of land not necessary for company's use. No land has ever been sold.

HONESDALE BRANCH BONDS.—The 4½ p. c. bonds are secured by a first mortgage and the 6 p. c. bonds by a second mortgage on the Honesdale Branch of the Jefferson RR., from Hawley to Honesdale, Pa., 8.18 miles.

JEFFERSON BRANCH GOLD BONDS.—Secured by a first mortgage on the Carbondale Branch of the Jefferson RR., from Lanesboro' to Carbondale, Pa., 36.51 miles.

BERGEN COUNTY BONDS.—Secured by a first mortgage on the line from Rutherford Junction to Ridgewood Junction, N. J., 9.82 miles.

N. Y., L. E. & W. DOCKS AND IMPROVEMENT CO. BONDS.—Secured by first mortgage on the property of the company named. A description of this property is in the Manual for 1899, page 116. It is situated at Weehawken, N. J., and constitutes the main freight terminal of the Erie RR. system. The lease to the Erie RR. Co. and the rentals accruing thereunder are pledged as further security for the bonds. The total issue is \$4,000,000, but \$604,000 bonds (Nos. 1,001 to 1,604 inclusive) are pledged under the first consolidated mortgage of the Erie RR. Co.

N. Y., L. E. & W. COAL AND RAILROAD CO. BONDS.—Part of an issue of \$3,000,000, the residue being deposited under the 1st consolidated mortgage of the Erie RR. Co. Secured to the amount of \$1,500,000 by a first lien on the railroad property, and to the full amount by a first lien on the company's lands (see Manual for 1899, page 116). They are guaranteed, both as to principal and interest, by the Erie RR. Co., and the guaranty is endorsed upon the face of each bond.

TIOGA RR. BONDS.—The 1st mtge. bonds are secured on the line from Morris Run to Lawrenceville, Pa., 30.6 miles; the extension bonds on the line from Lawrenceville to the New York State line, 12.23 miles.

ELMHURST STATE LINE BONDS.—Secured on the line from State Line Junction, N. Y., to Penn. State Line, 6.51 miles.

N. Y., P. & O. PRIOR LIEN GOLD BONDS.—Secured by first mortgage on the property and franchises of the Nypano RR. Co. (See subjoined statement for that company.) Principal and interest payable in New York in United States gold coin, or in London in sterling money at the rate of four shillings to the dollar.

CHICAGO AND ERIE GOLD BONDS.—Secured by first mortgage on the line from Marion Junction, O., to the Illinois State Line near Hammond, Ind., 249.57 miles, including franchises, equipment, and appurtenances. Also secured by pledge of the contract with, and 10,000 shares of the capital stock of, the Chicago and Western Indiana RR. Co. and of 2,400 shares of the capital stock of the Belt Ry. Co. of Chicago.

CHICAGO AND ATLANTIC TERMINAL GOLD BONDS.—Secured by mortgage on certain station, shop, and other lands, and the buildings thereon, located in twelve of the fifteen counties through which the road runs.

All issues of bonds listed in the statement of funded debt were issued or have been assumed by the Erie RR. Co., and all of them except the prior lien bonds and the general lien bonds issued under the 1st consolidated mortgage of 1895, and the Southwestern Division 2d lien bonds, which will continue as a separate lien on that division, will be replaced by equal amounts of general lien bonds reserved for that purpose, as will also the following: \$400,000 Blossburg Coal Co. 1st 5s of Nov. 1, 1915; \$130,000 Montgomery and Erie RR. 1st 5s of May 1, 1926; \$40,500 Montgomery and Erie RR. 2d 5s of Oct. 1, 1927; \$186,500 Goshen and Deckertown RR. 1st 6s of July 1, 1928; \$60,000 Goshen and Deckertown RR. 2d 6s of Nov. 1, 1929; \$8,800 Middletown and Crawford RR. 1st 4½s of April 1, 1921; \$3,000,000 Cleveland and Mahoning Valley Ry. 1st consol. 5s of Jan. 1, 1938; \$164,000 Sharon Ry. 1st 4½s of June 1, 1919; and \$250,000 New Castle and Shenango Valley RR. 1st 6s of July 1, 1917—total, \$4,239,800.

The Blossburg Coal Co. bonds are secured on property situated at and near Blossburg, Pa. The capital stock of the company, \$1,000,000, is deposited under the 1st consolidated mortgage of the Erie RR. Co. The Middletown and Crawford bonds are part of a total of \$66,000, of which \$57,200 are pledged under the 1st consolidated mortgage of the Erie RR. Co. Additional particulars respecting all of the bonds mentioned will be found in the appended statements for the respective companies and in the Ready Reference Bond List (see General Index).

The Midland RR. bonds are secured by first mortgage on the line from Marion to Unionville, 71.6 miles. The Paterson Extension bonds are secured by first mortgage on the road and real estate in the city of Paterson. The N. Y., S. & W. firsts are a 1st lien on the line from Two Bridges to Gravel Place, and on the Winton, Delaware and Lackawanna Valley branches, in all 61.6 m., and a 2d lien on the main line and Paterson Extension. The refunding firsts are secured on the same property but are subject in lien to the firsts. The 2d mtge. bonds are exchangeable for gen. mtge. bonds on payment of an assessment. The authorized issue of gen. mtge. bonds is \$3,000,000, but \$453,000 of the bonds are held by the Central Trust Co. of New York, trustee, for the retirement of the 2d mtge. bonds. The gen. mtge. bonds and all bonds prior thereto are in coupon form, with privilege of registration. The terminal mtge. bonds are secured on the property acquired from the Terminal Co., including 3 miles of railroad, a tunnel under the Palisades, and 62 acres of terminal property on the Hudson River. The collateral trust bonds, originally \$500,000 in amount, are subject to call for sinking fund. The bonds of the proprietary companies are guaranteed by the N. Y., S. & W. RR. Co.

1. History.—Chartered as the Delaware, Lehigh, Schuylkill and Susquehanna RR. Co., Sept. 20, 1847; under existing title, Jan. 7, 1853. (See MANUAL for 1899, page 130.) The National Docks Ry. and the terminals and warehouses of the National Storage Co. were purchased on Dec. 8, 1899, the company assuming \$5,000,000 of trust certificates of the latter. The National Docks Ry. is operated separately. The Easton and Northern RR., 12.78 miles in length, is owned by this company, but a section of it 8.14 miles in length is leased to the Bangor and Portland Ry. Co.

In 1901 the company purchased the capital stocks of the Connell Coal Co. and Seneca Coal Co., and issued in partial payment therefor two series of purchase-money bonds to the amount of \$1,265,000. Of these bonds \$50,000 have since been paid. The Connell Coal Co. and the Seneca Coal Co. own valuable coal properties and leaseholds of coal lands tributary to this railroad. The Connell Coal Co. has been operated in this company's interest since March 1, 1901, and the Seneca Coal Co. since June 1, 1901. The results of their operation have shown a considerable profit, which has been partly applied to the reduction of the cost of the properties, to offset the depreciation in their value through the mining operations.

By an agreement made between this company, the Reading Co. and the receivers of the Philadelphia and Reading RR. Co., during the year ending June 30, 1901, a satisfactory settlement of claims growing out of the lease of the Lehigh Valley properties to the Philadelphia and Reading RR. Co. was effected, the consideration being part cash and the balance in stock of the Reading Co. held by this company as collateral, a full release being given by either party to the lease.

The Lehigh Valley RR. Co. owns all the bonds of the Greenville and Hudson Ry. Co., Morris Canal and Banking Co., Schuylkill and Lehigh Valley RR. Co., Rochester Southern RR. Co., and Hazleton Coal Co., besides owning \$271,400 of the preferred stock and \$318,300 of the consolidated stock of the Morris Canal and Banking Co., \$164,000 of the bonds of the Middlesex Valley RR. Co., and \$6,140,000 of the bonds of the Lehigh Valley Coal Co. Total owned by Lehigh Valley RR. Co., \$12,350,700; annual charge thereon, \$632,922. The latter amount is included in the Income Account under the head of dividends and interest on stocks and bonds owned, while the rentals of the Waverly and State Line and the Depew and Tonawanda RRs. are included in the same statement under the head of "sundry receipts."

The Lehigh Valley RR. Co. does not guarantee the \$300,000 1st mtge. 6 p. c. bonds of the Canastota Northern RR. Co., nor \$750,000 1st preferred mortgage 6 p. c. bonds of the Elmira, Cortland and Northern RR. Co., but they are both included in the preceding statement, because they are mortgage liens on property which is a part of the Lehigh Valley system by ownership of capital stock.

The details of the guaranties are in the statements for the subsidiary companies appended hereto, and a full description of the guaranteed bonds will be found in the Ready Reference Bond List—see General Index.

6. Capital Stock.—The capital stock as per general balance sheet consists of \$106,300 of 10 p. c. preferred stock and \$40,334,800 of common stock, in shares of \$50 each. The last dividends were paid in July, 1893.

7. Funded Debt.—The funded debt outstanding on June 30, 1901—total \$41,900,000, as per general balance sheet—consisted of the following issues of bonds:

\$5,000,000 1st gold 4s of June 1, 1948. Secured on the main line, 322.44 miles, and equipment. The bonds matured in 1898, and were extended, principal and interest being made payable in gold.

6,000,000 2d 7s of Sept. 1, 1910. Secured on the same property, but subject to the lien of the first mortgage.

23,000,000 consol. mtge. bonds. \$15,700,000 of them being 6 p. c. bonds and the remaining \$7,300,000 $4\frac{1}{2}$ p. c. bonds; \$10,062,000 of the 6 p. c. bonds and \$2,538,000 of the $4\frac{1}{2}$ p. c. bonds are designated "annuity bonds" and are irredeemable; the remaining \$5,638,000 of 6 p. c. bonds and the remaining \$4,762,000 of $4\frac{1}{2}$ p. c. bonds are payable on Dec. 1, 1923. The authorized issue is \$40,000,000, of which \$12,000,000 is reserved for retirement of the 1st and 2d mtge. bonds, at maturity. The bonds are in two classes, those due in 1923 being known as Class B, and the irredeemable "annuity" bonds as Class C. Of Class B, \$1,319,000 6s and \$1,669,000 $4\frac{1}{2}$ s are coupon bonds, while \$4,319,000 6s and \$3,093,000 $4\frac{1}{2}$ s are in registered form. The bonds are secured on the main line and branches, 322.44 miles, subject to prior liens.

7,900,000 mtge. and trust gold 5s of May 1, 1897. Secured on the railroad and equipment of the company (subject to prior liens); on various

real estate mortgages held by the company; on various pieces of real estate owned by the company in Philadelphia, Pottsville, and Jersey City; on sundry stocks of various companies owning railroad (about 170 miles) and steamship lines belonging to the Lehigh Valley System, and on the car trust bonds of the Lehigh Valley Terminal Ry. Co. owned by this company. (See statement of stocks and bonds owned, Sec. 9.) The authorized issue is \$15,000,000, of which \$7,000,000 may be issued at not exceeding the rate of \$1,000,000 in any calendar year commencing with the year 1900, for the construction or acquisition of extensions, terminals, rolling stock, or betterments, or for the acquisition of additional bonds of the Lehigh Valley Coal Co. secured by its mortgage dated April 30, 1897—all of such acquisitions to be subjected to the lien of the mortgage. Of the remaining bonds, \$5,000,000 were issued to provide for floating debt, and \$3,000,000 were issued during the year ending June 30, 1901 to partly cover expenditures which had previously been made for construction and other purposes. The \$7,000,000 of reserved bonds may bear interest at a rate less than 5 p. c. per annum. The bonds are redeemable on any interest day, at 107 $\frac{1}{2}$ p. c. and accrued interest, on 60 days' notice.

The mortgages do not cover the income of the company, and none of them except the collateral trust mortgage cover any of the securities owned by the company. Bonds with liens prior to that of the mort-

gage and collateral trust bonds may be extended, or new prior lien bonds may be issued, but the aggregate principal sum of such bonds, or the rate of interest thereon, may not be increased except as provided in the consolidated mortgage for the retirement of bonds prior in lien thereto.

8. Equipment Trust Obligations.—These consist of the following issues: \$450,000 5 p. c. Series A car trust, payable \$50,000 semi-annually to Feb. 1, 1906, interest Feb. and Aug.; \$250,000 5 p. c. Series B car trust, payable \$25,000 semi-annually to Aug. 1, 1906, interest Feb. and Aug.; \$1,000,000 4½ p. c. Series C car trust, payable \$200,000 annually to June 1, 1909, interest June and Dec.; \$2,700,000 4½ p. c. Series D equipment trust, payable \$300,000 annually to March 1, 1910, interest March and Sept., and \$650,000 4½ p. c. Series E equipment trust, payable \$82,000 annually to Feb. 1, 1909, interest Feb. and Aug. Series A and Series B are in gold-bearing bonds of \$1,000 each; Series C, Series D and Series E are in \$1,000 gold certificates. Series A covers 2,000 box freight cars; Series B, 1,000 coal cars, 50 stock cars, and 6 combination passenger, etc., cars; Series C, 2,000 coal and 400 box freight cars; Series D, 25 locomotives and 3,665 freight cars (2,725 box, 250 gondola, 300 coal, 300 produce, 15 milk, 25 poultry, and 50 steel flats); Series E, 42 locomotives and 20 cars (11 passenger, 3 combination and 6 baggage). Interest is payable at the offices of the respective trustees as follows: Series A and Series B, the Girard Trust Co., Philadelphia, Pa.; Series C and Series E, the Pennsylvania Co. for Insurance on Lives and Granting Annuities, Philadelphia, Pa.; Series D, Provident Life and Trust Co., Philadelphia, Pa.

A car trust known as Series E, amounting to \$656,000, was created March 30, 1901, covering certain equipment noted in the preceding paragraph. The trust provides for the issue of 656 certificates of \$1,000 each, bearing interest payable Feb. 1 and Aug. 1 at 4½ p. c. per annum, the principal being payable in eight annual installments of \$82,000 each, beginning Feb. 1, 1902.

9. Securities Owned.—Stocks of railroad and water lines included in the system, \$18,260,360.34; stocks of allied coal companies, \$2,497,981.29; stocks of other companies, \$7,553,866.50; bonds of railroad and water lines included in the system, \$3,398,926; bonds of the Lehigh Valley Coal Co., \$6,400,000; bonds of other coal companies, \$944,183.17; bonds of other companies, \$79,000; car trust certificates, Lehigh Valley Terminal Ry., \$900,000—total, \$40,034,323.30. 18. OTHER PROPERTIES CONTROLLED BY THE LEHIGH VALLEY RR. CO.

Lehigh Valley Coal Co.—Reorganization, Jan. 11, 1881, of the Green Land Co. Absorbed the Delano Land Co. on July 26, 1900. Controlled by the L. V. RR. Co., by ownership of entire capital stock. (See Manual for 1899, page 139.)

Income Account, year ending Nov. 30, 1901.—Coal sales, \$21,378,208.93; commissions, \$127,864.10; royalties, \$211,615.02; rents, \$30,025.99; general interest, \$29,229.97; dividends and interest, \$20,534; timber sold, \$12,296.45; miscellaneous, \$508.64—total, \$21,810,583.10. Operating expenses, \$21,855,894.62. Deficit, \$45,221.52; add interest on Snow Shoe bonds, \$18,545.83; on Delano Land Co. bonds, \$55,100; colliery improvements, \$372,709.30—total deficit, \$491,576.65.

Profit and Loss Account.—Debit balance, Nov. 30, 1900, \$2,264,819.98; debit balance, as above, \$491,576.65; uncollectible accounts and sundry adjustments, \$23,888.90—total, \$2,780,285.53. Credit: Sundry receipts belonging to previous years, \$15,836.67. Debit balance, Nov. 30, 1901, \$2,764,448.86.

Balance Sheet, Nov. 30, 1901.—Capital stock, \$1,000,000; funded debt, \$17,983,000; depreciation of coal lands per sinking funds, \$691,389.55; advanced royalties, \$49,345.14; current liabilities, \$3,192,594.77—total, \$22,916,329.46. Contra: Coal lands, \$4,905,802.74; colliery improvements, \$3,290,751.66; coal storage properties and plants, \$635,186.34; other real estate, \$8,454.25; treasury stock (issued in exchange for stock of Delano Land Co.), \$350,000; securities owned (stocks and bonds, \$367,218; mortgages receivable, \$18,876.23), \$381,094.23; advanced royalties, \$4,983,006.51; current assets, \$7,705,860; stock of coal on hand, \$1,688,958.66; materials, etc., \$199,766.21; profit and loss, \$2,764,448.86—total, \$22,916,329.46.

Funded debt, Nov. 30, 1901, consisted of (1) \$11,514,000 1st 5s of Jan. 1, 1933; (2) \$5,000,000 1st 5s of May 1, 1947; (3) \$367,000 Snow Shoe 1st 5s of Jan. 1, 1910 and (4) \$1,102,000 Delano Land 1st 5s of Jan. 1, 1932. The bonds of 1947 are owned by the L. V. RR. Co.; the 1sts of 1933 and the Delano

Land bonds are guaranteed by the same company, both as to principal and interest; the Snow Shoe bonds are not guaranteed. The 1st mtge. bonds of 1933 are secured on 15,217 acres of land owned by the company, 7,242 acres of which are within the coal measures and estimated to yield at least 124,000,000 tons of merchantable coal. The mortgage provides for a sinking fund of 10 cents for each ton of coal shipped from the mortgaged property, with a minimum of \$25,000 per annum. Under this provision \$64,308.90 was set aside during the year ending Nov. 30, 1901 to be applied to the purchase of bonds for cancellation. Trustee: E. P. Wilbur Trust Co., South Bethlehem, Pa. The \$5,000,000 mtge. bond of 1897 owned by the L. V. R. R. Co., is a first lien on anthracite coal lands and interests in Schuylkill County, Pa., covering about 8,000 acres, of which about 6,000 are within the coal measures and estimated to yield about 237,000,000 tons of merchantable coal, and is also secured on bituminous coal lands in the same State, which cost \$975,000, subject to a lien of \$500,000 and on wharves and yards in Chicago, costing about \$500,000 (subject to \$200,000 lien on one wharf), and in West Superior, Wis., costing about \$350,000. In addition to the anthracite coal directly covered, the mortgage embraces, through ownership of stocks of coal companies, about 240,000,000 tons of merchantable coal, not covered by any other mortgage. The bond also has a junior lien on the property covered by the first mortgage. Trustee: The Girard Trust Co., Philadelphia, Pa. The Snow Shoe bonds are secured on property in Centre County, Pa. The Delano Land bonds are secured on 5,229 acres in Rush Township, Schuylkill County, Pa. There is a minimum sinking fund of \$30,000 per annum; bonds may be retired at par or under. The interest and sinking fund of these bonds are provided from royalties on coal

mined from the property. Trustee: The Girard Trust Co., Philadelphia, Pa.
Stocks and bonds owned: 6,304 shares (par, \$315,200) Locust Mountain Coal and Iron Co. stock; and \$20,000 L. V. R. R. annuity 6 p. c. bonds.

NEW YORK CENTRAL AND HUDSON RIVER RAILROAD SYSTEM.

The following are the railroads embraced in this system on June 30, 1901. Full particulars respecting each road will be found in the separate statements therefor appended :

New York Central and Hudson River Railroad.....	3,357.37 miles.
Dunkirk, Allegheny Valley and Pittsburg Railroad.....	90.60 "
St. Lawrence and Adirondack Railway.....	56.40 "
Fulton Chain Railway.....	2.00 "
Raquette Lake Railway.....	18.13 "
Susquehanna and Clearfield Railroad.....	23.10 "
Toronto, Hamilton and Buffalo Railway.....	83.87 "
Lake Shore and Michigan Southern Railway.....	1,413.44 "
Cleveland, Cincinnati, Chicago and St. Louis System.....	2,287.10 "
Lake Erie and Western Railroad and Northern Ohio Railway.....	890.00 "
New York, Chicago and St. Louis Railroad.....	523.02 "
Pittsburgh and Lake Erie Railroad.....	180.09 "
Michigan Central Railroad and Canada Southern Railway.....	1,635.48 "

Total mileage of the system, June 30, 1901.....10,560.60 miles.

The Dunkirk, Allegheny Valley and Pittsburg R. R. is leased to the New York Central and Hudson River R. R. Co. for 501 years from Dec. 1, 1872, but is operated by the Lake Shore and Michigan Southern Ry. Co. as agent for the lessee. Its operating and financial statistics are not included in the lessee's statement, although the rental paid under the lease is charged against net income in the statement in Sec. 5. The St. Lawrence and Adirondack Ry., the Fulton Chain Ry. and the Raquette Lake Ry. are operated by the New York Central and Hudson River R. R. Co., as agent for the owners, but their statistics are not included in the

accounts of the operating company. The Susquehanna and Clearfield RR. Co. has been consolidated with other companies under the name of Beech Creek Extension RR. Co., and a lease has been made to the New York Central and Hudson River RR. Co. The Susquehanna and Clearfield section is operated by the Pennsylvania RR. Co. pending the completion of the road. The other controlled railroads named in the mileage statement are operated by their own organizations.

The Lake Shore and Michigan Southern Ry. Co. and the Michigan Central RR. Co. are controlled directly by the New York Central and Hudson River RR. Co. through ownership of a large majority of their capital stocks. The Lake Shore and Michigan Southern Ry. Co. controls the Cleveland, Cincinnati, Chicago and St. Louis Ry. Co., the Lake Erie and Western RR. Co., the N. Y., Chic. and St. Louis RR. Co. and the Pittsburgh and Lake Erie RR. Co.

The Toronto, Hamilton and Buffalo Ry. is controlled by the N. Y. C. & H. R. RR. Co., by virtue of the latter's ownership of the Michigan Central RR. and of the agreement between the Michigan Central RR. Co. and the Canada Southern Ry. Co. Of the five corporations which divide the control of the Toronto, Hamilton and Buffalo Ry., the New York Central, the Michigan Central and the Canada Southern are three.

NEW YORK CENTRAL AND HUDSON RIVER RAILROAD COMPANY.

Gauge, 4 ft. 8½ in. Rail (steel), 60 to 100 lbs.

2. History.—Consolidation, Nov. 1, 1869, of the New York Central R.R. Co. and the Hudson River R.R. Co. (see MANUAL for 1890, page 110). The lease of the Troy and Greenbush R.R. was inherited from the Hudson River R.R. Co.; the other leases have been acquired

from time to time by the consolidated company. Their terms are outlined in the subjoined statements for the several leased roads (see also MANUAL for 1901, page 122). The company owns or holds in trust all the capital stock of the Carthage and Adirondack Ry. Co., Gouverneur and Oswegatchie RR. Co., Mohawk and Malone Ry. Co., New Jersey Junction RR. Co., New York and Putnam RR. Co., Mahopac Falls RR. Co., Pine Creek Ry. Co., Niagara Falls Branch RR. Co., and West Shore RR. Co., all the stock and all the bonds of the Wallkill Valley RR. Co., a majority of the stock of the Carthage, Watertown and Sackets Harbor RR. Co., Utica and Black River RR. Co., and Syracuse, Geneva and Corning Ry. Co., and a majority of both stock and bonds of the Dunkirk, Allegheny Valley and Pittsburg RR. Co. The Dunkirk, Allegheny Valley and Pittsburg RR. is leased for 501 years, from Dec. 1, 1872, but its mileage and operations are not included in this statement as separate accounts have been kept and an independent statement prepared in its behalf. On Oct. 1, 1901, the operation of the Dunkirk, Allegheny Valley and Pittsburg RR. was turned over to the Lake Shore and Michigan Southern Ry. Co. as agent for the N. Y. C. & H. R. RR. Co., lessee.

The Terminal Ry. of Buffalo is owned jointly by this company and the Lake Shore and Michigan Southern Ry. Co., while the Pittsburgh and Eastern RR. is owned jointly by this company and the Pennsylvania RR. Co. This company controls the Lake Shore and Michigan Southern Ry. Co. and the Michigan Central RR. Co., through the ownership of more than 91 p. c. of the capital stock of the Lake Shore and of about 88 p. c. of the capital stock of the Michigan Central. This company's interest in the Cleveland, Cincinnati, Chicago and St. Louis Ry. Co. and in the Lake Erie and Western RR. Co. was disposed of during the year ending June 30, 1901, to the Lake Shore and Michigan Southern Ry. Co.

9. Capital Stock.—The \$115,000,000 capital stock as above includes \$4,900 of consolidation certificates not yet converted. Amount of capital stock issued per mile of road owned, \$140,338.03. Cost of road per mile owned, \$169,567.56; cost of equipment per mile of road owned, \$54,557.40—total cost per mile, \$224,124.96.

On Jan. 15, 1902, the authorized capital stock was increased from \$115,000,000 to \$150,000,000, and \$17,500,000 of the additional stock has been sold to the stockholders of the company at the rate of \$125 per share. The proceeds are to be used in part for increasing the terminal facilities of the company in the city of New York including enlargement of the Grand Central Station yard and additional tracks for suburban traffic; for new elevator, docks and other improvements at Weehawken; for construction and equipment expenditures on the main line and on leased lines, and for other corporate purposes.

At the New York office the treasurer transfers stock, pays dividends on stock issued in America, transfers registered bonds, and pays interest on coupon and registered currency bonds. The Union Trust Co. of New York registers stock issued in America. The London agents, J. S. Morgan & Co., pay dividends on stock issued in England. The Union Bank registers stock issued in England, and pays interest on sterling bonds. Dividends on stock registered in London are payable in gold.

10. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$193,772,940.54 as per general balance sheet—consisted of the several issues of bonds listed in the following statement. Additional particulars respecting any issue will be found in the paragraph relating thereto subjoined to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index.

\$18,330,000.00 1st 7s of Jan. 1, 1903, int. J. & J.	\$3,662,500.00 Ext. Debt gold 4s of May 1, 1905.

4,528,000.00 Deben. 5s of Sept. 1, 1904, int. M. & S.	90,578,400.00 Lake Shore Coll. g. 3½s of Feb. 1, 1908.
649,000.00 Deben. 5s of Sept. 1, 1904, int. M. & S.	19,336,445.00 Mich. Cent. coll. g. 3½s of Feb. 1, 1908.
5,251,000.00 Gold Deben. 4s of June 1, 1905.	5,500,000.00 Deben. 3½s of July 1, 2000, int. J. & J.

Excluding the Lake Shore and Michigan Central collateral bonds, the amount of bonds outstanding per mile of road owned, \$19.45 miles, amounted to \$95,622.79 on June 30, 1901.

FIRST MORTGAGE BONDS.—Amount authorized of dollar bonds is \$30,000,000; of sterling bonds, £2,000,000.

DEBENTURE 5 P. C. BONDS.—These debentures rank after the 1st mtge. bonds, and it was provided that they should be included in any mortgage placed upon the company's property prior to July 1, 1902. The debentures of 1889 have a conversion privilege under which the holders may receive stock at par, instead of cash, for the bonds at maturity, in the event of the company replacing its 1st mtge. bonds with an issue of stock.

DEBENTURE 4 P. C. BONDS.—It was provided that these debentures should be specifically provided for in any subsequent mortgage up to 1905. Each certificate must be countersigned by the Union Trust Co. as registrar.

EXTENDED DEBT CERTIFICATES.—Originally dated Aug. 1, 1853, and fell due May 1, 1883, when they were extended for ten years with interest at the rate of 5 p. c. per annum. On May 1, 1893, they were extended to May 1, 1905, the rate of interest being reduced to 4 p. c., and both principal and interest made payable in gold.

GOLD MORTGAGE BONDS OF 1897.—Secured on the entire property of the company, whether now owned or hereafter acquired. The authorized issue is \$100,000,000, of which \$15,000,000 cannot be issued before Jan. 1, 1904, and then at a rate not exceeding \$1,000,000 yearly, for additions and betterments to the property. The remaining \$85,000,000 were authorized for the purpose of retiring \$70,377,333.33 of outstanding 1st mtge. bonds, extended debt certificates and debentures, at or before their maturity, \$14,622,666.67 of such new bonds being provided to meet any premium necessary to retire the prior issues; such premium to be determined by computing the present worth of the prior bonds on a basis of 3½ p. c. to maturity. The \$40,161,834.22 bonds outstanding June 30, 1901, were issued as to \$32,181,072.01 in exchange for an equal amount of prior lien bonds, as to \$4,980,762.21 as part of the \$14,622,666.67 reserved for premiums, and the remaining \$5,000,000 for construction and betterments. Under the terms of the mortgage, the 1st mtge. 7 p. c. bonds and the 1st mtge. 6 p. c. sterling bonds, when received by the trustee, will be stamped as not negotiable, and held as additional security for the bonds issued under this mortgage, while extended debt certificates and all debenture certificates, when received by the trustee, are to be cancelled and surrendered to the company. The mortgage requires that the outstanding old bonds shall in no event be extended, but shall be paid as they mature, so that after June 1, 1905, this mortgage will be a first lien upon the property of the New York Central and Hudson River RR. Co.

LAKE SHORE COLLATERAL GOLD BONDS.—Authorized for the purpose of acquiring the capital stock of the Lake Shore and Michigan Southern Ry. Co., under the terms stated in the Manual for 1898, pages 567 and 568. The bonds outstanding are secured by deposit in trust of the shares against which they were issued. Coupon bonds are dated Feb. 1, 1898, while registered bonds are dated as of the several dates of their issue. The bonds are a direct obligation of the New York Central and Hudson River RR. Co., and it is provided that the company shall not hereafter make any mortgage upon its railroad or upon any substantial part thereof, without including therein the bonds of this issue.

MICHIGAN CENTRAL COLLATERAL GOLD BONDS.—Authorized for the purpose of acquiring the capital stock of the Michigan Central RR. Co., and are similar in all respects to the Lake Shore bonds (see preceding paragraph), except that the coupon bonds are dated April 13, 1898. (See Manual for 1898, pages 567 and 568.)

DEBENTURE 3½ P. C. BONDS OF 1900.—Issued in payment for property of the Boston and Albany RR. Co. not conveyed in the lease of July 1, 1900.

Co. and Hudson and Boston RR. Co. (see Manual for 1885, page 43). The Grand Junction RR. was purchased in 1866, the Springfield and Northeastern RR. on July 8, 1880, and the Spencer RR. on April 29, 1889. The property is leased to the New York Central and Hudson River RR. Co., for 99 years from July 1, 1900, the lessee agreeing to pay a cash rental of \$2,000,000 a year (equivalent to 8 p. c. on the capital stock), in addition to interest on the bonds, rentals of leased lines, taxes and organization expenses. The last item is to be \$10,000 a year for the first ten years, and thereafter such less sum as is reasonable and proper therefor. This company leased the North Brookfield RR., Pittsfield and North Adams RR., Providence, Webster and Springfield RR. and Ware River RR., on the terms outlined in the statements for those roads appended hereto, and operated the Chester and Becket RR. under a contract other than lease. The liabilities of the company under the leases and under the operating contract have been assumed by the New York Central and Hudson River RR. Co. For certain property not included in the lease (see Manual for 1901, page 131) the company received \$5,500,000 in 3½ p. c. 100-yr. gold debenture bonds of the New York Central and Hudson River RR. Co. In the Manual for 1901, on page 131, there is a statement showing for the eight fiscal years, 1893-1900, the statistics of mileage, rolling stock, and traffic operations, and condensed income and capital accounts of the company. In the statement for the lessee (Section 6), a summary of the financial operations of the road for the year ending June 30, 1901, is given. Income Account, year ending June 30, 1901.—Received from lessee—rentals (B. & A. RR., \$2,000,000; leased lines, \$78,000), \$2,078,000; organization expenses, \$10,000; interest on funded debt (5 p. c. bonds, \$192,900; 4 p. c. bonds, \$145,080), \$237,980; interest on \$5,500,000 3½ p. c. debentures of N. Y. C. & H. R. RR. Co., \$192,500—total, \$2,618,480. Payments: Organization expenses, \$6,540; interest on funded debt, \$337,980; lease rentals (Ware River RR., \$52,500; Pittsfield and North Adams RR., \$22,500; North Brookfield RR., \$3,000), \$78,000; dividends (8½ p. c.), \$2,187,500—total, \$2,610,020. Surplus, \$8,460; surplus forward, \$331,072; net credits to profit and loss, \$1,204,336—total, \$1,543,868. *Earnings, Expenses, etc.*, year ending June 30, 1901.—See Section 6.

Total length of lines owned and leased, June 30, 1901.....480.46 miles.
Sidings (owned, 127.42 m.; leased, 66.08 m.), 193.50 miles. Gauge, 4 ft. 8½ in. Rail (steel), 50 to 95 lbs.

2. History.—Organized Jan. 21, 1880, as successor to the New York and Oswego Midland RR. Co. (see MANUAL for 1888, page 225). The terms under which the leased lines are operated are outlined in the separate statements for those roads, subjoined hereto. For the use of the West Shore RR. tracks from Cornwall to Weehawken the company pays its proportionate share of the cost of maintenance, based on train mileage, and a like proportion of the interest at 4 p. c. on \$2,000,000 plus the amount expended for necessary improvements since Jan. 1, 1886. Provision is made for cars of either company to be hauled by the trains of the other, in order to reduce expenses. The trackage agreement will expire by limitation on May 12, 2079, but may be terminated by this company after May 12, 1980. (See MANUAL for 1895, page 50.)

The Ellenville and Kingston RR. Co. was organized in March, 1900, to build an extension of the Ellenville Branch of this road, from Ellenville to Kingston, N. Y., a distance of about 27 miles. Construction was begun in July, 1901, and the line is now (July 1, 1902) in operation between Ellenville and Kerhonkson, about 8 miles.

3. Coal Traffic.—The output of anthracite coal mines tributary to this company is estimated at from 2,500,000 to 3,000,000 tons annually. The transportation of practically all

this tonnage is secured to this railroad by contracts made with the Scranton Coal Co. and the Elk Hill Coal and Iron Co. The terms of these contracts are outlined in the MANUAL for 1901, on page 138.

The following statement shows the tonnage of anthracite coal hauled by the company, and the revenue derived from such traffic, in each fiscal year since the opening of the Scranton Division on July 1, 1890:

7. Preferred Stock and Voting Trust.—The total issue of preferred stock amounted to \$2,000,000, but \$1,995,000 of it was exchanged for 1st mtge. bonds. The exchanged preferred stock is held alive in a voting trust, and elects eight of the thirteen directors, this right to continue until a dividend shall have been earned and paid on the common stock.

8. Funded Debt.—The funded debt consists of (\$20,000,000 auth.) refunding 1st gold 4s of June 1, 1902. The unissued bonds are reserved for future requirements. Coupons for the period ending Sept. 1, 1942, are attached to the bonds, and subsequent coupons will be attached on and after that date. The bonds are a first lien on the entire property of the company, and are additionally secured by deposit of all the 1st mtge. bonds, and \$1,495,000 out of a total of \$1,500,000 capital stock, of the Ontario, Carbondale and Scranton Ry. Co. (Additional particulars respecting the funded debt will be found in the Ready Reference Bond List—see General Index.)

9. Loans and Bills Payable.—The amount outstanding on June 30, 1901, consisted of \$2,400,000 5 p. c. 12-yr. \$1,000 gold notes, and \$3,425,000 5 p. c. sinking fund 1st lien 15-yr. \$1,000 gold notes. The 12-yr. notes were issued in 1899 to the amount of \$2,500,000 to enable the Scranton Coal Co. to purchase the anthracite coal property of the Lackawanna Iron and Steel Co. They are secured by first mortgage of the Scranton Coal Co., and mature \$100,000 each half year to Feb. 1, 1904, \$125,000 each half year from Aug. 1, 1904, to Feb. 1, 1909, and \$150,000 each from Aug. 1, 1909, to Feb. 1, 1911. To enable the Scranton Coal Co. to complete the purchase this company made a loan of \$1,475,000 (\$805,000 thereof repaid to June 30, 1901), which is secured by second mortgage on the Scranton Coal property. The 15-yr. notes are secured by deposit of first bond and mortgage covering the entire property of the Elk Hill Coal and Iron Co. They mature \$75,000 every half year to Dec. 1, 1910, and \$200,000 every half year from June 1, 1911, to Dec. 1, 1915. Interest is payable on the 1st of June and Dec.; principal and interest payable in gold, free of all taxes. The notes are in coupon form, but may be registered as to principal alone or as to both principal and interest. It is provided that if the New York, Ontario and Western Ry. Co. shall make any new mortgage upon its property these notes shall be equally and ratably secured pari passu with the obligations to be issued under and secured by such mortgage. Trustee: Morton Trust Co., New York, N. Y.

10. Equipment Trust Notes.—Issued under date of March 1, 1901, and payable in ten half yearly installments, with interest at the rate of 4½ p. c. per annum, payable March and Sept., at the office of the trustee, Manhattan Trust Co., New York, N. Y. Principal and interest are payable in gold. Secured on 7 locomotives, 6 passenger cars, and 610 coal cars.

2. History.—Consolidation, Aug. 1, 1899, of the Mill Creek Valley RR., Buffalo, St. Mary's and Southwestern RR., Mount Jewett, Clermont and Northern RR., Smethport and Olean RR., Central New York and Western RR., and Central New York and Northern RR. The Mt. Jewett Division was extended in 1900, from Smethport to Coryville, Pa., a distance of 7.47 miles. The gauge of the Olean Division was broadened to the standard on Dec. 27, 1901. The main line as projected is to extend from the coal fields of Jefferson County, Pa., to Macedon, N. Y., about 250 miles. The company owns the capital stock of the Shawmut Mining Co., and of the Clarion River Ry. Co., the road of which latter it operates as a leased line.

3. Refunding Plan.—Under date of Jan. 15, 1902, the company offered to the holders of its 1st mortgage 5 p. c. bonds, of which there are \$6,000,000 outstanding, the option of funding the interest due thereon for two years ending Aug. 1, 1903, in new 4 p. c. 50-year gold bonds bearing interest from Feb. 1, 1902, and of exchanging their bonds at par for similar new 4 p. c. bonds bearing interest from Aug. 1, 1903. The offer has been accepted by the holders of a majority of the 5 p. c. bonds, and the interest due Feb. 1, 1902, on the entire \$6,000,000 has been purchased by the company. The authorized amount of the 4 p. c. bonds is \$15,000,000, of which \$6,600,000 will be absorbed by the refunding of the 5s, while

the balance will be used in completing and extending the railroad, acquiring additional coal lands, and improving and developing the property generally. The bonds issued for refunding will be designated Series A, and those issued for other purposes, Series B. It is provided that until the entire \$6,000,000 of 5 p. c. bonds shall have been deposited under the agreement, such of them as are deposited shall be held by the trustee (Central Trust Co., New York, N. Y.) as security for the outstanding 4 p. c. bonds, and in the event of a default on the latter the payment of the 5 p. c. bonds shall be enforced. In addition to the property under the lien of the present mortgage (see Sec. 7) the new mortgage will cover the Kersey RR., the Kersey District coal fields, embracing about 15,000 acres of coal lands and mineral rights in Elk and Clearfield Counties, Pa., and other coal lands and mineral rights in Jefferson and Armstrong Counties, Pa.

7. Funded Debt outstanding consists of 1st mtge. 5 p. c. \$1,000 gold coupon bonds, dated Feb. 1, 1899, due Feb. 1, 1949, interest Feb. 1 and Aug. 1, at office of Marquand & Co., New York, N. Y. The authorized amount of these bonds is \$12,000,000. They are secured on the property of the railroad company and on the property of the Shawmut Mining Co., including 9,814 acres of coal land in Elk County, Pa., having an annual capacity of 1,000,000 gross tons. The stock of the mining company is owned by the railroad company and is deposited with the trustee as a further security for the bonds. Besides the coal properties in Elk County, the company has caused to be acquired in its interest additional coal lands in Jefferson County, and it is the purpose of the management later to extend the road southward to these coal fields and northward from Wayland to Macedon on the New York Central System. Of the total amount of bonds authorized by the mortgage, \$4,000,000 are reserved for these extensions, and \$2,000,000 for future needs of the company. By the terms of the mortgage, no bonds in excess of \$6,000,000 shall be issued until the company shall have caused to be conveyed to the trustee for the further security of all the bonds issued and to be issued, free from prior liens or encumbrances, coal lands, and mineral rights, in addition to coal lands and mineral rights now under the mortgage sufficient to furnish to the railroad company for transportation over its railroad, in addition to the output of the Shawmut coal mines, not less than 1,500,000 gross tons of merchantable coal in each year until and including the year in which the principal of the bonds shall mature; and shall also cause all of the capital stock of the mining company or companies operating said additional coal lands to be deposited with the trustee for the further security of the bonds. (See Section 3 for refunding plan.)

1. History.—Incorporated as Excelsior Enterprise Co., May 24, 1871. Name changed to National Co. Jan. 18, 1873, and to Reading Co., Dec. 7, 1896 (see MANUAL for 1898, page 710).

2. Permanent Investments.—The company owns practically the whole capital stock of the Philadelphia and Reading Ry. Co. and of the Philadelphia and Reading Coal and Iron Co. It also owns the \$20,000,000 purchase money mortgage bonds issued by the Philadelphia and Reading Ry. Co., together with the railway and marine equipment, and all the real estate of the old Philadelphia and Reading RR. Co., which was not appurtenant to the railroad itself. The equipment is leased to the Philadelphia and Reading Ry. Co., which agrees to keep unimpaired its carrying capacity and its working efficiency. An inventory of this equipment is given in the statement for the Philadelphia and Reading Ry. Co., Sections 5 and 6.

In addition to its interest in the stock and bonds of the P. & R. Ry. Co. and in the stock of the P. & R. C. & I. Co., the Reading Company is also interested in the securities of various other railroad companies closely identified with the Reading System, and owns practically all the stock of the Reading Iron Co.

Deduct: Sinking fund general mortgage loan, \$366,370.95; dividends paid (Sept 10, 1900, \$374,735.25; March 8, 1901, \$560,000), \$934,735.25—total, \$1,301,106.20. Net surplus, \$1,467,901.31.

6. Capital Stock.—All of the capital stock (except 2,000 shares of common stock) is deposited with Messrs. J. Pierpont Morgan and Frederic P. Olcott, of New York, and C. S. W. Packard, of Philadelphia, as voting trustees, under an agreement which provides that it shall be held by them until Jan. 1, 1902, and for such further period as may elapse before the first preferred stock shall have received cash dividends of 4 p. c. per annum for two consecutive years, although the voting trustees may, in their discretion, deliver the stock at any earlier date. Four semi-annual dividends have been paid on the first preferred stock, 1½ p. c. each in March and Sept., 1900, and 2 p. c. each in March and Sept., 1901.

It is provided that no additional mortgage shall be put upon the property acquired under the plan of reorganization, nor shall the amount of the first preferred stock authorized under said plan be increased, except with the consent, in each instance, of the holders of a majority of the whole amount of each class of preferred stock, given at a meeting of the stockholders called for that purpose, and with the consent of the holders of a majority of such part of the common stock as shall be represented at such meeting, the holders of each class of stock voting separately; also that the amount of the second preferred stock shall not be increased except with like consent by the holders of a majority thereof, and a majority of such part of the common stock as shall be represented at the meeting; except that at any time after dividends at the rate of 4 p. c. per annum shall have been paid for two consecutive years on the first preferred stock, the company may convert the second preferred stock at par, one-half into first preferred stock and one-half into common stock, and may increase said classes of stock by the necessary amounts. During the existence of the voting trust the consent of holders of like amounts of the respective classes of beneficial certificates is also necessary for any increase of stock other than for the purpose indicated. The Reading Co. reserves the right to redeem at any time either or both classes of its preferred stock at par in cash, if allowed by law.

7. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$92,914,190.59, as per general balance sheet—consisted of the several issues of bonds listed in the following statement (additional particulars will be found in the Ready Reference Bond List—see General Index):

\$66,262,000 00 gen. gold 4s of Jan. 1, 1907.	\$809,000 00 D. R. T. Ext. gold 5s of July 1, 1942.
1,048,190 59 bonds and mtges. on real estate.	1,295,000 00 W. & N. RR. stock trust certificates.
500,000 00 D. R. Term, gold 5s of May 20, 1942.	23,000,000 00 J. C. coll. gold 4s of April 1, 1951.

GENERAL MORTGAGE LOAN.—This loan is secured by a joint mortgage of the Reading Co. and the Philadelphia and Reading Coal and Iron Co. to the Central Trust Co. of New York, as trustee. Excepting mortgages and ground rents of an aggregate value of \$262,714.99, and excepting \$7,789,960.94 par value of canal securities, valued at \$1,000, the mortgage covers all the property, including stocks and bonds (except such few shares of stock as qualify directors, etc.), owned by the Reading Co., and all the property of the Coal and Iron Co., but subject to the prior liens referred to hereafter. It will also cover any property hereafter acquired through the use of gen. mtge. bonds. A list of the stocks and bonds of sundry companies deposited with the trustee under the mortgage will be found elsewhere in this statement. The amount of bonds authorized by the mortgage is \$135,000,000, of which \$67,086,000 had been issued June 30, 1901, but that amount included \$824,000 of bonds retired and cancelled. Of the \$66,262,000 listed in the statement of funded debt, \$62,857,000 represented bonds actually outstanding, the remaining \$3,405,000 being held in the treasury. It is provided that in any year in which dividends are declared or paid on either class of the capital stock a sum equal to 5 cents a ton on the anthracite coal mined during the preceding year from the lands of the Coal and Iron Co. shall be paid to the trustee under the mortgage, if the aggregate of dividends so declared shall be equal to or in excess of such sum, and otherwise such lesser sum as shall be equal to the aggregate of such dividends. The amounts thus received by the trustee are applied to the retirement of gen. mtge. bonds at a price not to exceed par and accrued interest, unless the Reading Company approves of the payment of a higher price. The trustee may also invest the amounts received under this provision in the securities in which the savings banks of the State of New York shall be at that time authorized to invest their funds. Of the \$67,914,000 of gen. mtge. bonds unissued on June 30, 1901, a sufficient amount was reserved for the retirement of the several issues of underlying bonds and real estate mortgages of the Reading Company, the railway company and the coal and iron company, and \$15,500,000 was reserved to be issued at not exceeding the rate of \$1,500,000 a year for the following purposes: (a) For the acquisition of additional shares of stock, if issued by the P. & R. Ry. Co., and of additional bonds of said company to be issued under its mortgage dated Nov. 18, 1896, such stock and bonds to be pledged under the Reading Company's mortgage; and (b) for the acquisition of railway lines, extensions, terminal properties or rolling stock, etc., etc., or for the construction of betterments.

WILMINGTON AND NORTHERN STOCK TRUST CERTIFICATES.—Secured by \$1,495,200 of the capital stock of the Wilmington and Northern RR. Co. deposited in trust with the Girard Trust Co., Philadelphia, Pa. The trust certificates are redeemable at 105 p. c. and accrued interest.

JERSEY CENTRAL COLLATERAL TRUST BONDS.—Secured on \$14,500,000 of the capital stock of the Central RR. of New Jersey; \$1,495,000 of the capital stock of the Perkiomen RR. Co., and \$440,000 of the capital stock of the Port Reading RR. Co., all of which are deposited in trust with the Pennsylvania Co. for Insurances on Lives and Granting Annuities, of Philadelphia, Pa. The authorized issue is \$45,000,000, but the remainder can be issued only for the purpose of acquiring additional shares of the capital stock of the Central RR. Co. of New Jersey, which are to be likewise deposited under the mortgage. The bonds are subject to redemption at 105 p. c. and accrued interest, on any interest date after April 1, 1906, on six months' previous notice.

Wilmington and Northern RR.: \$354,000 1st 5s of Dec. 1, 1927, interest guaranteed by the Philadelphia and Reading Ry. Co. under the terms of the lease; and \$406,000 gen. gold 5s of Aug. 1, 1932, endorsed guaranteed as to principal and interest by the Reading Co.

9. Equipment Trust Obligations.—Under date of Dec. 26, 1899, a car trust deed (now known as Series A) for \$3,600,000 was executed, with A. T. Stotesbury of Philadelphia, as lessor and trustee. The trust runs to July 1, 1907, with interest at 4 p. c. per annum, payable Jan. and July, at the office of Drexel & Co., Philadelphia, Pa. The principal is to be paid in semi-annual installments of \$252,000 each up to and including Jan. 1, 1907, and one payment of \$324,000 on July 1, 1907. These payments will be made from the renewal fund. The trust covers 30 locomotives, 30 passenger cars, 500 box freight cars, 200 refrigerator cars, 2,500 wooden coal cars and 1,000 gondola cars. Under date of Sept. 1, 1901, there were issued \$3,200,000 of railroad and marine trust certificates, payable \$200,000 semi-annually from March 1, 1902, to Sept. 1, 1909, with interest at the rate of 4½ p. c. per annum, payable March and Sept. at the office of Drexel & Co., Philadelphia, Pa. The certificates are payable in gold, both principal and interest. Trustee: Girard Trust Co. of Philadelphia, Pa. The trust certificates do not appear on the general balance sheet of the Reading Co., or of the Philadelphia and Reading Ry. Co., as they were not issued by either company.

PHILADELPHIA AND READING COAL AND IRON COMPANY.

1. History.—Chartered as Laurel Run Improvement Co., May 18, 1871, for the purpose of acquiring and operating the coal properties with which the P. & R. RR. was connected. Present name adopted Dec. 12, 1871. (See MANUAL for 1899, page 185.) Controlled by the Reading Company through ownership of the capital stock. The company owns 86,691 acres of coal land, valued at \$76,289,489.85, controls 9,852 acres and leases 7,429 acres. All of the properties and franchises of the company are covered by the general mortgage of the Reading Company.

2. Operations, year ending June 30, 1901.—Tons anthracite coal mined by company (from lands owned, 6,697,121.13; from lands controlled, 326,897.11; from other lands, 992,916.14), 8,016,935.18; tons purchased, 967,434.11; tons sold, 9,100,516.02. On hand, 424,806.14 tons. 4. Divisional Bonds.—The divisional coal land mtge. bonds are dated and due as follows: \$85,500 dated 1872, due 1902; \$72,000 dated 1882, due 1902; \$206,000 dated 1884, due 1904; \$16,500 dated 1893, due 1903. These bonds bear interest at 5 p. c. and 6 p. c. per annum. General mtge. bonds of the Reading Co. to an equal amount will be issued in place of them as fast as they are retired.

5. Collateral Sinking Fund Bonds.—The collateral sinking fund loan was issued in 1892 by the Philadelphia and Reading RR. Co., and was assumed by this company in the reorganization of 1896. It matured on Feb. 1, 1902, but was extended to Feb. 1, 1932, the rate of interest being reduced to 4 p. c. per annum, and the sinking fund charge to the fixed sum of \$30,000 per annum. The bonds are for \$1,000 each, in coupon form, with privilege of registration. Principal and interest, free of all taxes, are payable in gold, at the Reading Terminal, Philadelphia, Pa.

6. Coal Trust Certificates.—The coal trust certificates (\$1,000 each) are dated April 2, 1894, and mature April 1, 1904. They bear interest at the rate of 6 p. c. per annum, payable Jan., April, July and Oct., at the Pennsylvania Co. for Insurances on Lives and Granting Annuities, Philadelphia, Pa. Both principal and interest are payable in gold. The loan is secured by pledge with the Finance Co. of Pennsylvania of the coal and the coal accounts of the P. & R. Coal and Iron Co., the issue of securities being limited to an amount which will leave 25 p. c. of value in the hands of the Finance Co.

7. Stocks and Bonds Owned.—The company owns stocks and bonds of separate coal companies as follows: *Stocks*—Preston Coal and Improvement Co., \$2,834,150; Fulton Coal Co., \$285,916.50; Locust Gap Improvement Co., \$499,909; Tremont Coal Co., \$2,958,850; Mammoth Vein Coal and Iron Co., \$604,990; Delaware Coal Co., \$263,150—total, \$7,446,965.50. *Bonds*—Preston Coal and Improvement 7 p. c. mtge. bonds, \$1,087,000; Tremont Coal Co. 6 p. c. mtge. bonds, \$900,000; Mammoth Vein Coal and Iron Co., \$290,000—total, \$2,277,000. Nearly all of the stocks just named are subject to the consol. mtge. of 1871-1911, and all of them are covered by the joint general mortgage executed by this company and the Reading Co. (see page 139). The bonds (except \$81,000 Mammoth Vein Coal and Iron Co., which are held in the treasury) are deposited as collateral for the \$1,621,000 sinking fund loan of 1892 issued by the P. & R. RR. Co. but assumed by the Coal and Iron Co., and they are also covered by the joint general mortgage of this company and the Reading Co.

8. Sinking Fund.—As stated on page 139, the joint general mortgage of this company and the Reading Co. requires a sinking fund of five cents a ton on coal mined from the lands of this company to be set aside before the payment of dividends. This company sets aside annually an additional five cents for each ton mined so as to make reasonable provision against the depletion of its estate. The total amount of interest-bearing securities and cash in this fund on June 30, 1901, was \$1,191,054.01, of which \$413,052.89, set aside from the earnings of the fiscal year, had not been invested, but was included in the item "cash and current assets" on the general balance sheet. The fund will be used from time to time for the acquisition of additional coal properties and the construction of collieries, whenever such acquisition or construction is considered essential to the business interests of the company, and for the several business necessities of the company not otherwise provided for.

The dates of merger and lease of the several roads are shown in a table corresponding with the preceding one in the MANUAL for 1898, on page 715. (See separate statements for leased lines, subjoined hereto—Sec. 13.)

2. History.—Organized Nov. 16, to take over the railroads (but not the equipments and other property) of the Philadelphia and Reading RR. Co., which were sold under foreclosure Sept. 23, 1896. (See MANUAL for 1898, page 716.) The company controls the roads formerly leased to the Philadelphia and Reading RR. Co., either by transfer of the old leases or by new leases made since Nov. 30, 1896. It leases from the Reading Co. the railway and marine equipment which it uses in the conduct of its business, and a number of wharves and warehouses on the Delaware River, between South Street and Queen Street, Philadelphia.

The Reading Belt RR. is building around the city of Reading, Pa., a distance of 7.4 miles. The construction of this line will relieve the main line of the movement of all through freight and coal trains through the business part of Reading, and will permit the interchange outside of the city of the business of the main line and the Lebanon Valley branch. The work is estimated to cost about \$1,500,000. The capital stock of the Reading Belt RR. Co. is \$750,000, which has been provided for, and the balance of the money needed will be provided out of an issue of \$750,000 of 4 p. c. mtge. bonds, which has been sold. The Reading Co. owns the capital stock, and guarantees the bonds, both principal and interest.

3. Business, Terminal Facilities and Route of Road.—The chief business of this company is the transportation of coal from the first and second anthracite coal fields in Pennsylvania to tide-water in the Delaware River, at Port Richmond, Philadelphia, and in New York harbor at Port Reading, N. J. The Port Richmond terminals cover 140 acres of land and con-

FIRST MORTGAGE BONDS.—Secured by a mortgage dated May 31, 1843, on the railroads and property of the P. & R. RR. Co.

SECOND MORTGAGE BONDS.—Secured on the same property as the 1st mtge. bonds, but subject in lien thereto.

CONVERTIBLE MORTGAGE BONDS.—Secured by third mortgage on the railroads and property of the P. & R. RR. Co.

GOLD MORTGAGE BONDS.—Secured by fourth mortgage on the railroads and property of the P. & R. RR. Co.

CONSOLIDATED MORTGAGE BONDS.—Secured by mortgage dated June 1, 1871, to the Fidelity Insurance, Trust and Safe Deposit Co. of Philadelphia, as trustee, on the main line, the Lebanon Valley Branch, 54 m., the Lebanon and Tremont Branch, 55 m., and the Mahanoy and Shamokin Branch, 55 miles. There is provision for a sinking fund of 1 p. c. to be applied to purchases at or under par of the 6 p. c. bonds, or at 107 p. c. of the 7 p. c. bonds; the sinking fund to be invested if bonds are not obtainable at those prices.

IMPROVEMENT BONDS.—Secured by mortgage dated Oct. 1, 1873, to the Pennsylvania Co. for Insurances on Lives and Granting Annuities of Philadelphia, as trustee, on the property covered by the consolidated mortgage of 1871. The Reading Co. joins with the P. & R. Ry. Co. in guaranteeing the interest on these bonds.

CONSOLIDATED MORTGAGE BONDS OF 1882.—The consols of 1882, 1st Series, are secured on the property formerly of the Philadelphia and Reading RR. Co., and on the property of the Philadelphia and Reading Coal and Iron Co., but subject to prior liens. (See Manual for 1899, page 191.) Interest is payable in gold in Philadelphia or in London. Both principal and interest are guaranteed by the Reading Co.

CONSOLIDATED MORTGAGE BONDS OF 1883.—The consols of 1883, 2d Series, have been all retired, there being outstanding only \$1,535 of fractional certificates, upon which no interest is paid. (See Manual for 1899, page 191.)

TERMINAL MORTGAGE BONDS.—The Philadelphia and Reading Terminal RR. bonds are a first lien on all the property of the Terminal Co., and are further secured by deposit with the trustee of the entire capital stock of the Terminal Co. They were assumed by the P. & R. Ry. Co. in the reorganization of 1896.

PURCHASE MONEY LOAN.—The purchase money mortgage 6 p. c. loan for \$20,000,000 is in one bond, dated Nov. 18, 1896, and is held by the Reading Co. The mortgage securing that bond authorizes additional bonds up to \$10,000,000, and an equal amount of additional capital stock, both of which may be issued from time to time to the Reading Co. to be deposited under the joint general mortgage of 1897.

CITY OF PHILADELPHIA SUBWAY LOAN.—To meet the cost of building the subway, the City of Philadelphia authorized an issue of \$6,000,000 bonds, of which the receivers of the Philadelphia and Reading RR. were authorized to guarantee \$3,000,000, principal and interest. The \$2,700,000 listed on the General Balance Sheet are part of this amount. There are outstanding \$8,000 3 p. c. bonds due in 1904, and \$2,692,000 3½ p. c. bonds due in annual installments from 1904 to 1921. They are due after ten years from the date of the loan in twenty annual installments. The bonds were assumed by the P. & R. Ry. Co. in the reorganization of 1896. Interest payable at the City Treasury, Philadelphia, Pa.

9. Funded Debt.—The funded debt outstanding on Dec. 31, 1901—total, \$46,684,100, as per general balance sheet—consisted of the following issues (*additional particulars are in the Ready Reference Bond List—see General Index*):

\$1,167,000 consol. 7s of Nov. 1, 1902, int. M. & N.	\$28,938,000 Gen. Coup. 5s of July 1, 1907, int. J. & J.
54,000 Conv. Deb. 6s of May 1, 1908, int. M. & N.	179,100 R. E. Mtges. at 4½ and 5 p. c.
14,986,000 Gen. Reg. 5s of July 1, 1907, int. quarterly.	1,360,000 Equipment 4s, int. J. & D.

The authorized issue of gen. mtge. bonds is \$50,000,000, of which the trustee holds \$1,221,000 to cover the outstanding prior lien bonds, while the remaining \$4,855,000 bonds are in the treasury available for other purposes. The total amount of equipment bonds is \$1,530,000, but \$486,000 bonds are held in the treasury. The 7 p. c. bonds of Nov. 1, 1902, were issued as plain debentures, but became secured by the consolidated mortgage dated Sept. 1, 1874. They are secured by first mortgage on the main line and on the branches from Jersey City to Newark and from Elizabeth to Perth Amboy. The gen. mtge. bonds are secured on the same property as, but subject to the lien of, the bonds of 1902, and are secured by first mortgage on the remainder of company's property.

10. Guaranties.—The Central RR. Co. of New Jersey guarantees, both as to principal and interest, \$4,987,000 American Dock and Improvement Co. 1st 5s of July 1, 1921, and \$12,175,000 (see Sec. 11) Lehigh and Wilkesbarre Coal Co. consol. gold 4½s of June 1, 1910. The Central RR. Co. of New Jersey and the Lehigh Coal and Navigation Co. guarantee by endorsement, jointly and severally, \$1,062,000 Lehigh and Hudson River RR. gen. gold 5s of July 1, 1920, both as to principal and interest. The Central RR. Co. of New Jersey, and the Pennsylvania RR. Co. jointly guarantee the interest on the bonds of the New York and Long Branch RR. Co. (\$192,000 5s and \$1,500,000 4s), under the terms of the lease.

Mauch Chunk, Summit Hill and Switchback RR.—Mauch Chunk, Pa., to Summit Hill, Pa., 9 miles. This gravity road was built in 1826 for the transportation of coal from Summit Hill to

the Lehigh River at Mauch Chunk. The empty cars were hauled back by mules, brought down in a car for that purpose with the coal. For the return of the empty cars there were built in 1844 two inclined planes—Mt. Pisgah, 2,322 ft. long and 900 ft. rise above Mauch Chunk and Mt. Jefferson, 2,070 ft. long and 462 ft. rise—making an entire circuit of 18 miles. It was abandoned for transportation of coal in 1870, and has been operated since exclusively as a pleasure road. It is leased from the owners, the C. R. R. of N. J., by Alonzo P. and Asa P. Blakslee, of Mauch Chunk, and is operated from May 15 to Nov. 1, each year. Equipment: 18 8-wheel passenger cars, 7 4-wheel passenger cars, 4 8-wheel coal cars, 1 8-wheel flat car, 1 8-wheel water car, and 3 4-wheel workmen's trucks.

ULSTER AND DELAWARE RAILROAD COMPANY (THE).

Main Line of Road.—Kingston Point to Oneonta, N. Y. 107.26 miles.
Kaaterskill Branch: Kaaterskill Junction to Kaaterskill, N. Y. 7.56 " "
Hunter Branch: Phœnicia to Hunter, N. Y. 14.08 " "

Total mileage operated 128.90 miles.
 Sidings, 24.67 miles. Gauge, 4 ft. 8½ in. Rail (steel, 149.64 m.), 60 to 90 lbs.

History.—Consolidation, effective Jan. 1, 1902, of the Ulster and Delaware R. R. Co., the Delaware and Otsego R. R. Co., the Hobart Branch R. R. Co., the Kaaterskill R. R. Co., and the Stony Clove and Catskill Mountain R. R. Co. The Ulster and Delaware R. R. Co., owner of the line from Kingston Point to Stamford, N. Y., 74.31 miles, was a reorganization (June 11, 1875) of the New York, Kingston and Syracuse R. R. Co. The Hobart Branch R. R. Co., chartered March 5, 1884, built the road from Stamford to Hobart, N. Y., 3.52 miles, opening it for business on Dec. 1, 1884. It was leased for 999 years from June 1, 1888, to the Ulster and Delaware R. R. Co. The line from Hobart to Oneonta, N. Y., 29.43 miles, was built under the charter (granted May 5, 1887) of the Delaware and Otsego R. R. Co., the section from Hobart to Bloomville, 8.79 miles, being opened on May 20, 1891, and the extension to Oneonta ten years later. The road was leased to the Ulster and Delaware R. R. Co. for 999 years from Feb. 1, 1893. The Stony Clove and Catskill Mountain R. R., from Phœnicia to Hunter, N. Y., 14.08 miles, was built under a charter granted on Jan. 18, 1891, and was opened throughout on June 24, 1892. The Kaaterskill R. R. Co. was chartered Nov. 23, 1882, and its road, from Kaaterskill Junction to Kaaterskill, 7.56 miles, was opened June 25, 1883. On June 1, 1893, the securities of both the Kaaterskill R. R. Co. and the Stony Clove and Catskill Mountain R. R. Co. were acquired by the Ulster and Delaware R. R. Co., but their properties were operated independently until June 30, 1900, when they were leased to the Ulster and Delaware R. R. Co. for the term of 999 years. The Ulster and Delaware R. R. Co. also owned the capital stock of the Delaware and Otsego R. R. Co. and of the Hobart Branch R. R. Co. In the consolidation the stockholders of the Ulster and Delaware R. R. Co. received share for share in the capital stock of the consolidated company; the capital stocks of the other parties to the consolidation were cancelled.

Sidings, etc. (owned, 34.11 m.; leased, 39.46 m.), 73.57 miles. Gauge, 4 ft. 8½ in. Rail—iron, 56 lbs.; steel (owned, 110.34 m.; leased, 199.06 m.—total, 309.40 m.), 60, 70, and 80 lbs.

2. Operating Divisions.—The railroad is operated in two grand divisions—the First Division, embracing the Western Maryland proper, the Baltimore and Cumberland Valley lines, the Potomac Valley RR., and the Washington and Franklin Ry., and the Second Division, consisting of the Baltimore and Harrisburg lines.

3. Auxiliary Roads.—The following roads are part of the Western Maryland system, but are not controlled or operated by the Western Maryland RR. Co.: Emmitsburg RR., 6.8 miles; Monocacy Valley RR., 3.9 miles; Bachman Valley RR. of Md., 5 miles; Berlin Branch RR., 7 miles; a total of 22.7 miles of road with 2.76 miles of sidings.

4. Trackage and Traffic Contracts.—The company has trackage rights over 2.7 miles of railroad in Baltimore (from Madison Street to Fulton Junction), owned jointly by the Northern Central Ry. Co. and the Baltimore and Potomac RR. Co. Under an arrangement effective March 12, 1899, this company and the Philadelphia and Reading Ry. Co. supply motive power for through freight service between Hagerstown, Md., and Harrisburg, Pa., in proportion to interested mileage, Western Maryland engines running through to Harrisburg and Philadelphia and Reading engines to Hagerstown. All interchanges of business made through the Cumberland Valley between the Philadelphia and Reading Ry., the Baltimore and Ohio RR. and the Norfolk and Western Ry. pass over this road.

5. History.—Chartered March 21, 1853; road opened Dec. 17, 1873. (See MANUAL for 1891, page 572.) On May 27, 1902, the entire interest of the city of Baltimore in this company was sold to a syndicate for the sum of \$8,751,370.45. The ordinance under which the sale was made imposed upon the syndicate a contractual obligation to build terminals in the city of Baltimore costing not less than \$3,000,000, this undertaking to be ultimately secured by the deposit of \$3,000,000 bonds upon the railroad, the proceeds of which will be available for the construction and acquisition of terminals and terminal property.

Baltimore City 6 p. c. stock to the amount of \$1,000,000, loaned to the company on its fourth mortgage in 1872, matured and was retired by application of proceeds of an equal amount of 3½ p. c. city stock, which has had the effect of reducing the company's fixed charges \$25,000 per year. The company has been able to pay all of its interest, and thereby fully relieve the city from bearing any portion of it, since July 1, 1900.

6. Rolling Stock, Sept. 30, 1901.—Locomotives, 71. Cars—passenger, 51; combination, 10; parlor, 1; baggage, mail, and express, 14; milk, 1; market, 1; freight (box, 391; gondola, 277; stock, 51; refrigerator, 5; cabin, 21), 745; Russell snow-plows, 3; service cars, 189—total cars, 1,015. Also 26 coal dumps. Of these, 99 box cars are leased.

Funded Debt and Plan of Reorganization.—The funded debt outstanding on June 30, 1901, consisted of \$250,000 1st 6s of Feb. 2, 1921, and \$75,000 2d 6s of May 1, 1924. Default was made on 2d mtge. interest in May, 1899, and on 1st mtge. interest in Feb., 1902. A suit to foreclose the 1st mortgage resulted in the appointment on June 8, 1902, of a receiver (who was already in possession under a foreclosure action brought by 2d mortgage trustee) and an order of sale returnable July 24, 1902. A plan of reorganization has been proposed in the interest of the 1st mortgage bondholders and extinguishing the 2d mtge. bonds and the capital stock. Under this plan it is proposed to reorganize the company with a share capital of \$250,000 and to issue \$250,000 new 1st mtge. bonds, bearing 3 p. c. interest, these bonds to be issued at par to holders of old 1st mtge. bonds. The disposition to be made of the new capital stock is not stated. The holders of more than four-fifths of the 1st mtge. bonds had assented to this plan on May 21, 1902, and it was expected that the plan would be fully agreed to and all arrangements made for issuing the new securities by July 1, 1902.

Certificates of Indebtedness.—The 5 p. c. certificates are authorized to the amount of \$6,000,000, the \$1,000,000 unissued being reserved for the general purposes of the company. They are irremediable, save that they rank as a claim against the company in preference to the capital stock only. The 4 p. c. certificates are redeemable at the option of the company at any time after 20 years from Nov. 1, 1900, at 105 p. c. and accrued interest. The \$11,000,000 of securities of controlled companies designated on the General Balance Sheet are deposited in trust with the Safe Deposit and Trust Co. of Baltimore, Md., to secure the principal and interest of both issues of certificates equally. Interest is payable (on 5s, J. & D.; on 4s, J. & J.), if earned in each half year, and is non-cumulative. It takes precedence of dividends on the stock only. The certificates are in denominations of \$100 and multiples thereof. They are in registered form, but are transferable on the books of the company when an assignment is endorsed on them. It is provided that no mortgage can be made on the company's property without the consent of at least two-thirds in amount of the certificates then outstanding, given at the meeting of the stockholders at which such mortgage may be authorized, certificate holders to have the right of casting one vote for every \$100 of certificates held by them. It is also provided that in case of any such mortgage being authorized the holders of the certificates of indebtedness are to have the option of exchanging these at par in lots

of \$1,000 or multiples thereof for the bonds or other evidences of indebtedness secured by such mortgage, it being required, however, that the company shall be notified within sixty days after the date of the meeting at which the mortgage may be authorized, of any desire to make such an exchange.

2. History.—Consolidation, effective May 1, 1900, of the Atlantic Coast Line RR. Co. of Virginia, the Atlantic Coast Line RR. Co. of South Carolina, the Norfolk and Carolina RR. Co., the Wilmington and Weldon RR. Co., and the Southeastern RR. Co. of North Carolina (see MANUAL for 1901, pages 329-330). On May 13, 1902, the company was consolidated with the Savannah, Florida and Western Ry. Co., the consolidated corporation retaining the name of Atlantic Coast Line RR. Co. The consolidation went into effect on July 1, 1902, after which the mileage operated by the company was as follows:

Lines owned on June 30, 1901, as shown in Sec. 1.....	1,716.20 m.	
Acquired by consolidation with S., F. & W. Ry. Co.....	1,779.77 m.—	3,495.97 miles.
Lines operated under lease, June 30, 1901, as shown in Sec. 1.	53.99 m.

Joint trackage rights, June 30, 1901, as shown in Sec. 1....	31.19 m.	
Rights acquired from S., F. & W. Ry. Co.....	22.83 m.—	54.02 "
Total length of lines operated by A. C. L. RR. Co., July 1, 1902.....	3,631.77 miles.	

3. Leases and Trackage Contracts.—The Central RR. of South Carolina is leased at a rental of \$31,000 a year, and the South Carolina Pacific Ry. at a rental of the interest on its bonds. The Wilmington Street Ry. Co.'s dummy line is leased until 1935, at a rental of \$3,000 a year. The tracks of the Seaboard and Roanoke RR. are used to reach the railroad shed at Weldon, N. C., the company paying as rental under the contract \$469.34 a month, besides one-half the cost of maintenance, etc. Under the contract with the Charleston and Western Carolina Ry. Co., this company's trains are run solid, from Robbins, S. C., into and out of Augusta, Ga., making the Atlantic Coast Line RR. an initial line at the latter point.

4. Joint Interests.—This company and the Louisville and Nashville RR. Co. are joint lessees of the Georgia RR. and joint owners of the Atlanta Belt Line Co. This company owns a one-sixth interest in the Richmond-Washington Co. and a one-third interest in the Chesapeake Steamship Co. The Richmond-Washington Co. is a corporation formed for the purpose of operating the railroad connecting the south end of the Long Bridge, at Washington, D. C., with Richmond, Va. The Chesapeake Steamship Co. operates steamship lines between Baltimore and Norfolk, and between Baltimore and York River in Virginia. The Wilmington Ry. Bridge, whose length, 2.15 miles, is included in the mileage of the Pee Dee Division in Sec. 1, is owned by this company and the Seaboard Air Line RR., conjointly, and its bonds are guaranteed by the owners each, one-half. A joint passenger station at Columbia, S. C., has been constructed by this company and the Southern Ry. Co., and committees have in charge the erection of union passenger stations at Augusta, Ga., and at Charleston, S. C.

8. Capitalization of Consolidated Company, July 1, 1902.—The capital liabilities of the consolidated company upon the completion of the consolidation will be about as follows: Common stock, \$23,150,000; preferred stock, 5 p. c. non-cumulative, \$18,850,000; certificates of indebtedness, \$5,880,000; bonded debt, \$66,134,000; equipment notes, \$200,000—total, \$114,214,000. The common stock includes the \$1,000,000 Class A stock of the Atlantic Coast Line RR. Co. of Virginia, which is exempt from taxation in that state (see Manual for 1900, page 345). Par value of capital stock, \$100 per share.

9. Certificates of Indebtedness.—These are in three issues as follows: \$2,500,000 irredeemable certificates, issued as a scrip dividend in 1887 by the Wilmington and Weldon RR. Co., interest 7 p. c. per annum, payable April and Oct., if earned, non-cumulative; \$350,000 special trust 6 p. c. certificates due in 1937, issued by the Wilmington and Weldon RR. Co., interest May and Nov.; and \$3,000,000 4 p. c. certificates issued by the Atlantic Coast Line RR. Co., delivered in exchange for the preferred stock of the Atlantic Coast Line RR. Co. of S. C., and used for other purposes, interest Jan. and July. Interest payable at office of treasurer, Wilmington, N. C.

9a. Retirement of Certificates of Indebtedness.—In the mortgage securing the new 1st consol. mtg. bonds (see Sec. 11) an amount of the new bonds was set apart for the purpose of taking up and discharging the three issues of certificates of indebtedness. On July 10, 1902, the holders of more than 75 p. c. of the certificates had consented to the terms of exchange.

10. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$18,646,500, as per general balance sheet—consisted of the several issues of bonds, listed in the following statement. Additional particulars respecting any issue will be found in the paragraph relating thereto subjoined to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the Ready Reference Bond List—see General Index:

CHEEAW AND DARLINGTON RR. BONDS.—Secured by first mortgage on the Wadesboro and Hartsville Branches, together 74.52 miles in length.

10a. First Consol. Mtge. Gold Bonds.—On June 16, 1902, the company executed a mortgage to the United States Trust Co. of New York, as trustee, to secure an issue of \$80,000,000 of 4 p. c. bonds, which were authorized in the consolidation with the Savannah, Florida and Western Ry. Co., to pay part of the cost of the property acquired from that company, to take up all underlying liens upon the consolidated railways, to improve and equip those railways and to acquire additional railways and railway property. The bonds may be issued at not exceeding the rate of \$20,000 per mile of completed railway, including all underlying bonds. Of the \$80,000,000 authorized, \$31,034,000 were set apart for the purpose of discharging \$12,451,000 consol. mtge. bonds of the Savannah, Florida and Western Ry. Co., \$5,880,000 certificates of indebtedness of the Atlantic Coast Line RR. Co. (see Sec. 9) and an indebtedness of \$10,638,000 contracted in the consolidation; \$35,102,000 are reserved to take up \$18,646,500 underlying bonds of the Atlantic Coast Line RR. Co. (see Sec. 10) and \$16,455,500 underlying bonds of the Savannah, Florida and Western Ry. Co. (see statement for that company); and the remaining \$13,864,000, together with any bonds not needed for the purposes mentioned before, are to be issued from time to time for the acquisition of additional railways and railway property, and for improvements and additional equipment. There have been issued \$23,089,000 bonds of the \$31,034,000 lot, for the retirement of the \$12,451,000 consol. mtge. bonds of the Savannah, Florida and Western Ry. Co., and in part payment of the property acquired from the same company; and it is announced that the holders of more than 75 p. c. of the certificates of indebtedness have agreed to accept the terms of exchange offered for their certificates. The bonds are secured, subject to prior liens, on the entire property of the company except lands not used or intended to be used for railway purposes, and will be secured on any railways hereafter acquired by issue of bonds secured by the same mortgage. Through the retirement of the consol. mtge. bonds of the Savannah, Florida and Western Ry. Co. they are now secured by first mortgage on the following lines: High Springs to Archer, Fla., 23.06 m.; Morriston to Juliette, Fla., 12.30 m.; Inverness to Bartow, Fla., 75.42 m.; Sanford to Port Tampa, Fla., 123.76 m.; Sanford to Lake Charm, Fla., 17.60 m.; Sanford to Lake Eustis, Fla., 28.62 m.; Astor to Leesburg, Fla., 37.94 m.; Fort Mason to Lane Park, Fla., 9.48 m.; Kissimmee to Narcoossee, Fla., 14.40 m.; Bartow Junction to Bartow, Fla., 16.20 m.; Tampa Junction to Thonotosassa, Fla., 13.33 m.; Thomasville, Ga., to Monticello, Fla., 23.97 m.; Walterboro to Ehrhardt, S. CONSOLIDATED MORTGAGE BONDS.—The total amount of these bonds authorized is \$18,500,000, the unissued bonds being reserved for betterments and equipment for the property covered by the mortgage, not more than \$500,000 thereof to be issued in any fiscal year. The bonds are a first lien on the Savannah and Western system, 482 miles; on the Montgomery and Eufula RR., 80 miles, and on the Savannah and Atlantic RR., 18 miles; and a second lien on the main line (Savannah to Atlanta, and Milledgeville branch, 312 miles; on the Mobile and Girard RR., 138 miles, and on the Macon and Northern Ry., 102 miles—total of 1,132 miles. In addition they are secured by deposit in trust of \$43,100 stock of the Atlanta and West Point RR., \$34,941 stock of the Upson County RR., \$70,000 preferred and \$250 common stock of the Wrightsville and Tennille RR., \$144,000 stock of the Southwestern RR., \$499,500 stock of the New England and Savannah SS. Co., \$160,000 stock of the Savannah and Ogeechee Canal Co., \$10,000 bonds of the Sylvania RR., \$25,000 bonds of the Louisville and Wadley RR., and \$25,000 bonds of the Talbotton RR. They are also a third lien on the \$1,995,000 stock of the Ocean Steamship Co., deposited under the collateral trust deed and a second lien on the other stocks pledged under that deed. Finally, the bonds are secured by a consolidated mortgage on the entire property of the company, now owned or which may be acquired hereafter. (See Manual for 1896, page 425.)

COLLATERAL TRUST BONDS.—These are a direct obligation of the company, and are additionally secured by deposit in trust of the following securities: \$145,400 capital stock of the Atlanta and West Point RR. Co., \$1,995,000 capital stock of the Ocean Steamship Co. of Savannah, \$1,500,000 capital stock of the Western Ry. Co. of Alabama, and \$1,589,000 income bonds of the Charleston and Western Carolina Ry. Co. The bonds are subject to redemption at 110 p. c. and accrued interest on six months' notice.

PREFERRED INCOME BONDS.—These three issues, in the order of their priority, cover the Savannah and Western, Columbus and Rome, and Savannah and Atlantic RRs., and their equipment, property, etc. They are also a third lien on the main line and a second lien on all leaseholds, securities, and equities of properties acquired by the Central Ry. of Georgia. Interest is payable only out of net earnings as declared, and is not to exceed the rate of 5 p. c. per annum, non-cumulative.

7. Guaranties.—The Central of Georgia Ry. Co. guarantees, both as to principal and interest, \$1,000,000 1st mtge. 5 p. c. gold bonds of the Ocean Steamship Co. of Savannah, maturing July 1, 1920, and guarantees dividends at the rate of 5 p. c. per annum on \$1,022,900 capital stock of the Augusta and Savannah RR. Co., and on \$5,191,100 capital stock of the Southwestern RR. Co. There is also a fixed charge of \$34,404 per annum for rental of the Chattahoochee and Gulf RR., besides \$5,000 annuity payable to the city of Macon, Ga.

8. Investments.—Stocks pledged under collateral trust bonds, \$3,040,400; bonds pledged under collateral trust bonds, \$467,500; stocks pledged under consolidated mtge. bonds, \$1,301,291; bonds pledged under consolidated mtge. bonds, \$52,500; stocks unpledged, \$80,772.53; bonds unpledged, \$41,977.11; leased rails, \$48,781.23; miscellaneous, \$4,500—total, \$5,037,721.87.

1. History.—Consolidation in Aug., 1868, of the Virginia Central RR. Co. and the Covington and Ohio RR. Co.; foreclosed and reorganized on July 1, 1878; again reorganized, but without foreclosure, on Oct. 1, 1888. The extension to Cincinnati, comprising the Maysville and Big Sandy RR., the Covington Short Route Transfer Ry., and the property of the Covington and Cincinnati Elevated RR. and Transfer and Bridge Co., was opened on Jan. 1, 1889. The Richmond and Allegheny RR. was leased on May 20, 1889, and absorbed by consolidation on Jan. 20, 1890. The line to Washington, operated jointly with the Southern Ry. Co. and the Philadelphia, Wilmington and Baltimore RR. Co., was opened on April 1, 1891. The Elizabethtown, Lexington and Big Sandy, the Ohio and Big Sandy, and the Kentucky and South Atlantic RRs. were acquired in 1892. In the following year a controlling interest was acquired in the Chesapeake and Ohio Steamship Co., and that company's line was opened from Newport News to Liverpool and London. In 1895 arrangements were made for running trains into Louisville, Ky., and for making connection there with the Cleveland, Cincinnati, Chicago and St. Louis Ry., by the purchase of a one-third interest in the Louisville and Jeffersonville Bridge Co. (the C. C. & St. L. Ry. Co. acquiring the other two-thirds), and by acquiring trackage rights over the Louisville and Nashville RR., between Lexington and Louisville. The Louisville Line was opened on April 1, 1896.

During the year ending June 30, 1900, the company purchased the securities of the Ohio River and Charleston Ry. Co. of Ky. and of the Coastwise Steamship Co. The latter owns 2 ocean tugs and 15 barges, and leases 3 steamers engaged in the coal-carrying trade between Newport News and New England. The fleet is leased to the Chesapeake and Ohio Coal Agency Co. for one year from July 1, 1901, for an amount believed to be sufficient to pay insurance, cost of repairs, and interest on the bonds.

The track elevation through Richmond, Va., referred to in the MANUAL for 1901, on page 340, was practically completed at the close of the fiscal year, and the union passenger

station was occupied by the joint owners (the Seaboard Air Line Ry. Co., and the Chesapeake and Ohio Ry. Co.) on Nov. 1, 1901.

The Greenbrier Ry. was completed from Whitcomb to Marlinton, 56.2 miles, on Jan. 1, 1901, and from Marlinton to Cass, 24.6 miles, on June 1, 1901. The grading and bridging on the remaining 14 miles were completed at the close of the fiscal year, and track laying was expected to be completed by Nov. 1, 1901. This line will be leased by the C. & O. Ry. Co., and operated as the Greenbrier Division.

The Piney Creek Branch, from Prince to Raleigh, W. Va., 13.6 miles, was completed and placed in operation July 1, 1901; also the Guyandot Valley Ry. from Barboursville to Midkiff, W. Va., 26.5 miles.

The Greenbrier and New River RR. extension, on the south side of New River, was completed, except as to the laying of the rails, at the close of the fiscal year, and was expected to be in operation by Oct. 1, 1901.

The Glen Jean, Lower Loup and Deep Water RR.—a coal branch 3.6 miles in length, intersecting with the Loup Creek Branch near Glen Jean Station—was purchased for the sum of \$75,100, and the capital stock (751 shares) deposited with the Central Trust Co., in compliance with the terms of the general mortgage.

In Oct., 1901, the company purchased the coal terminals at Cincinnati formerly owned by the Kineon Coal Co., paying therefor \$125,000 in cash and assuming \$200,000 of outstanding bonds (see Sec. 11a).

25,858,000 1st consol. gold 5s of May 1, 1939.

6,000,000 R. & A. Div. 1st gold 4s of Jan. 1, 1889.

\$1,000,000 R. & A. Div. 2d gold 4s of Jan. 1, 1889.

650,000 Craig Vy. Br. 1st gold 5s of July 1, 1940.

400,000 Warm Spr. Br. 1st gold 5s of Mar. 1, 1941.

3,007,000 E. L. & B. S. RR. 1st 5s of Mar. 1, 1902.

23,824,000 General gold 4½s of March 1, 1902.

FIRST MORTGAGE BONDS.—The 1st mtge. bonds of 1908 (series A and B) are secured on the main line (Richmond to Huntington) and franchises of the old C. & O. Ry. Co. There are \$2,000,000 of bonds of series A outstanding and \$13,354.17 of series B bonds and scrip therefor. The bonds of series A were issued under the same mortgage as series B bonds, have equal security therewith, and, in addition, are specially secured by a lien, in common with the \$2,000,000 6s of 1911, on the Newport News Extension and the Newport News terminal facilities.

PENINSULA EXTENSION BONDS.—Secured on the line from Newport News to Richmond, 75.10 miles.

TERMINAL BONDS.—Secured on the extension from Newport News to terminals, 7.8 miles.

FIRST CONSOL. MTGE. BONDS.—The 1st consol. mtge. bonds cover the entire old line of the company, and also (by deposit with trustee of the stocks and bonds issued by the companies owning them and belonging to the C. & O. Ry. Co.) the extension from Ashland to Covington and the bridge across the Ohio River from Covington to Cincinnati; a total of 658.59 miles. A sufficient amount of the bonds is reserved for the retirement of the before described divisional liens.

RICHMOND AND ALLEGHENY DIVISION BONDS.—The R. & A. Div. bonds are secured, in the order of their priority, on the line from Richmond to Clifton Forge, Va., with branch from Balcony Falls to Lexington, together 253.32 miles.

CRAIG VALLEY BRANCH BONDS.—Secured by first mortgage on the Craig Valley Extension, from Bessemer to Craig City, 26.06 miles.

WARM SPRINGS BRANCH BONDS.—Secured by first mortgage on the line from Covington to Hot Springs, Va., 24.78 miles.

ELIZABETHTOWN, LEXINGTON AND BIG SANDY BONDS.—These matured on March 1, 1902, and were retired.

GENERAL MORTGAGE BONDS.—Secured on the entire property of the C. & O. Ry. Co., "whether now owned or hereafter acquired by use of bonds secured by the same mortgage." They are additionally secured by deposit with the Central Trust Co. of New York of the following securities owned by the C. & O. Ry. Co.: All the stock and bonds of the Kentucky and South Atlantic RR. Co.; all except 210 shares of the stock and all the bonds of the Ohio and Big Sandy RR. Co.; all the stock, \$275,000 1st mtge. bonds, \$550,000 2d mtge. bonds, and \$489,000 debenture bonds of the Elizabethtown, Lexington and Big Sandy RR. Co.; all the bonds of the Kinniconnick and Freestone RR. Co., and £10,000 of the capital stock of the Chesapeake and Ohio Steamship Co. The amount of bonds authorized by the mortgage is \$70,000,000, but additional bonds, having equal pro rata security under the mortgage, may be issued from time to time to provide for the actual cost of double tracking the road. Such additional amount of bonds shall not exceed an average of \$25,000 per mile of double track, however, nor be issued at a rate exceeding \$1,500,000 in any calendar year; and no section of double track for which they may be issued shall be less than three miles in length, unless it be to connect two other sections. Sufficient bonds of the \$70,000,000 are reserved for the retirement of all prior liens, except the R. & A. Div. bonds, and for the retirement of the first and second preferred stock; the balance may be issued at a rate not exceeding \$2,000,000 a year, for the construction or acquisition of branch lines, for the acquisition of securities of companies owning such lines, or of steamship companies operating to or from Hampton Roads, or for the purchase of rolling stock, for new construction (other than double track) and betterments, or the purchase of additional property either upon, along or appurtenant to the railways owned or controlled by the C. & O. Ry. Co. In the case of additional lines of railway so acquired the mortgage is to be a first lien thereon, or if any prior liens are outstanding, a like amount of these bonds (out of the \$70,000,000) is to be reserved for their retirement. Since June 30, 1901, additional gen. mtge. bonds to the amount of \$4,009,000 have been issued, making the total outstanding \$32,833,000.

11a. Kineon Coal Co. Bonds.—In the purchase of the coal terminals at Cincinnati, referred to in Sec. 1, the company assumed \$200,000 5 p. c. gold bonds, due Oct. 1, 1915, but subject to redemption on Oct. 1, 1905, or on any interest day thereafter.

12. Guaranteed Bonds.—The company is also liable as guarantor of the Norfolk Terminal and Transportation Co. 1st mtge., \$500,000; C. & O. Grain Elevator Co. 1st mtge., \$830,000; Greenbrier & New River RR. 1st mtge., \$533,000; Greenbrier Ry. Co., 1st mtge., \$2,000,000; Passenger & Belt Ry. Co., 1st mtge., \$150,000; Louisville & Jeffersonville Bridge Co., 1st mtge. (C., C. & St. L. two-thirds; C. & O. one-third), \$3,000,000; C. & O. Steamship Co., Ltd., 1st mtge., £80,000.

History.—Chartered as Georgia RR. Co. on Dec. 21, 1833; present name adopted under Act of Dec. 18, 1835. (See MANUAL for 1899, page 417.) The banking business has been turned over to the Georgia RR. Bank, a separate corporation, a majority of whose capital stock is owned by this company. The railroad property was leased for 99 years on May 7, 1881, to William M. Wadley at a rental of \$600,000 a year, payable Sept. 30 and March 31. The Louisville and Nashville RR. Co. and the Atlantic Coast Line RR. Co. are now joint lessees. This company holds as security for the performance of the terms of the lease \$500,000 5 p. c. gold bonds of the South and North Alabama RR. Co. and \$500,000 1st mtge. 4 p. c. gold bonds of the Atlantic Coast Line RR. Co. of South Carolina.

This company owns one-half interest in the Western Ry. of Ala. (the other half being owned by the Central of Georgia Ry. Co.), and owns more than a two-fifths interest in the Atlanta and West Point RR.

Surplus Account (Lessor), April 1, 1901.—Surplus, April 2, 1900, \$841,936.97; receipts for year (rental), \$600,000—total, \$1,441,936.97. *Contra* : Accrued dividends (April, July, and Oct., 1900, and Jan., 1901, 2½ p. c. each), \$462,000; interest on bonds, \$138,000; other charges, \$252; loss on sale of U. P. & W. P. RR. bonds, \$59,000—total, \$659,252. Balance, \$782,684.97.

Capital Stock.—The authorized issue is \$2,000,000; shares, \$50 each. Under a traffic agreement with the Pennsylvania RR. Co. it is provided that the company named or the Philadelphia, Wilmington and Baltimore RR. Co., or both of them, shall have the option to purchase the capital stock of this company at any time during the continuance of the traffic contract at a price to be determined by capitalizing, at the rate of 6 p. c. per annum, the average annual net earnings applicable to dividends for the three years prior to the exercise of the option, added to the pro rata value per share of any accumulated and undivided earnings, represented by cash or securities at their market value, in excess of the sum of \$100,000, which amount shall be held to be required for working capital. To insure and secure this option, the capital stock is deposited in trust, and in lieu thereof there have been issued to the share owners negotiable trust certificates entitling the holders to vote at any meeting of the company and to receive any dividends declared upon the stock.

Funded Debt.—The funded debt on June 30, 1901, consisted of \$2,600,000 1st gold 4s of Jan. 1, 1939, and \$1,000,000 2d income gold 4s of Jan. 1, 1939. The authorized amount of 1st mtge. bonds is \$3,000,000, of which \$400,000 is reserved for betterments. Additional particulars are in the Ready Reference Bond List—see General Index.

1a. The company uses the track of the Richmond and Petersburg RR. to gain entrance into Richmond, and leases to the Norfolk Southern RR. Co. trackage and terminal facilities at Norfolk.

2. History.—Reorganization, Sept. 24, 1896, of the N. & W. RR. Co. (see MANUAL for 1898, page 591). The Belt RR. of Durham, N. C., 2.18 miles, was purchased on Oct. 16, 1899, and the entire capital stock of the Cincinnati, Portsmouth and Virginia RR. Co. on

Jan. 22, 1901. The bonded debt of the Cincinnati, Portsmouth and Virginia RR. Co., including that of the former Cincinnati Connecting Belt RR. Co., was paid off on July 1, 1901, and the property of the company was deeded to the Norfolk and Western Ry. Co. on Oct. 11, 1901. There has been no formal merger, however, the separate organization of the Cincinnati, Portsmouth and Virginia RR. Co. still being maintained.

3. Pocahontas Coal and Coke Co.—The Norfolk and Western Ry. Co. owns the entire capital stock of the Pocahontas Coal and Coke Co., owner of an extensive area of coal and other lands in West Virginia, and of mineral rights, leases, royalties and other property. This property has been made the basis of a joint and several mortgage executed by the Pocahontas Coal and Coke Co. and the Norfolk and Western Ry. Co. in favor of the Girard Trust Co., Philadelphia, Pa., as trustee, to secure an issue of purchase money first mortgage bonds to the amount of \$20,000,000 (see Sec. 12).

4. Rolling Stock, June 30, 1901.—Locomotives, 471. Cars—passenger, 146; combination, 16; baggage, mail, and express, 71; freight (box, 6,434; flat, 400; stock, 1,063; poultry, 15; coal, 11,156; charcoal, 4; coke, 614), 19,686—total revenue cars, 19,919. Also, 508 service cars, 2 tugs, and 11 barges.

4a. Equipment Leased from Virginia Co.—On March 1, 1902, the company leased from the Virginia Co., for ten years from that date, 53 locomotives, 25 passenger coaches, 6 baggage, mail and express cars, and 5,000 freight cars (3,500 gondola, 1,000 box, and 500 flat), such equipment to be delivered by the Virginia Co. as fast as received from the builders. Upon the execution and delivery of the lease the Norfolk and Western Ry. Co. paid to the Virginia Co. the sum of \$1,500,000, and will pay further, on each 31st of August, from 1905 to 1911, inclusive, the sum of \$500,000, making a total principal sum of \$5,000,000; interest to be paid on the deferred amounts (aggregating \$3,500,000) at the rate of 4 p. c. per annum from the date of the lease. Upon the completion of these payments the equipment will become the property of the Norfolk and Western Ry. Co.

8. Capital Stock.—Preferred stock has priority over common stock for dividends up to 4 p. c. per annum, non-cumulative, out of surplus net profits; and in case of liquidation or distribution of the capital, the holders of preferred stock are entitled to receive the par amount of their shares out of the company's assets before any payment can be made on the common stock. Preferred stock has the right to elect two-thirds of the board of directors until Sept. 24, 1901, unless full yearly dividends shall have been paid on it for three years previously; after Sept. 24, 1901, or after full yearly dividends shall have been paid on the preferred stock for three years, all shares are to have equal voting power. It is provided that no additional mortgages shall be placed upon the property, nor the amount of the preferred stock be increased or decreased, without the consent of the holders of two-thirds of the outstanding preferred stock, given at a meeting called for that purpose, and the consent of a majority of such part of the common stock as shall be represented at the meeting, the holders of each class of stock voting separately.

9. Funded Debt.—The funded debt as per general balance sheet includes \$922,750 of 1st consol. mtge. bonds held in the treasury of the company, the funded debt actually outstanding on June 30, 1901, amounting to \$50,176,750, as follows (additional particulars are in the Ready Reference Bond List—see General Index):

Old past-due bonds.....	\$6,000	S. V. & N. E. 1st gold 4s of Nov. 1, 1889.	\$5,000,000

Improvement & ext. gold 6s of Feb. 1, 1934....	5,000,000	1st consol. reg'd 4s of Oct. 1, 1906.....	1,173,000

OLD PAST-DUE BONDS.—These consist of a \$1,000 consol. mtge. 3d preference bond of the Southside RR. Co., matured Jan. 1, 1896, and five \$1,000 enlarged mtge. bonds of the Virginia and Tennessee RR. Co., matured June 30, 1884.

GENERAL MTGE. BONDS, N. & W. RR.—Secured on the main line, and on the City Point and Saltville Branches, 427.5 miles. No more bonds can be issued under this mortgage.

NEW RIVER DIVISION BONDS.—These are a first lien on the New River Division, from Radford to Kyle, W. Va., 85.48 m.; branches to coal mines, 17.35 m.; the Cripple Creek Extension, 30.40 m.; and branches to ore mines, 19.2 m., aggregating 152.93 m.; and upon all other branches and extensions hereafter constructed under the privileges derived from the companies consolidated to form the New River Division; all of such branches or extensions come under the lien of the same mortgage without increasing the present issue of bonds. The bonds (limited to \$2,000,000) represent a first lien at the rate of \$13.078 per mile.

IMPROVEMENT AND EXTENSION BONDS.—By agreement with the trustee the maximum amount of these bonds which can be issued is \$5,000,000. The bonds are a lien upon the main line and upon the City Point and Saltville Branches, subject to the lien of the general mortgage. They are a second lien upon the New River Division and the Flat Top and Cripple Creek Extensions thereof. (See Manual for 1891, page 810.)

SCIOTO VALLEY AND NEW ENGLAND RR. BONDS.—These are a first lien upon the line, from Columbus to Coal Grove, O., 128.6 miles. Under supplemental mortgage of July 22, 1890, the maximum amount of these bonds which may be issued is \$5,000,000. Payment of these bonds, principal and interest, was assumed by the reorganized company.

COLUMBUS CONNECTING AND TERMINAL RR. BONDS.—These are assumed, principal and interest, by the Norfolk and Western Ry. Co. Interest payable at the Atlantic Trust Co., New York, N. Y. They are a first lien upon the Columbus terminals, including real estate in Columbus, O., costing \$568,304, and on 3.51 m. of railroad.

FIRST CONSOL. MTGE. BONDS.—Secured by first mortgage on about 833 miles of railroad, as follows: Norfolk Terminal Division, 5 m.; Clinch Valley Division, 114 m.; Lynchburg and Durham Division, 115 m.; Roanoke and Southern Division, 121 m.; Maryland and Washington Division, 253 m.; Ohio Extension, 207 m.; and North Carolina Extension, 18 miles. They are also a first lien on the terminals at Lambert's Point, Va., and on the shops at Roanoke, Va., and are further secured by pledge of the capital stock of the Columbus Connecting and Terminal RR. Co. and of \$3,499,200 of old divisional lien bonds and \$6,979,929.90 equipment obligations of the Norfolk and Western RR. Co. They are also a lien upon the railroad property of every nature, and upon the franchises of the company, but subject to the lien of previous mortgages; and they will be a lien on any property hereafter acquired by issue of the bonds reserved for improvements and additions. The authorized issue is \$62,500,000, of which a total of \$31,210,500 was issued prior to June 30, 1901, that amount including \$922,750 in the company's treasury. The remainder is reserved for the following purposes: \$22,098,889 to acquire or redeem \$19,889,000 of outstanding underlying bonds; \$3,500,000 to purchase or pay car trust obligations and other charges upon the property, for the creation of a reserve fund for special improvements, and for other necessary purposes; and \$5,690,611 (in addition to the \$500,000 held as an advance under Art. One, Sec. 5.) for new construction and acquisitions and for betterments and improvements, such bonds to be issued under carefully guarded restrictions at an average rate not exceeding \$1,000,000 per annum. It was provided in the mortgage that a prior lien mortgage might be created to secure not exceeding \$3,500,000 of prior lien bonds for use instead of the \$3,500,000 1st consol. mtge. bonds reserved as above; but under a supplemental deed dated Feb. 27, 1901, the company waives the right to issue such prior lien bonds. It is provided in the mortgage that the amount of the outstanding underlying bonds cannot be increased, but that such bonds may be extended at a rate of interest not in excess of that now payable thereon. On Jan. 22, 1902, there were listed on the New York Stock Exchange an additional \$2,500,000 of these bonds, making total amount listed to that date, \$33,204,600. The proceeds of the bonds have been applied to reimbursement in part for capital expenditures.

10. Company's Securities in Treasury.—Adjustment preferred stock, \$247,200; common stock, \$1,530,800; 1st consol. mtge. bonds, \$922,750—total, \$2,705,050.

11. Pocahontas Coal Land Purchase Money First Mortgage.—The Pocahontas Coal & Coke Co. and the Norfolk and Western Ry. Co. have executed a joint and several mortgage covering the property of the former (see Sec. 3) to secure an issue of 1st mtge. 4 p. c. 40-yr. gold bonds to the amount of \$20,000,000. Interest on the bonds is payable semi-annually on June 1 and Dec. 1, and the principal on Dec. 1, 1941, both principal and interest being payable in gold, free of all taxes. The bonds are for \$1,000 each, in coupon form, with privilege of registration as to principal alone or of conversion into fully registered bonds. As further security for the bonds the Pocahontas Coal and Coke Co. has deposited under the mortgage 900 shares of \$1,000 each of the Trans-Flat-Top Land Association, 29,995 shares of common stock and 2,300 shares of preferred stock of the Pocahontas Fuel Co., 2,495 shares of the stock of the Pocahontas Coal Land Co., and 5 shares of the stock of the Philadelphia Coal Land Co. The bonds are redeemable as a whole or in part at 105 p. c. and accrued interest on any interest day after two months' notice. There is provision for a sinking fund of 2½ cents per ton of coal mined in each year commencing April 1, 1906, to be applied to the purchase of bonds at not exceeding 105 p. c. and accrued interest, bonds to be drawn if not voluntarily presented for redemption. Trustee: Girard Trust Co., Philadelphia, Pa.

Cincinnati, Portsmouth and Virginia RR.—Idlewild to Scotoville, O., 108 m.; Idlewild to Ivorydale, O., 3.79 m.; Sardinia to Hillsboro, O., 19 m.—total, 130.79 m.; total track (steel; 56 lbs.), 150 miles. Trackage: C. L. & N. Ry., Cincinnati to Idlewild, O., 3.6 miles. Reorganization June 24, 1891, of the Ohio and Northwestern RR. Co. (see Manual for 1891, page 407). The Hillsboro Branch was acquired in 1900 by merger of the Columbus and Maysville Ry. Co., and the branch to Ivorydale, on April 9, 1901, by merger of the Cincinnati Connecting Belt Ry. Co. The funded debt of the Cincinnati, Portsmouth and Virginia RR. Co. and the funded debt of the Cincinnati Connecting Belt Ry. Co. were retired on July 1, 1901, the Norfolk and Western Ry. Co., which had previously acquired the entire capital stock of this company, supplying the means for their redemption. Under date of Oct. 11, 1901, the property of the company was deeded to the Norfolk and Western Ry. Co., but the separate organization of this company is still maintained. The Hillsboro Branch is operated by the Hillsboro RR. Co., under a lease for 10 years from March 1, 1900. The main line and the Ivorydale Branch have been operated as a division of the

Norfolk and Western Ry. since Oct. 1, 1901. Capital stock (common, \$1,566,000; preferred, \$594,000), \$2,160,000. The Norfolk and Western Ry. Co. owns all of this stock, except the shares necessary to qualify directors. Henry Fink, Pres., New York, N. Y.; Thomas Hunt, Sec., Cincinnati, O.; Wm. G. Macdowell, Treas., Roanoke, Va. Office, Roanoke, Va.

Columbus Connecting and Terminal RR.—At Columbus, O., 3.51 miles. Chartered in 1891 in the interest of the N. & W. RR. Co., to which it is leased. Put in operation July 1, 1893. The property is used jointly with the N. & W. Ry. Co. by the Columbus, Sandusky and Iocking and the Cleveland, Akron and Columbus RR. Cos. Capital stock (\$600,000 auth.), \$390,176; funded debt (see bond statement, N. & W. Ry. Co.), \$600,000—total, \$990,176. Contra: Cost of road, etc., \$990,161. The capital stock is owned by the N. & W. Ry. Co. and is pledged under that company's 1st consol. mtge. F. J. Kimball, Pres.; A. J. Hemphill, Sec., Philadelphia, Pa.; W. G. Of the excellence and completeness of the work the publishers present the following testimonial :

"The undersigned, having carefully examined the work recently published by Mr. HENRY V. POOR upon the subject of MONEY, hereby express their conviction that he has unfolded its NATURE and LAWS with an amplitude and clearness which have all the force of demonstration. His assumption of treating money as a subject coming within the range of the exact sciences has been well sustained. The application of the principles laid down in the first part of his work cannot fail to restore order in the place of the chaos of opinion which now prevails, and to point out, unmistakably, the conditions necessary to a restoration of the currency of the country to the standard of coin. We commend the work to the public as an able, scholarly, painstaking, and exhaustive treatise upon a subject in which is involved, more than in any other now engaging their attention, the welfare of the people of the United States."

and Buchanan Counties, Virginia, and in Mercer, McDowell, Wyoming, Raleigh, Boone, Logan, and Monroe Counties, West Virginia, aggregating about 235,000 acres, and comprising about four-fifths of what is known as the Pocahontas Flat-top Coal Field. The Norfolk and Western Ry. Co. is the owner of all the shares of capital stock of this company, except qualifying shares held by the directors. The company was incorporated under the laws of New Jersey by certificate filed Oct. 11, 1901, and amended Dec. 31, 1901. Under the amended certificate the capital stock is fixed at \$1,000,000, of which \$100,000 is 6 p. c. non-cumulative preferred stock and \$900,000 is common stock. The company does not engage directly or indirectly in the buying or selling of coal or coke, its principal purpose being to make leases on royalties to operating companies. On leases now made the royalties are 10 cents per ton on coal and 15 cents per ton coke. Prior to Jan. 1, 1902, about 34,559 acres of the company's lands were leased, and from these lands, during 1901, there were produced 2,645,682 gross tons of coal and 677,190 tons of coke, the royalties therefrom amounting to \$358,575. The number of acres of land leased from the company are as follows: Pocahontas Collieries Co., 8,348.61; Mill Creek Coal and Coke Co., 2,139.73; Illinois Steel Co., 50,000; other companies, 29,426.31. Income Account, three months ending March 31, 1902.—Earnings—royalties (coal, \$72,365; coke, \$24,782), \$97,147; sales of timber, \$54,692; other income, \$160—total, \$151,999. Operating expenses, \$10,580; taxes, \$4,500—total, \$15,080. Net earnings, \$136,919. Balance Sheet, March 31, 1902.—Capital stock (common, \$900,000; preferred, \$100,000), \$1,000,000; funded debt (see Norfolk and Western statement, Sec. 12), \$20,000,000; accrued interest on bonds, \$236,447; current liabilities, \$294,772—total, \$2,561,440. Contra: Coal lands, \$20,951,523; investments, \$171,629; cash and current assets, \$395,496; profit and loss,

Pocahontas Coal Co.—From Jan. 1, 1885, until April 1, 1895, this company acted as selling agent for the coal produced upon the lines of the Norfolk and Western RR., and its earnings were currently included in the earnings of the railroad company and paid over to it. On April 1, 1895, the Pocahontas Coal Co. withdrew from the selling of coal, and since then the operations of that company have been confined to the management of its wharves, lighters, and other property. At the same time the capital stock was reduced from \$200,000 to \$60,000. Financial Statement, June 30, 1901.—Capital stock, \$60,000; accounts payable, \$525—total, \$60,525. Contra: Investments (2 lighters, \$10,500; Hoboken wharves, \$4,779; real estate, \$3,685; stocks and investments in other companies, \$3,252), \$22,216; bills receivable, \$652; accounts receivable, \$536; cash, \$37,023; income account, \$98—total, \$60,525. L. E. Johnson, Pres., Roanoke, Va.; A. J. Hemphill, Sec., Philadelphia, Pa.; W. G. Macdowell, Treas., Roanoke, Va. Office, Roanoke, Va.

Virginia Co.—Incorporated March 6, 1882, as the Iron Belt Land, Mining and Development Co. of Virginia; charter amended changing name to Virginia Co., March 5, 1888. Under its charter this company has acquired and holds real estate at important points on the line of the N. & W. Ry. Co. The latter owns \$99,300 of the capital stock. Balance Sheet, June 30, 1901.—Capital stock, \$100,000; 1st mtg. 5 p. c. loan, \$80,000; N. & W. Ry. Co., \$350,754; accounts payable, \$1,311—total, \$562,065. Contra: Real estate, houses, etc., \$452,874; accounts receivable, \$9,762; income account, \$69,429—total, \$562,065. F. J. Kimball, Pres., Philadelphia, Pa.; Wm. G. 2. Joint Interests in Other Companies.—The Southern Ry. Co. and the Louisville and Nashville RR. Co. own the capital stock of the Birmingham Southern RR. Co. (see GENERAL INDEX), each one-half. That road is operated separately by its own officers, under an agreement between the proprietary companies. The Southern Ry. Co., the Baltimore and Ohio Southwestern RR. Co., and the Chicago, Indianapolis and Louisville Ry. Co. jointly control the Kentucky and Indiana Bridge and Railroad Co., owner of the railroad and bridge from New Albany, Ind., to Louisville, Ky. The property is operated as a separate organization, but the three companies named have the use of it, paying as rental an amount sufficient to cover any deficiency of its net income to meet fixed charges, each company paying in proportion to its use of the facilities. The Southern Ry. Co. owns one-eighth of the capital stock of the Norfolk and Portsmouth Belt Line RR. Co., the other seven-eighths being owned equally by the other seven railroad companies having terminals on the Elizabeth River. The property is operated independently for the interchange of traffic between the railroads centring at Norfolk, Va.

The Southern Ry. Co. and the Atlantic Coast Line RR. Co. have each subscribed for a one-half interest in the securities of a company which is constructing a Union Station at Columbia, S. C., and will use the station jointly. The Southern Ry. Co. will own a one-third interest in a Union Passenger Station to be constructed at Savannah, Ga., and will enjoy equal rights with other owners in its use and operation.

In addition to and as an adjunct of the railroad system the Southern Ry. Co. controls the Chesapeake Steamship Co. (successor to the Baltimore, Chesapeake and Richmond Steamboat Co.), operating about 200 miles of water lines on Chesapeake Bay and James River.

3. History.—Chartered Feb. 20, 1894, as successor to the Richmond and West Point Terminal Railway and Warehouse Co., and for the purpose of consolidating the various interests controlled by that company. A sketch of the history of the system from the incorporation of the Richmond and Danville RR. Co. on March 9, 1847, down to the beginning of the present management, is in the *MANUAL* for 1897, pages 763 to 767, and in later editions subsequent developments are recorded.

Effective Oct. 13, 1900, trackage arrangement was made with the Northwestern Ry. Co., under which that company was granted the privilege of using the track of the Southern Ry. Co. between Northwestern Junction and Camden, S. C., 3.27 miles.

Effective Dec. 10, 1900, on account of completion of the Hardeeville Extension of the Carolina Midland Ry., trackage arrangement with the Charleston and Western Carolina Ry. Co., between Allendale, S. C., and Yemassee, S. C., 34.7 miles, was discontinued; also trackage arrangement with the Plant system between Yemassee and Hardeeville, S. C., 30.5 miles. The present trackage arrangement with the Plant System covers only the line between Hardeeville, S. C., and Savannah, Ga. On the same date a trackage arrangement with the Central of Georgia Ry. Co., covering the joint use of their tracks between Central Junction, Ga., and West Broad Street, Savannah, 3.37 miles, was made in order to reach the terminals of that company, through which the freight business at Savannah is handled.

On Dec. 10, 1900, the extension of the Carolina Midland Ry., from Allendale to Hardeeville, S. C., 51.5 miles, was opened for traffic and made a part of the Savannah Division.

On Dec. 24, 1900, the company acquired the property formerly of the Louisville, Evansville and St. Louis Consolidated RR. Co., which was sold under foreclosure on Nov. 22, 1900. (See *MANUAL* for 1900, page 661.) In payment therefor, and for the extinguishment of receiver's obligations, the company has issued \$10,750,000 of 4 p. c. gold bonds secured by mortgage on the property mentioned. For legal reasons the Southern Ry. Co. of Indiana has been organized to take title to the railway lines, real estate, and franchises within that State, but the entire capital stock of that company, except the shares required to qualify directors, as well as a bond for \$5,000,000, secured by first mortgage on the property and franchises of the company, are owned by the Southern Ry. Co., and have been deposited under the mortgage securing the St. Louis Division bonds. The company began to operate the St. Louis Division on Jan. 1, 1901.

In March, 1901, the company acquired the control of a majority of the capital stock of the Mobile and Ohio RR. Co. and now owns and controls 49,326 shares of the capital stock and \$7,949,000 of the gen. mtge. bonds of that company. In exchange for the stock the company has issued dollar for dollar in stock trust certificates entitling the holder to receive dividends from April 1, 1901, at the rate of 2 p. c. for the first year, 3 p. c. for the second year, and 4 p. c. yearly thereafter. In payment for the bonds there have been issued dollar for dollar in 4 p. c. collateral gold bonds secured by deposit of the bonds purchased.

The general mortgage bonds and stock of the Mobile and Ohio RR. Co. are being exchanged for Southern Ry. Co. Mobile and Ohio collateral 4 p. c. bonds and Southern Ry. Co. Mobile and Ohio stock trust certificates, the general mortgage bonds and stock of the Mobile and Ohio Co. being deposited with the Guaranty Trust Co. of New York, trustee, for the purposes of the collateral trust securities issued by the railway company. The Mobile and Ohio RR. is operated by its own organization. (See *GENERAL INDEX* for Mobile and Ohio RR. Co.)

On April 12, 1901, this company purchased for \$50,000 the New Albany Belt and Terminal RR. (see *MANUAL* for 1900, page 663).

Under suit at law, begun by the stockholders of the Augusta Southern RR. Co. prior to the purchase of the stock and the lease of the property of the South Carolina and Georgia RR. Co. by the Southern Ry. Co., the lease of the Augusta Southern RR. to the South Carolina and Georgia RR. Co. was annulled by court on April 25, 1901, and the operation of the

Augusta Southern RR. property by the South Carolina and Georgia RR. Co. and by the Southern Ry. Co. ceased on that date. The Southern Ry. Co. has purchased a majority of the capital stock of the Augusta Southern RR. Co.

On June 5, 1901, the use of the Southern Ry. Passenger Station at Memphis, Tenn., was discontinued, and its passenger trains were operated into and out of the Calhoun Street Union Passenger Station of the Illinois Central RR. under contract with that company, dated June 1, 1901.

On June 24, 1901, the Chesapeake and Ohio Ry. Co. having completed the viaduct connecting their Second Street and Orleans Street Yards at Richmond, Va., discontinued the use of joint track over Southern Ry. drawbridge near Twenty-eighth Street for the handling of their regular business. They still use it, however, for handling business with this company, and to do switching for the Clyde Line.

Effective July 1, 1902, this company has taken a lease of the "Southern Ry., Carolina Division," a line formed by the consolidation of three of this company's proprietary roads (Asheville and Spartanburg RR., Carolina Midland Ry. and South Carolina and Georgia RR.) with the South Carolina and Georgia Extension RR., statement for which see. Effective the same date, the company has secured joint trackage rights over the Atlantic Coast Line RR., from Savannah, Ga., to Jacksonville, Fla., a distance of 172 miles, making the Southern Ry. an initial line at the latter point.

Joint Control of Chicago, Indianapolis and Louisville Ry. Co.—On May 20, 1902, this company and the Louisville and Nashville RR. Co. offered to purchase for joint account not less than 51 per cent. of the capital stock of the Chicago, Indianapolis and Louisville Ry. Co. at the price of 90 per cent. of par for the preferred shares, and 78 per cent. of par for the common shares, payment to be made in joint 4 per cent. bonds, payable July 1, 1952, but subject to redemption on any 1st of Jan. or 1st of July after Jan. 1, 1907. The bonds are to be secured by pledge of the stock against which they shall be issued. More than 51 per cent. of the stock was deposited in agreement with this offer within the set time, July 1, 1902.

6b. Upon the acquisition of the St. Louis Division, the Louisville Division, which has no physical connection with the remainder of the system, was attached thereto to form the "St. Louis-Louisville Lines," under charge of a separate general manager, with headquarters in St. Louis, Mo. The earnings, expenses, and operating statistics for those lines will in future be stated separately from those for the remainder of the system, and the reports of the general managers now show them in that form, but as the results of operation of the Louisville Division were included with all other lines in previous reports,

they are, for purposes of comparison, so included in the following statement. The St. Louis Division was operated by the receiver until Jan. 1, 1901, when it was taken over for operation by the Southern Ry. Co. For the sake of comparison its earnings and expenses are shown for the full two years in the following statement:

8. Capital Stock.—The amount of capital stock authorized is as shown on the General Balance Sheet. Preferred stock is entitled to dividends at the rate of 5 p. c. a year, non-cumulative. No additional mortgage can be put upon property, nor can the authorized amount of the preferred stock be increased, without the consent in either case of a majority in amount of the preferred stockholders. By act of the Legislature of Virginia, effective Jan. 23, 1900, the company may at any time, by majority vote, reduce its common stock to \$60,000,000.

9. Voting Trust.—Both classes of stock, except sufficient shares to qualify directors, are deposited in a voting trust (J. P. Morgan, Charles Lanier, and George F. Baker, voting trustees) until the company shall have paid 5 p. c. cash dividend in one year on the preferred stock. But the trustees, at their discretion, may terminate the trust at any time. Certificates of beneficial interest, representing the ownership of the shares and entitling the holders to any dividends that may be declared, are issued in lieu of the stock deposited.

10. Funded Debt.—The funded debt outstanding on June 30, 1901—total, \$124,581,700 as per general balance sheet—consisted of the several issues of bonds listed in the following statement. Additional particulars respecting any issue will be found in the paragraphs relating thereto appended to the statement; and the details of funded debt outstanding on or about Aug. 1, 1902, will be found in the **READY REFERENCE BOND LIST**—see **GENERAL INDEX**.

FIRST CONSOL. MTGE. BONDS.—These are authorized to the amount of \$120,000,000, and of the \$83,947,000 of bonds unissued on June 30, 1901, \$11,942,300 were reserved for extensions, additions, and betterments; \$69,046,700 for the retirement of prior liens; \$5,700,000 for the acquisition of the stocks of the North Carolina RR. Co., and the Atlanta and Charlotte Air-Line Ry. Co., and the remainder for the retirement of equipment obligations and for other purposes. Of the \$36,053,000 issued up to June 30, 1901, \$2,538,000 represented bonds free in the treasury, the amount actually outstanding being \$33,515,000. The bonds are secured by a direct mortgage on all lines owned by the company, as well as on its leasehold estates, etc., and by pledge of bonds and stocks of the par value of \$19,148,825, the details of which are shown in Sec. 16. The mortgage securing these bonds is now a direct first lien on 609.34 miles of road, as follows: Clarks-ville to Durham, N. C., 56.8 m.; Oxford to Henderson, N. C., 12.72 m.; Greensboro to Wilkesboro, N. C., 100.15 m.; Statesville to Taylorsville, N. C., 20 m.; Atlanta to Fort Valley, Ga., 102.3 m.; Mobile Junc. to Birmingham Junc., Ala., 34 m.; Gurnee Junc. to Blocton, Ala., 14.30 m.; Rome to Attalla, Ala., 61.3 m.; Marion Junc. to Akron, Ala., 53 m.; Knoxville to Maryville, Tenn., 16 m.; Clinton to Harrison Junc., Tenn., 30.6 m.; Griceville to Panola, Tenn., 3.7 m.; Oliver Springs to Big Mountain, Tenn., 3.26 m.; Rogersville Junc. to Brainerd, Tenn., 16 m.; Johnson City to Embreeville, Tenn., 13 m.; Knoxville, Tenn., to Cumberland Gap, Ky., 62.36 m.; the Knoxville Belt Line, 5.85 m.; and extension from Round Hill to Blumont, Va., 4 miles. It is also practically a first lien on the following-named railroads by virtue of the pledge of all of the mortgage bonds outstanding secured by first liens thereon; Danville and Western Ry., 75 m.; Elberton Air-Line RR., 50.6 m.; High Point, Randleman, Asheboro and Southern RR., 26.8 m.; North Carolina Midland RR., 53.55 m.; Southern Ry. in Ky., 123.2 m.; Yadkin RR., 41 m.—total, 370.15 miles.

EAST TENNESSEE REORGANIZATION BONDS.—Secured by a lien on certain parts of the lines of railway formerly of the East Tennessee, Virginia and Georgia Ry. Co., identical in terms with but less in amount than the lien of \$6,000,000 former Improvement and Equipment bonds of the East Tennessee, Virginia and Georgia Ry. Co., for which they were substituted pursuant to the plan of reorganization. They also constitute a lien prior to that of the Southern Ry. 1st consolidated mortgage on \$561,200 of the capital stock of the Knoxville and Ohio RR. Co. and on the \$2,656,525 capital stock of the Memphis and Charleston RR. (See statement of securities deposited under the 1st consolidated mortgage.)

MEMPHIS DIVISION FIRST MTGE. BONDS.—Secured by first mortgage on the 257 miles of the old Memphis and Charleston RR. in Alabama and Tennessee, together with appurtenances, etc., and by pledge of a separate bond of \$900,000, resting as a first lien on the 35 miles within the State of Mississippi, together with 1,000 shares of the capital stock of the Memphis and Charleston Ry. Co. (in Mississippi), the direct owner of that section of the line. The amount of bonds authorized to be issued under this mortgage is \$8,000,000, of which \$1,417,000 are reserved to be issued at a rate not exceeding \$100,000 per annum for future improvements upon the Memphis Division, and \$1,500,000 are reserved solely for the construction, if determined upon, of a line of railway between Stevenson, Ala., and Chattanooga, Tenn., replacing the trackage now used over the Nashville, Chattanooga and St. Louis Ry. If not used for this purpose, the \$1,500,000 of bonds can not be issued. All of the bonds are to bear interest at 4 p. c. per annum until July 1, 1901, then 4½ p. c. per annum until July 1, 1906, and 5 p. c. per annum thereafter.

MEMPHIS DIVISION SECOND MTGE. BONDS.—Secured on the same property as the 1st mtge. bonds, but subject in lien thereto. The total authorized issue is \$2,500,000, bonds amounting to \$1,000,000 being reserved for improvements or for the purchase of additional property. The \$1,500,000 shown in the statement of funded debt have not been sold, but are pledged as security for the \$1,000,000 certificates of indebtedness issued on account of the purchase of the Memphis and Charleston RR. (See General Balance Sheet.)

AIKEN BRANCH BONDS.—These bonds are secured on the line from Aiken to Edgefield, S. C., 23.58 miles.

ST. LOUIS DIVISION BONDS.—Secured by first mortgage on the railway, real estate, and franchises of the St. Louis Division lying within the State of Illinois, and on the equipment and personal property formerly of the Louisville, Evansville and St. Louis Consolidated RR. Co., also by deposit of \$699,300 capital stock and a \$5,000,000 1st mtge. bond of the Southern Ry. Co. of Indiana. The amount of bonds authorized to be issued under this mortgage is \$15,000,000 of which \$3,250,000 are reserved for additions and improvements or for the construction or acquisition of branches or extensions, \$1,000,000 thereof to be issued prior to Dec. 31, 1901, and the balance at the rate of \$500,000 a year thereafter. The remaining \$1,000,000 bonds are to be issued only for the construction of a line or portions of a line to overcome the high grades of the line for about 75 miles west from New Albany, Ind.

MOBILE AND OHIO COLLATERAL BONDS.—Secured by the deposit of an equal amount of gen. mtge. bonds of the Mobile and Ohio RR. The balance of the authorized issue of \$9,500,000 is reserved for the acquisition of the outstanding balance of gen. mtge. bonds of the Mobile and Ohio RR. Co. Provision is made in the trust indenture for a sinking fund under which the bonds may be retired before their maturity, but only whenever and to the same extent as Mobile and Ohio gen. mtge. 4 p. c. bonds (which may have been pledged as security under the trust indenture) are retired under the sinking fund provision in the general mortgage of the Mobile and Ohio RR. Co.

R. & D. RR. CONSOL. MTGE. BONDS.—Secured on the line from Richmond to Danville, Va., and branches, 146 miles. The trustee holds as collateral security for these bonds, \$500,000 1st mtge. bonds and \$500,000 2d mtge. bonds of the Piedmont RR. Co.

R. & D. RR. DEBENTURE MTGE. BONDS.—These are a lien subsequent to the consolidated mortgage of 1915 on the main line and branches of the R. & D. RR.

R. & D. RR. EQUIPMENT MTGE. BONDS.—It is provided that the company shall pay to the trustee on each interest day a sum equal to 4½ p. c. of the principal of bonds previously issued, whether any shall have been redeemed or not, and so much of this sum as is not required to pay interest is to be used in redeeming outstanding bonds at par and accrued interest.

WASHINGTON, OHIO AND WESTERN FIRST MTGE. BONDS.—Secured on the line from Alexandria to Round Hill, Va., 50 miles. The amount shown in the statement of funded debt, \$1,025,000, does not include \$221,000 owned by the Southern Ry. Co. and pledged under the 1st consolidated mortgage (see Sec. 16).

RICHMOND, YORK RIVER AND CHESAPEAKE BONDS.—These are secured in the order of their priority on the line from Richmond to West Point, Va., 39 miles, and constitute liens prior to that of the Southern Ry. 1st consolidated mortgage on \$125,100 of the capital stock of the Chesapeake Steamship Co. (see Sec. 16).

ATLANTIC, TENNESSEE AND OHIO BONDS.—Secured by first mortgage on the line from Charlotte to Statesville, N. C., 45.91 miles.

WESTERN NORTH CAROLINA BONDS.—Secured by first mortgage on the line from Salisbury to Paint Rock, N. C., 184.9 miles.

CHARLOTTE, COLUMBIA AND AUGUSTA BONDS.—Secured in the order of their priority on the line from Charlotte, N. C., to Augusta, Ga., 190.53 miles. Interest is payable in gold. Respecting the due date of the Charlotte, Columbia and Augusta 2d mtge. bonds, referred to in the Manual for 1900, page 392, the following is a copy of a communication received from the secretary of the Southern Ry. Co., under

date of June 11, 1901: "At the foreclosure sale of the Charlotte, Columbia and Augusta property, the Southern Ry. Co. became the purchaser thereof, subject to certain liens thereon, of which it had notice, and it appeared from all the records in hand that the mortgage matured Oct. 1, 1902, including the record of the said mortgage wherever it appears in the States of North Carolina, South Carolina and Georgia. The records of the mortgage were the only source available to the Southern Ry. Co. from which to ascertain the due date of the bonds. The fact that there is a difference between the due date of the bonds as shown by the bonds themselves and the mortgage was not known to this company until some time after the purchase of the property, although every possible effort has been made to ascertain the cause of the discrepancy, both from the old records of the Charlotte, Columbia and Augusta Co. and from its former officers. As the due date, even as shown by the records of the mortgage, is still more than a year distant, we have not yet undertaken how to deal with the discrepancy."

COLUMBIA AND GREENVILLE BONDS.—Secured on the line from Columbia to Greenville, S. C., 143.50 m., and branches, 21.48 m.—total, 164.98 miles.

EAST TENN., VIRGINIA AND GEORGIA FIRST MTGE. BONDS.—Secured by first mortgage on the line from Bristol, Tenn., via Chattanooga, Tenn., and Rome, Ga., to Selma, Ala., about 550 miles.

EAST TENN., VIRGINIA AND GEORGIA CONSOL. MTGE. BONDS.—Secured on the entire property of the old E. T., V. & G. Ry. Co., including its interest in the Knoxville and Ohio and Memphis and Charleston RR. Cos. (see Sec. 10).

ALABAMA CENTRAL BONDS.—Secured by first mortgage on the line from Lauderdale, Miss., to Selma, Ala., 95 miles.

GEORGIA PACIFIC BONDS.—Secured by first mortgage on the line from Greenville, Miss., to Atlanta, Ga., and branches, a total of about 555 miles.

KNOXVILLE AND OHIO BONDS.—Secured by first mortgage on the line from Knoxville to Jellico, Tenn., 65.3 miles.

SPARTANBURG, UNION AND COLUMBIA BONDS.—Secured by first mortgage on the Asheville and Spartanburg Ry., 133.9 miles. The Southern Ry. Co. guarantees the interest but not the principal of these bonds.

VIRGINIA MIDLAND SERIAL BONDS.—The 1st series is secured by a 1st lien on all lines between Alexandria and Gordonsville, including the lease of the Charlottesville and Rapidan RR.; the 2d series by a 2d lien on the same lines, and a 1st lien on the line between Charlottesville and Lynchburg; the 3d series by a 3d lien on lines between Alexandria and Gordonsville, and a 2d lien between Charlottesville and Lynchburg; the 4th series by a 4th lien on lines between Alexandria and Gordonsville, and a 3d lien between Charlottesville and Lynchburg; the 5th series by a 5th lien on lines between Alexandria and Gordonsville, a 4th lien between Charlottesville and Lynchburg, and a 1st lien on the road from Manassas Junc. to Harrisonburg; the 6th series by a 1st lien on the road between Lynchburg and Danville, including Pittsville Branch and lease of Franklin and Pittsylvania RR., and a 6th lien on the lease of the Charlottesville and Rapidan RR.

VIRGINIA MIDLAND GEN. MTGE. BONDS.—Secured on the entire property formerly of the Virginia Midland Ry. Co. These bonds are a direct obligation of the Southern Ry. Co. A sufficient amount of them is reserved for the retirement of the serial bonds.

CHARLOTTESVILLE AND RAPIDAN BONDS.—Secured by 1st mortgage on 28.22 miles of the Alexandria-Greensboro line, from Charlottesville to Orange, Va. The road is leased by the Southern Ry. Co. at a rental of \$35,300 per annum. Part of this rental is annually applied to the retirement of the bonds, the capital stock being retired simultaneously therewith. On Jan. 1, 1914, the bonds and the stock will have been retired and the road will be merged into the Southern Ry. In the meantime it is necessary to preserve the corporate existence of the C. & R. RR. Co.

ATLANTIC AND YADKIN BONDS.—Secured by first mortgage on the Atlantic and Yadkin Ry., 166.22 miles. The bonds are guaranteed, principal and interest, by the Southern Ry. Co., the guaranty being endorsed on each bond.

10a. Joint Bonds for Purchase of "Monon" Stock.—Arrangements have been made for issuing \$15,500,000 of joint 4 p. c. 50-yr. bonds of this company and the Louisville & Nashville RR. Co. for the acquisition of the capital stock of the Chicago, Indianapolis and Louisville Ry. Co. on the terms outlined in Sec. 3, and to provide for the betterment, improvement and enlargement of the C., I. & L. Ry. property. The bonds are to mature on July 1, 1952, but will be redeemable at 105 p. c. and accrued interest on any 1st of Jan. or 1st of July after Jan. 1, 1907. They will bear interest from July 1, 1902, at the rate of 4 p. c. per annum, coupons to be payable on Jan. 1 and July 1 and registered interest on Jan. 1, April 1, July 1, and Oct. 1. The bonds will be secured by pledge of the stock against which they shall be issued, such pledge to be made subject to the terms of a collateral trust indenture, which shall provide that the C., I. & L. Ry. Co. shall not execute or issue any bonds except for the refunding of its existing obligations, or for the acquisition of additional property, or for betterments, improvements or other lawful purposes, and that no proceeds of any bonds to be issued by the C., I. & L. Ry. Co. can be used to pay any part of the bonds secured by such collateral trust indenture unless all such bonds shall then be paid.

11. Sinking Funds.—The only issues with sinking fund features are: Georgia Pacific Ry. equipment sinking fund 5 p. c. mtge. bonds; Richmond and Danville RR. equipment sinking fund 5 p. c. mtge. bonds; Charlottesville and Rapidan RR. 1st mtge. 6 p. c. bonds. The operations of the sinking funds, it is expected, will retire the first-named issue in 1902, the second in 1905, and the third in 1913.

12. Outstanding Securities of Leasehold Estates.—The following is a statement in detail of the \$25,552,200 outstanding on June 30, 1901, as per general balance sheet (additional particulars are in the separate statements for the respective leased lines and in the Ready Reference Bond List—see General Index):

13. Equipment Obligations of Southern Ry. Co.—The equipment obligations of the Southern Ry. Co., proper amounting to \$4,002,996.61 represent unamortized balances on contracts covering the following equipment: 3,481 freight cars received during fiscal year 1900 and 3,469 freight cars, 50 passenger cars and 83 locomotives received during fiscal year 1901. The contract cost of this equipment was

\$6,389,852, of which there has been paid to June 30, 1901, \$2,386,855.39. Balance unmatured as per balance sheet, June 30, 1901, \$4,002,996.61.

14. Certificates of Indebtedness.—The certificates issued for the purchase of the stock of the South Carolina and Georgia RR. Co. and Seivern and Knoxville RR. Co., and of stock and bonds of the Northern Alabama Ry. Co. and Carolina Midland Ry. Co. bear interest at the rate of 5 p. c. per annum and are payable in semi-annual installments, the company reserving the right to pay all or any part of either issue on the due date of any one certificate. The certificates issued to provide for advances to the Carolina Midland Ry. Co. for the extension and completion of its line from Columbia to Hardeeville, S. C., are payable in four equal semi-annual installments from July 1, 1901, to Jan. 1, 1903, and bear interest at the rate of 4 p. c. per annum. The certificates issued to provide for advances to the Ensley Southern Ry. Co. for the construction of its line bear interest at the rate of 4 p. c. per annum and are payable in semi-annual installments of \$120,000, the last payment falling due on March 15, 1903. The certificates of May 1, 1901, bear interest at the rate of 4 p. c. per annum and are payable in five semi-annual installments of \$300,000 each, beginning Nov. 1, 1901.

15. Unpaid Balance of Purchase Price of Northeastern RR. of Ga.—The total purchase price was \$307,000, of which \$100,000 was paid at the time of purchase (Nov. 1, 1899), and \$100,000 on Nov. 1, 1900; the remaining \$107,000 will be due on Nov. 1, 1911, with interest in the meantime at 3½ p. c. per annum, payable semi-annually. The company has the right to anticipate the payment of the deferred installment on the due date of any semi-annual interest payment.

The bonds of the Asheville and Spartanburg Ry., Atlantic and Yadkin Ry., Charlottesville and Rapidan RR. and Knoxville and Ohio RR. are outstanding in the hands of the public and are described in Sec. 10 and in the Ready Reference Bond List.—(See GENERAL INDEX.)

Atlanta and Charlotte Air-Line Ry.—Atlanta, Ga., to Charlotte, N. C., 268.17 m.; total track, 340.02 miles. Rail (steel, 268.17 m.), 60, 75, and 80 lbs. Organized Feb. 27, 1877, as successor to the Atlanta and Richmond Air-Line Ry. Co. (see Manual for 1894, page 750). Leased to the R. & D. RR. Co. for 99 years from April 1, 1881. The Southern Ry. Co. acquired the rights of the R. & D. RR. Co. under said lease by virtue of its purchase of the property and franchises of the R. & D. RR. Co. at foreclosure sale in June, 1894. Rental, 1900-1901: Interest on bonds, \$347,500; dividends of 7 p. c. on stock, \$107,666.66; organization expenses, \$4,000—total, \$459,166.66. Under the terms of the lease, dividends are to be at the rate of 5 p. c. a year if gross earnings fall to or below \$1,500,000 a year, 6 p. c. a year on gross earnings of from \$1,500,000 to \$2,500,000, and 7 p. c. if gross earnings exceed \$2,500,000 in any year. Capital stock (\$100 shares), \$1,700,000; funded debt (see details in Sec. 12), \$5,500,000—total, representing cost of property, \$7,200,000. Charles S. Fairchild, Pres.; Wm. N. Wilmer, Sec.; Geo. Sherman, Treas., New York, N. Y. Office, 48 Wall St., New York, N. Y.

Atlantic and Danville Ry.—West Norfolk to Danville, Va., 205.10 m.; James River Junc. to Claremont, Va. (3-ft. gauge), 50.49 m.; Portsmouth to Shoulders Hill, Va., 9.98 m.; Hitchcock Junc. to Hitchcock Mills, Va., 8.33 m.; Buffalo Junc. to Buffalo Lithia Springs, Va., 3.90 m.; North and South Carolina RR. (leased), 4.62 m.—total, 282.42 m.; total track (steel; 35 to 60 lbs.), 315.41 miles. Locomotives, 26; passenger train cars, 23; freight train cars, 511; road cars, 14. Reorganization, Aug. 2, 1894, of the Atlantic and Danville Ry. Co. (See Manual for 1895, page 164.) Leased to the Southern Ry. Co., for 50 years, from July 1, 1899, at a fixed rental of \$127,000 a year for the first two years, \$157,000 a year for the next three years, \$188,000 a year for the following five years, and \$218,000 a year thereafter. In the event of the issue of the \$500,000 of bonds for additions to the property, as hereinafter shown, the fixed rental will be increased \$20,000 annually. Also, the lessee agrees to pay the same rate of dividends on the common stock as may be paid on its own common stock. The lease is renewable forever in periods of 99 years. Financial Statement, June 30, 1901.—Capital stock, \$5,379,000, consisting of \$2,179,500 common stock and \$3,099,200 preferred stock. Funded debt, \$3,175,000. 1st gold ss of July 1, 1918, int. J. & J. The authorized issue of the bonds is \$4,425,000. Between June 30 and Nov. 1, 1901, there were issued \$750,000 additional bonds, making a total of \$3,925,000. The remaining \$500,000 will be issued on the request of the lessee, but only for additions to the property. The outstanding bonds were issued partly for the redemption of \$1,500,000 of 5 p. c. bonds and partly with a view to the ultimate liquidation of the preferred stock. On Nov. 1, 1900, there was paid \$1,270,000 of the preferred stock, and on Nov. 1, 1901, \$635,000 additional; making a total of \$1,905,000, or 60 p. c., on the preferred stock distributed among the holders thereof. The new bonds are secured by first mortgage on the entire property of the company. They are fully described in the Ready Reference Bond List—see General Index. B. New-gass, Pres., London, Eng.; Charles O. Haines, Vice-Pres.; Adam Tredwell, Sec. & Treas., Norfolk, Va. Office, Norfolk, Va.

2. History.—Chartered Feb. 23, 1881; road opened from Piedmont to Mineville, 11.5 m., Oct. 19, 1881; extension to Gorman, 19.6 m., opened Aug. 1, 1883; extension to Thomas and branch to Davis, a total of 24.1 m., opened Nov. 1, 1884; Elk Garden Branch, 7 m., opened Dec. 17, 1888; extension to Elkins, 36 m., opened Aug. 18, 1889; Belington Branch, 17.6 m., and branch from Elkins Junction to Beverly, 5.56 m., opened May 1, 1892; extension from Beverly to Huttonsville, 10.94 m., opened Feb. 5, 1899. (See MANUAL for 1889, page 645.) The Piedmont and Cumberland Ry. was leased in 1894, for a term of years expiring in 1911, at a rental of 37 p. c. of its gross earnings; but that lease has been abrogated and a new one made, effective July 1, 1899, which provides for a rental equivalent to the interest on the lessor's bonded debt and dividends of 5 p. c. per annum on its capital stock. As this company owns 92.6 p. c. of such capital stock, the rental payable under the lease is reduced to the fixed amount of \$34,853 per annum. The accounts of the Piedmont and Cumberland Ry. were kept separate from those of the West Virginia Central and Pittsburg Ry. prior to July 1, 1899, but for the purpose of comparison, the operations and income of both roads are combined in the tabular statement, Sec. 13.

3. Coal and Iron Ry. Co.—The Coal and Iron Ry. Co. has been organized in the interest of this company to build the connecting link between this road and the Chesapeake and Ohio Ry., referred to in the MANUAL for 1900, on page 399. Besides providing an outlet south for the West Virginia Central and Pittsburg, and giving it an additional feeder, the Coal and Iron Ry. will create a short and direct line through the State of West Virginia, connecting the trunk lines north and south of it, and will form a link in a through route from Pittsburgh to Newport News. This company is constructing the road, which will extend from Elkins south, about 45 miles to the Forks of Greenbrier River, where connection will be made with the Greenbrier River Ry. of the Chesapeake and Ohio system. The West Virginia Central and Pittsburg Ry. Co. owns the entire capital stock of the Coal and Iron Ry. Co., and in consideration of such ownership has guaranteed, both as to principal and interest, \$1,000,000 of 5 p. c. bonds secured by first mortgage on the property of the same company.

4. Coal Properties.—Effective Jan. 1, 1900, the company purchased the entire capital stock and acquired title to the properties of the Davis Coal and Coke Co., consisting of 49,952.79 acres of coal and timber lands owned in fee and a leasehold of 1,764.09 acres. Previously to this the company owned 39,635.41 acres of similar lands, making a total of

91,352.29 acres owned and leased on June 30, 1900. During the year ending June 30, 1901, there were purchased 12,500 acres additional of coal and timber lands. The company, therefore, now owns over one hundred thousand acres of these lands. It has also 750 dwelling houses for its miners and other employes. With the Davis purchase the company acquired, besides a large and well established business, ten or twelve mines in full operation and nearly 600 coke ovens. A large area of the coal lands of the company is covered with valuable timber, some of which is under lease. The organization of the Davis Coal and Coke Co. has been maintained as a medium through which to market the company's products.

5. Operating Divisions of Company.—The operations of the company are divided into three branches—the Railway Department, the Coal Department, and the Real Estate Department. The Coal Department dates from Jan. 1, 1900, when the properties and business of the Davis Coal and Coke Co. were acquired, and the revenue to the company therefrom, since that date, is reported separately. The Real Estate Department covers all the lands, houses, mining, and timber properties of the company. The revenue of the department comes from rent of houses, coal and timber royalties, and other like sources, and is stated separately in the General Income Account.

6. Rolling Stock, June 30, 1901.—Locomotives, 41. Cars—passenger, 11; combination passenger, 6; baggage and mail, 3; freight (box, 152; coal hoppers, 376; gondolas, 1,731; flat, 20; caboose, 15), 2,294; service, 7—total, 2,321. Also, 1 horse and carriage.

7. Floating Equipment.—The company owns 3 barges and 2 schooners. These vessels are employed in carrying the company's coal from Baltimore and Philadelphia to New England points.

8. Coal Mining Operations.—The first shipment from the company's mines was made on Oct. 20, 1881. The total shipments of coal from all mines on the line of the road from then until June 30, 1901, were as follows:

12. Capital Stock.—The company has authority from the Legislature of West Virginia to increase its capital stock from time to time up to a total of \$25,000,000 (see Manual for 1901, page 390). In Aug., 1901, the stockholders authorized the issuing of \$5,000,000 new stock, \$1,000,000 of which was placed at the disposal of the directors, to purchase the stock of the Piedmont and Cumberland Ry. and of the Buxton and Landstreet Co., and for other purposes. The remaining \$4,000,000 was reserved for other corporate purposes.

13. Funded Debt.—The funded debt outstanding on June 30, 1901, consisted of (\$3,600,000 auth., at rate of \$25,000 per mile) 1st gold 6s of July 1, 1911. The bonds are secured by a first and only mortgage on the entire property of the company, whether now owned or hereafter acquired. Additional particulars respecting them are in the Ready Reference Bond List—see General Index.

14. RAILROADS OWNED OR LEASED BY THE W. V. C. & P. RY. CO.

Coal and Iron Ry.—Under construction from Elkins to Durbin, W. Va., 45 miles, to connect the W. V. C. & P. Ry. with the C. & O. Ry. Chartered Dec. 14, 1899; road will be completed in the fall of 1902. Will be operated by the W. V. C. & P. Ry. Co.
